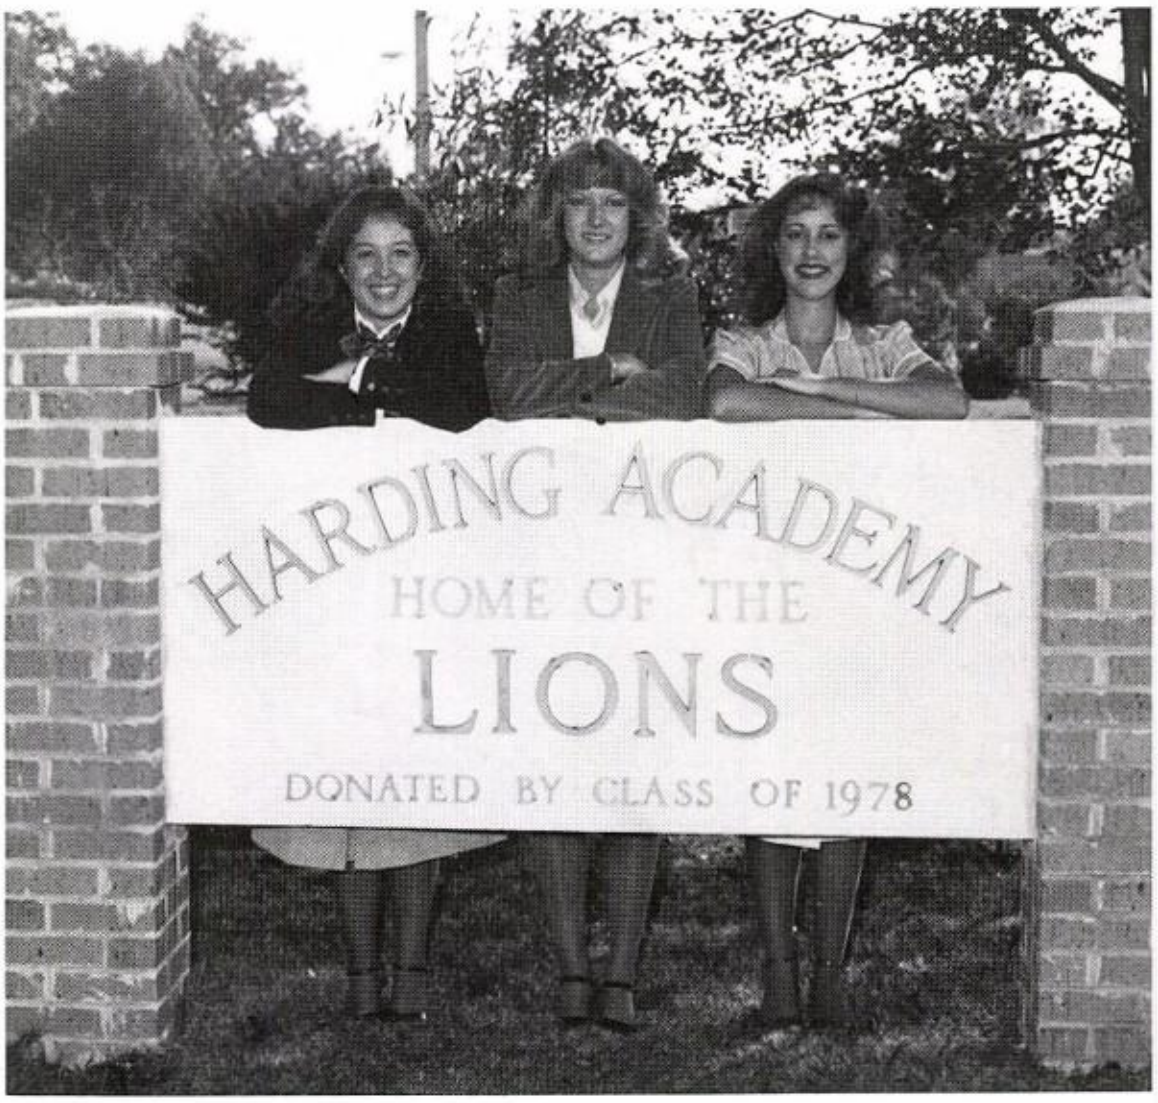
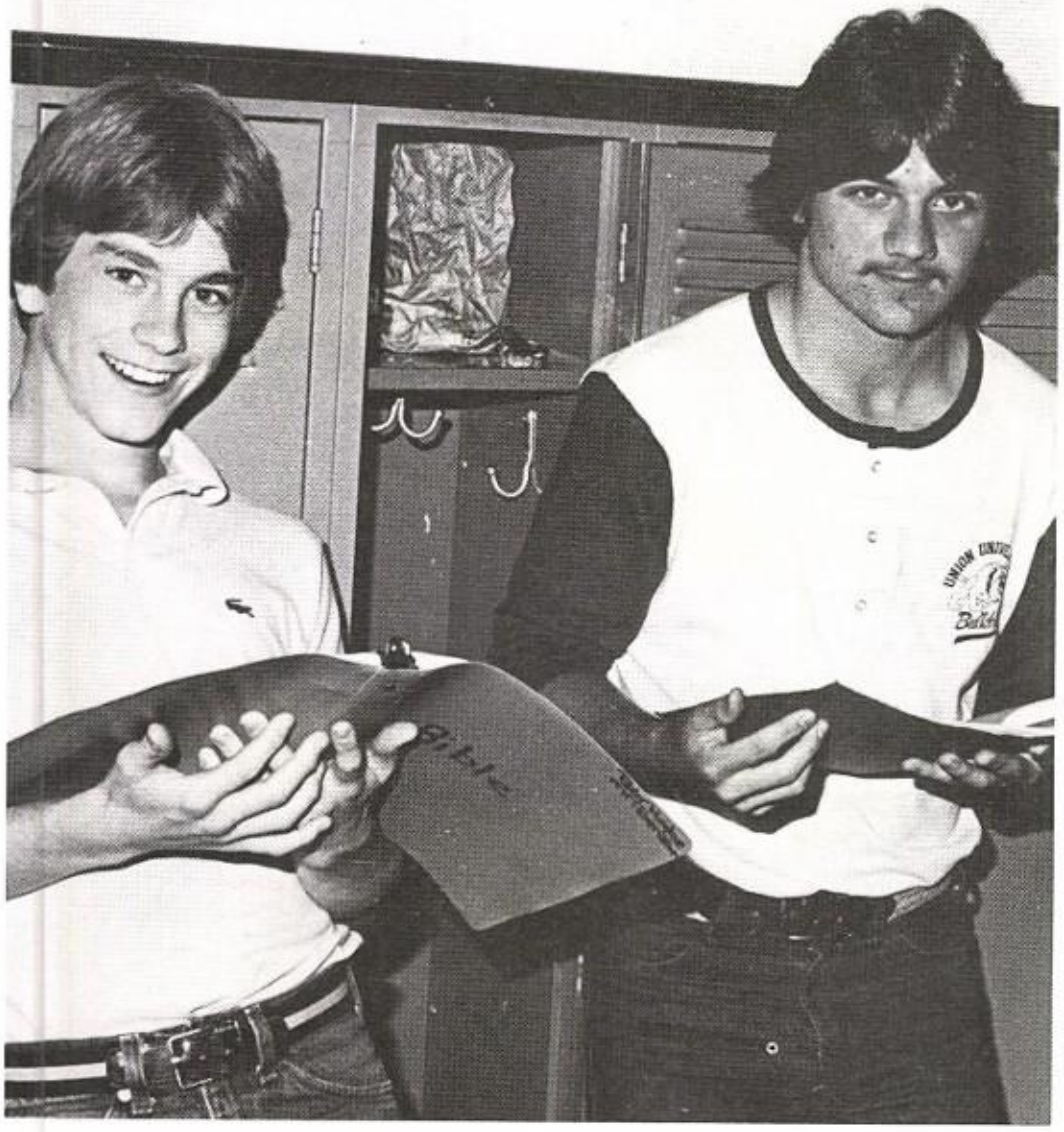
VOLUME 25

THE SHIELD REMEMBERS . . .

Since the time that Harding published its first yearbook in 1958, the school as a whole has undergone many major changes. One noticeable change is the terrific growth in the number of students. In 1958 the graduating class consisted of no more than 12 seniors and the class of 1982 is considerably larger. We've also seen changes in the areas of academics, sports, and achievements as a whole. Harding offers courses in a variety of subjects and advanced courses for high-achievers. The athletics department is one of the best in the city of Memphis and has given the school much to be proud of. The 1982 SHIELD wishes to remind you of the hard work and effort that dedicated people have put in to making Harding Academy what it is today. We at Harding truly do have something to be proud of.

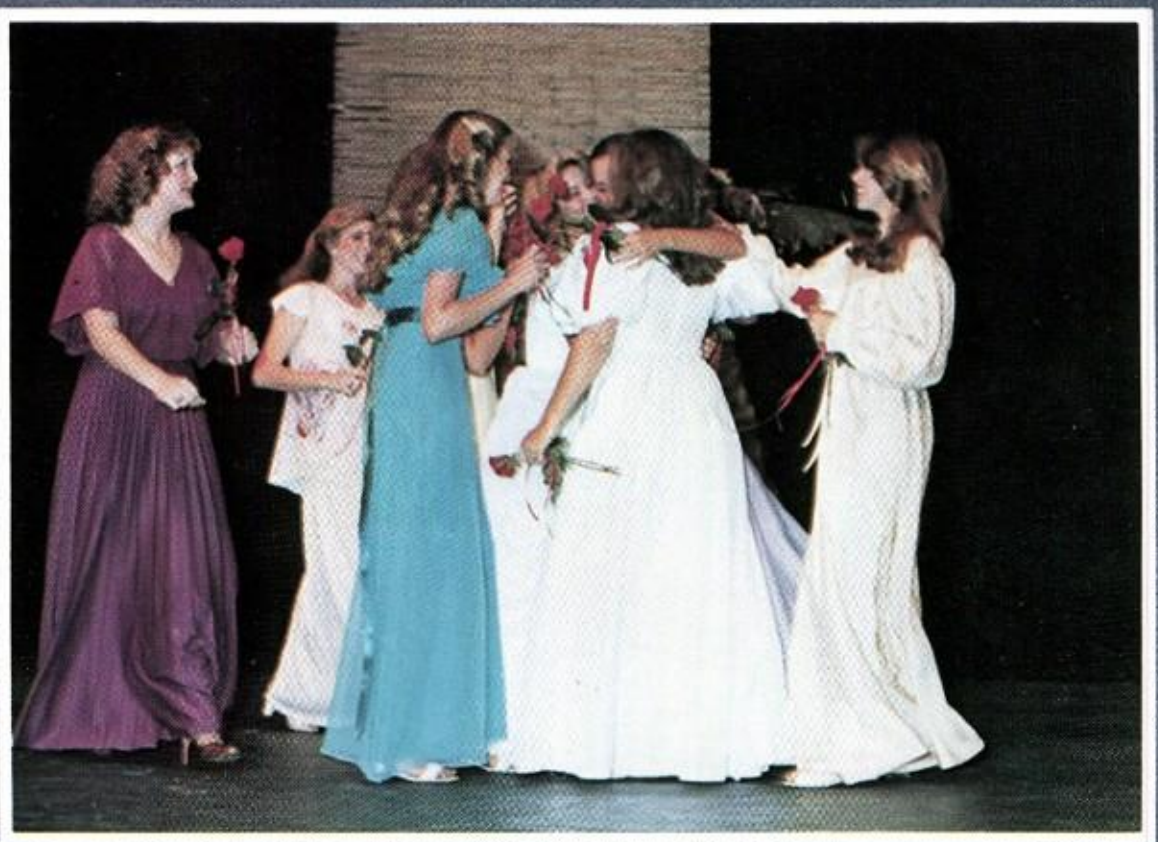


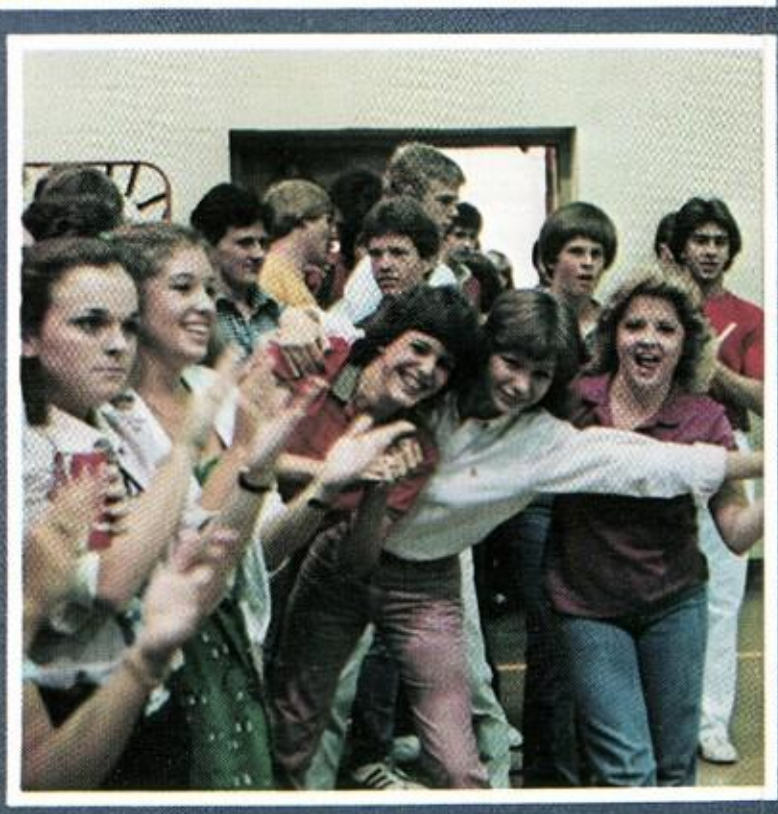


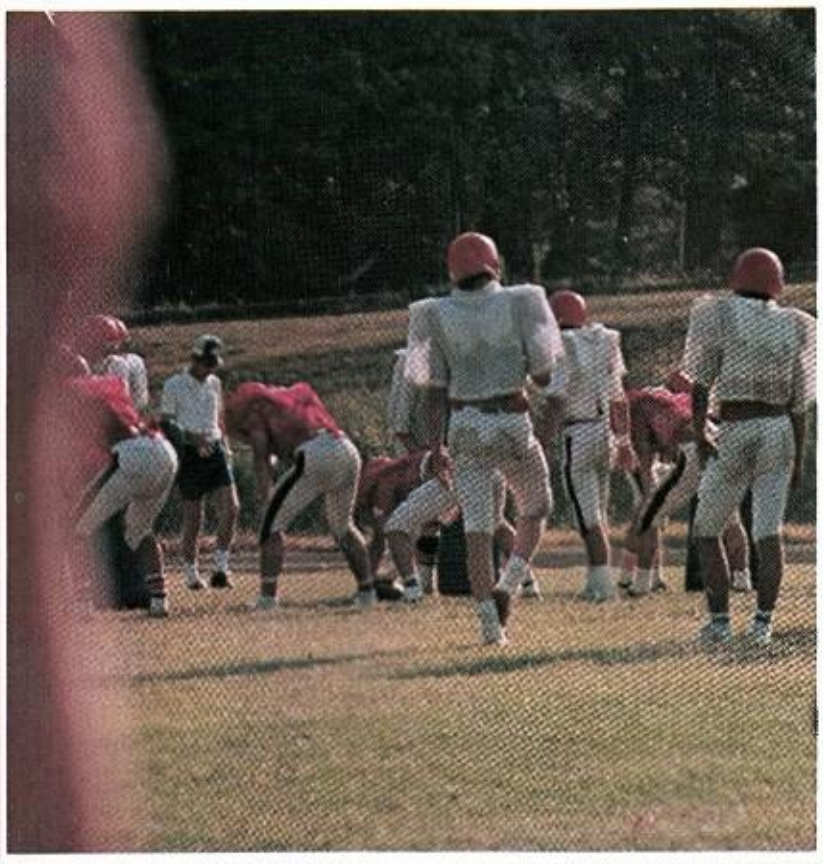
25 YEARS

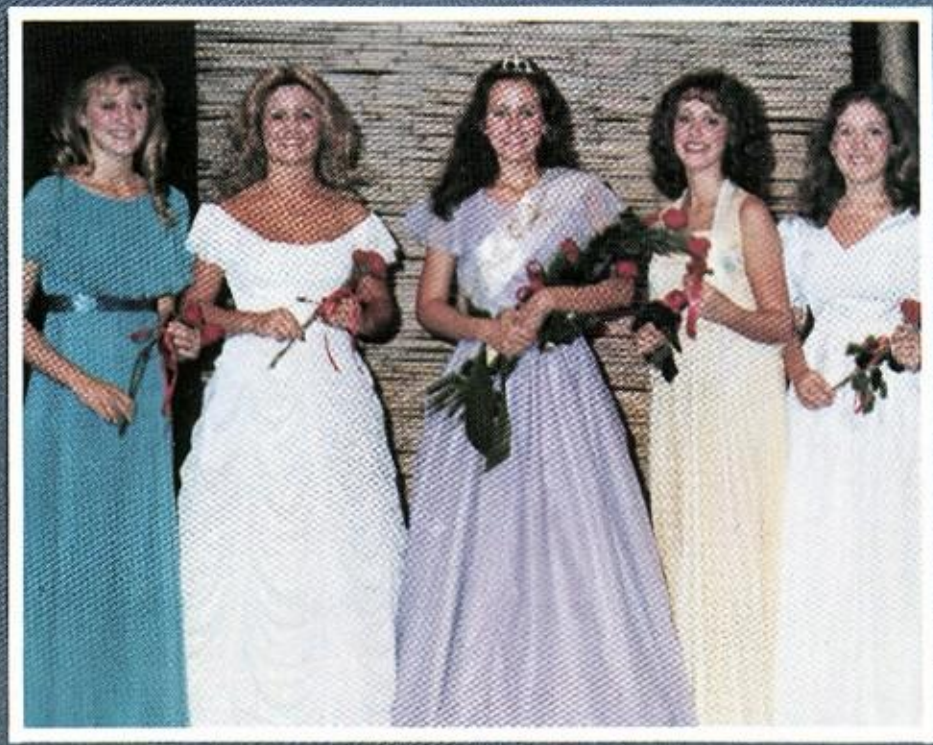
THE SHIELD REMEMBERS . . .

Activities are a big part of the life of an average Harding student. There is so much talent and enthusiasm present at Harding that there is no end to the things that are possible. There were many activities that drew the attention of students this year. Of course, Junior Miss, school picnics, pep rallies, athletic events, homecoming and plays were just a few. All of these activities are essential in forming a well-rounded student body.





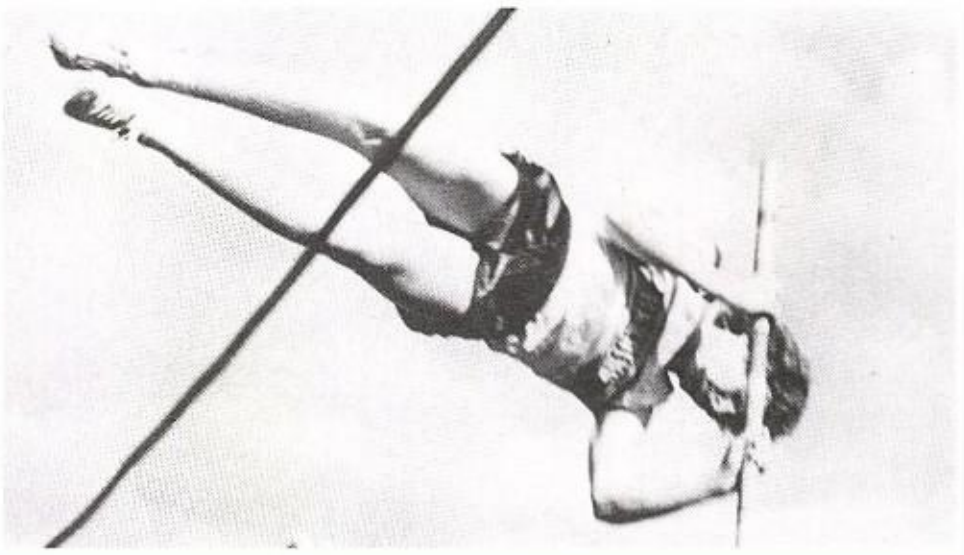


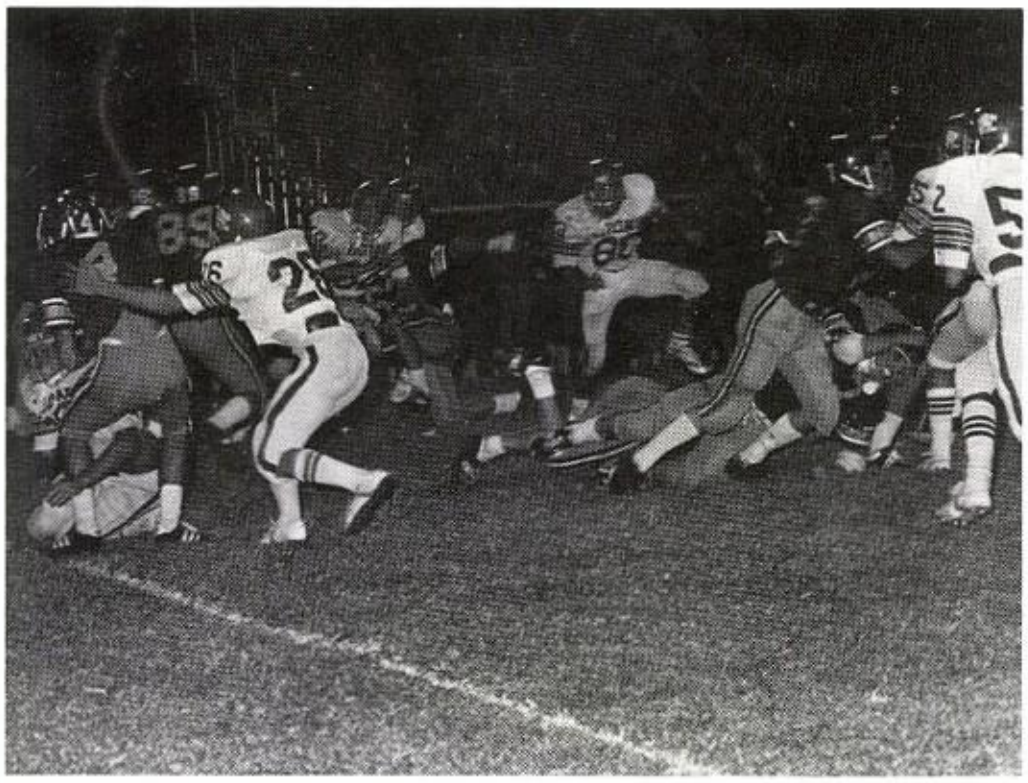


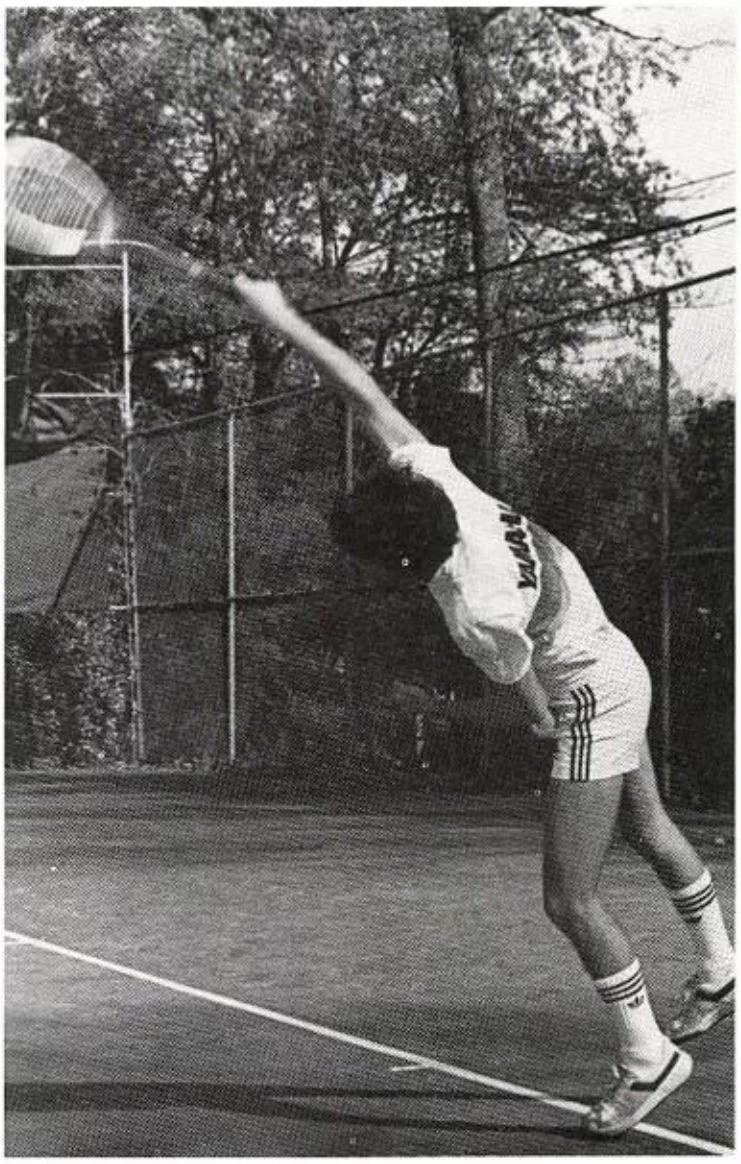
ACTIVITIES

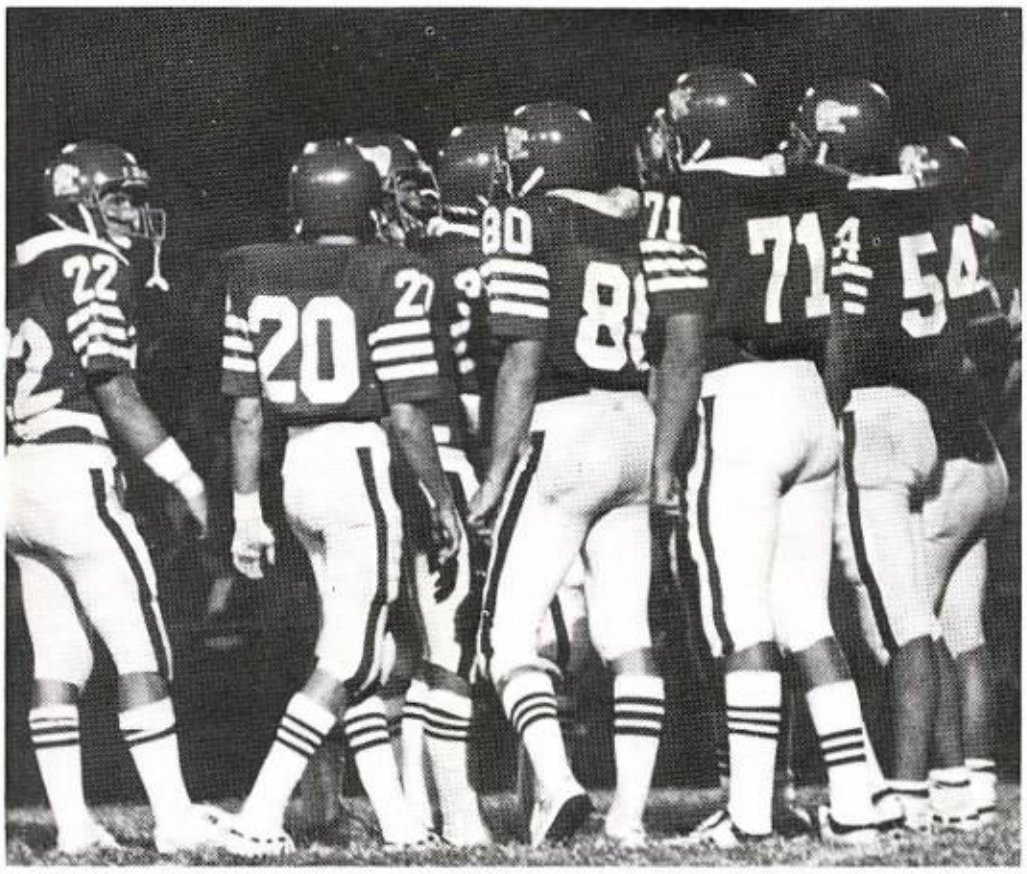
THE SHIELD REMEMBERS . . .

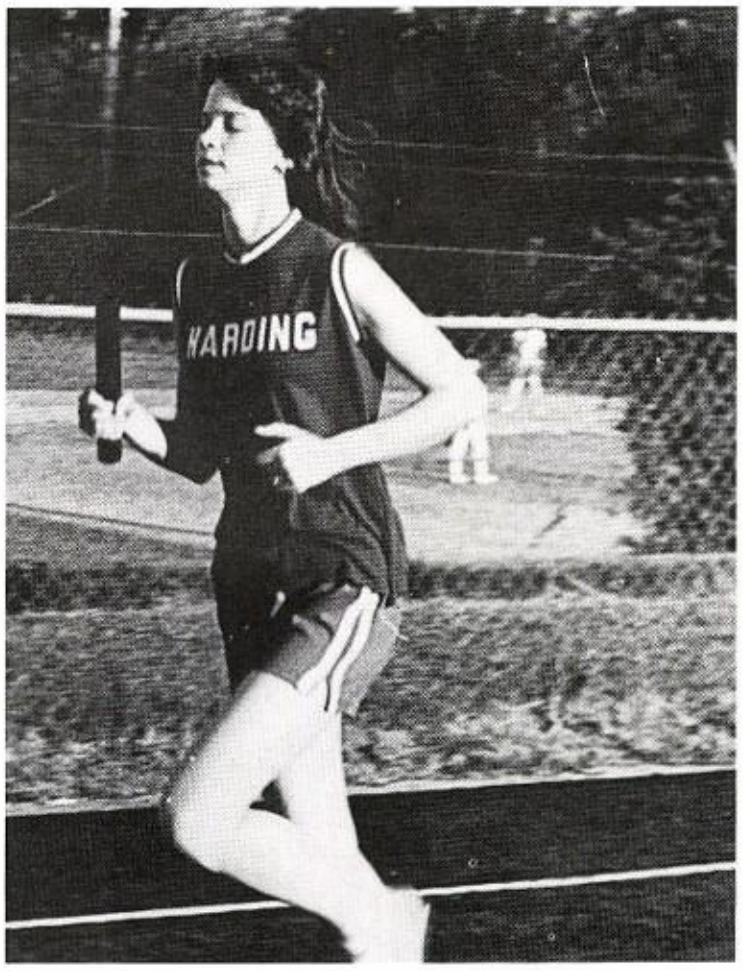
Harding Academy just wouldn't be complete without its athletics program and all the hard workers involved in it. This year seemed to be one of the greatest years yet in the area of sporting events. All the teams: football, wrestling, cross country, basketball, baseball, soccer, tennis, volleyball, track and golf did a tremendous job in representing the school in whatever situation they were found. This is just one more reason for us to be proud of Harding.







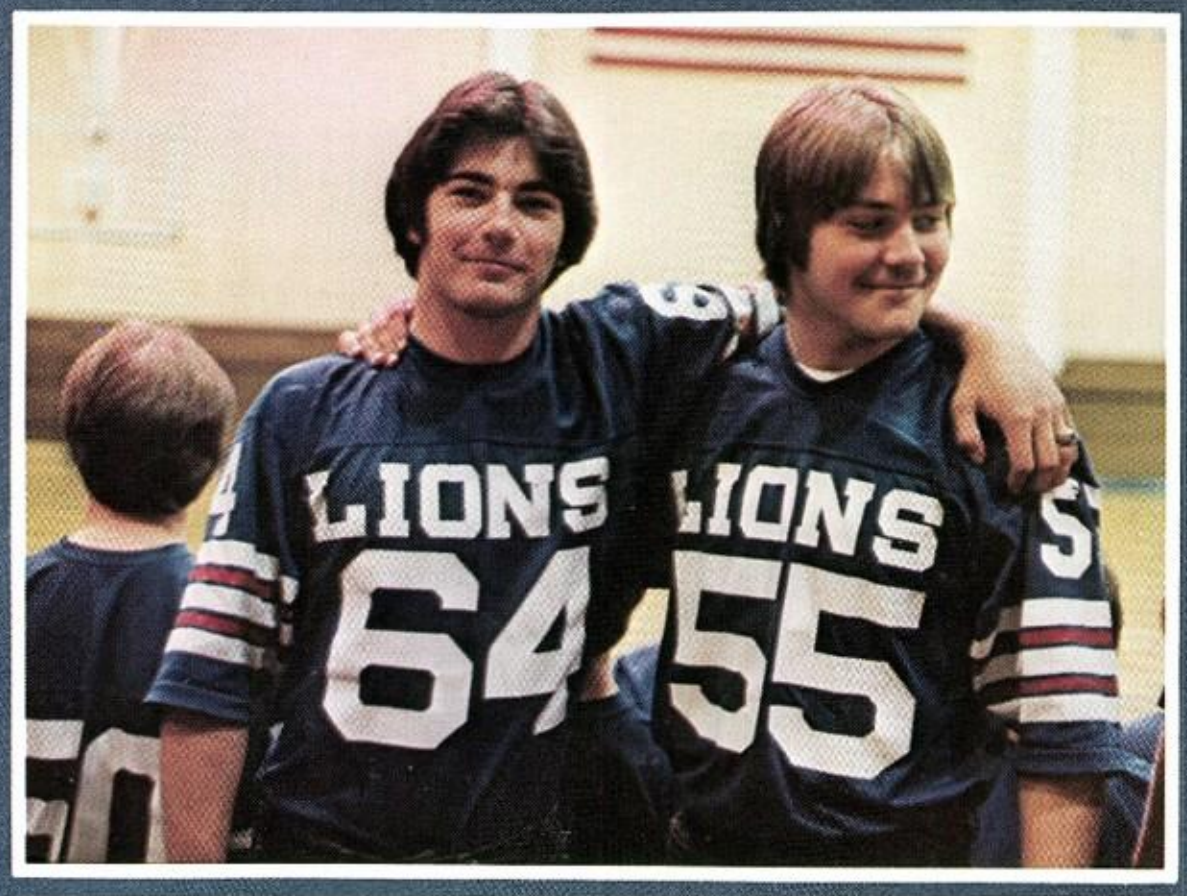


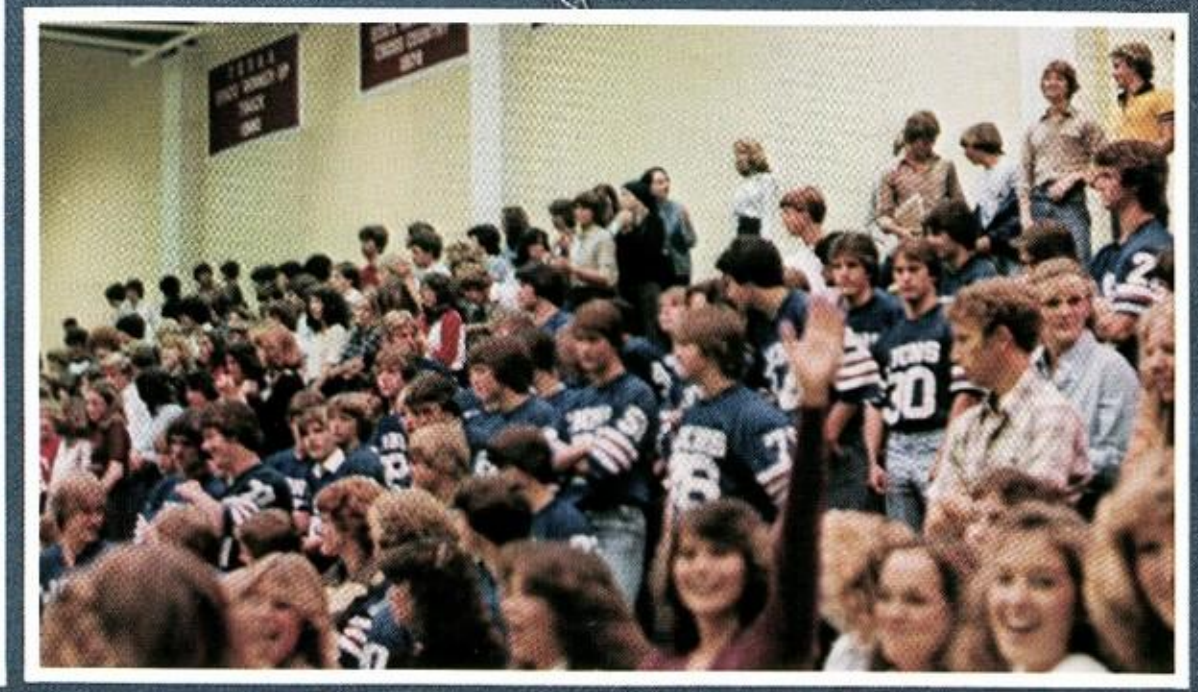


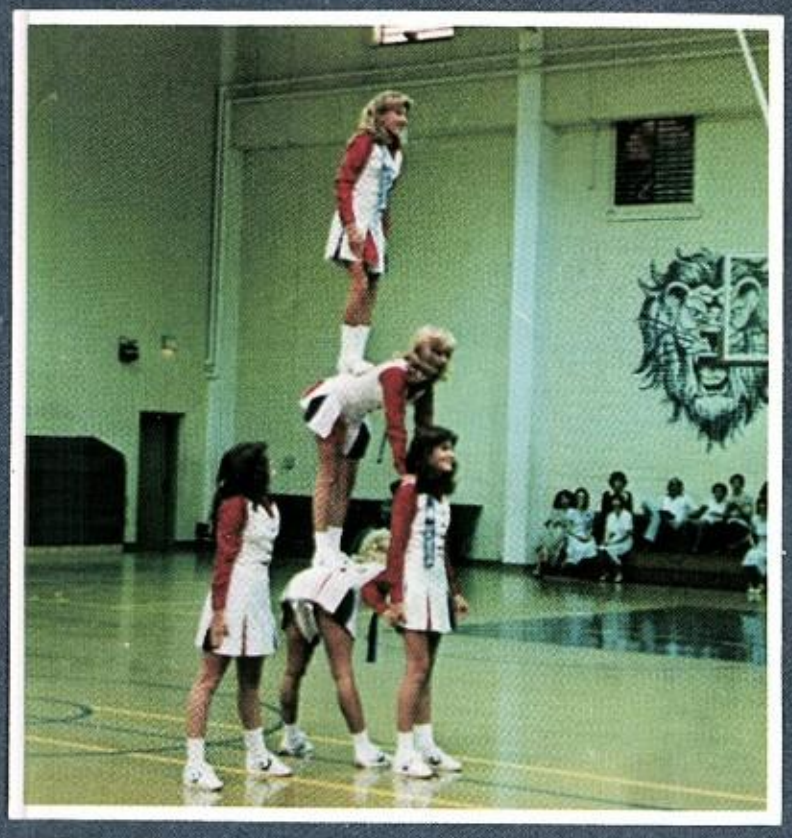
ATHLETICS

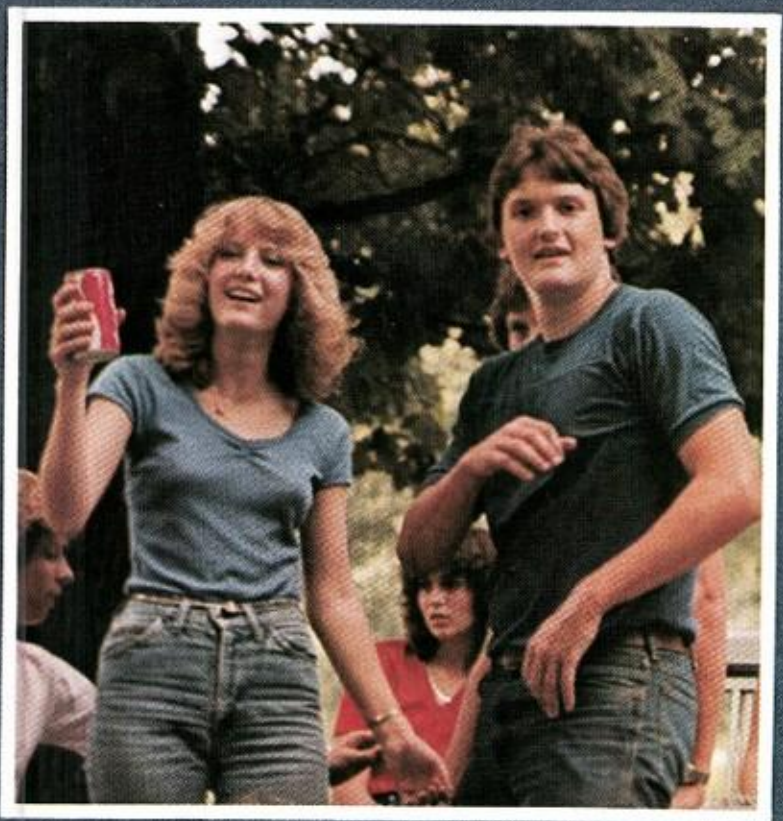
THE SHIELD REMEMBERS . . .

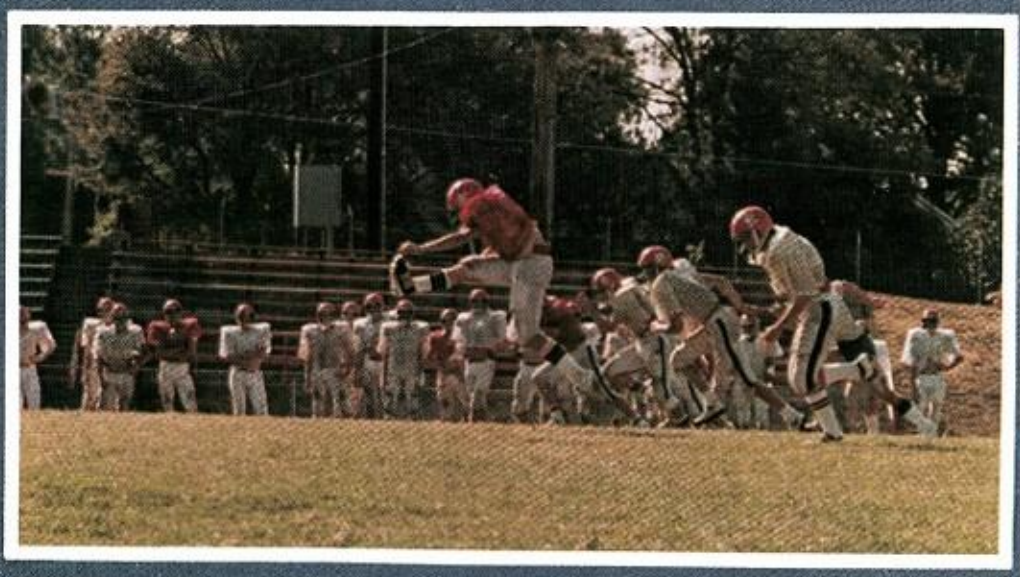
The theme for this school year was spirit and pride. Every club was encouraged to get involved in promoting this theme. Students and teachers worked at keeping our building and grounds cleaner and we tried to be more supportive of all school functions. Hopefully our efforts paid off and we will be able to remember this year with pride.

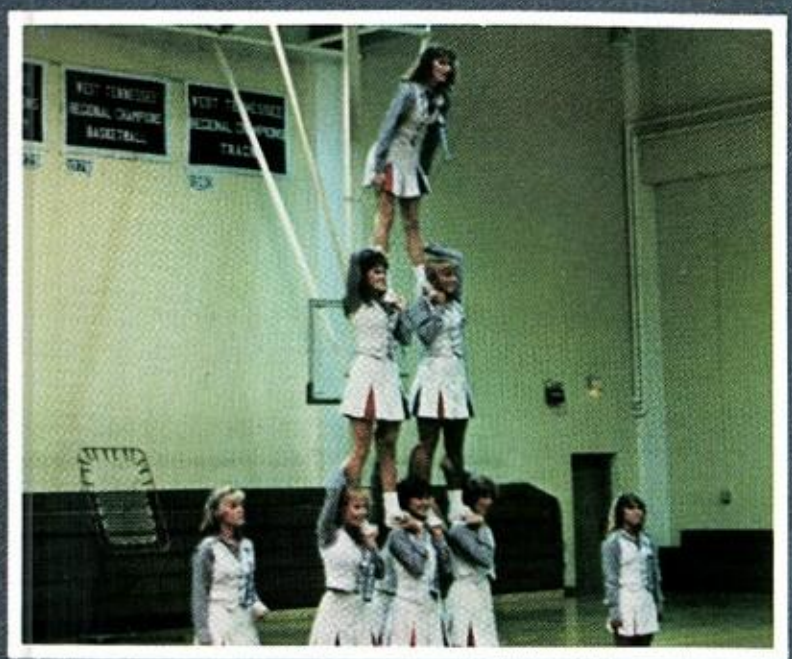








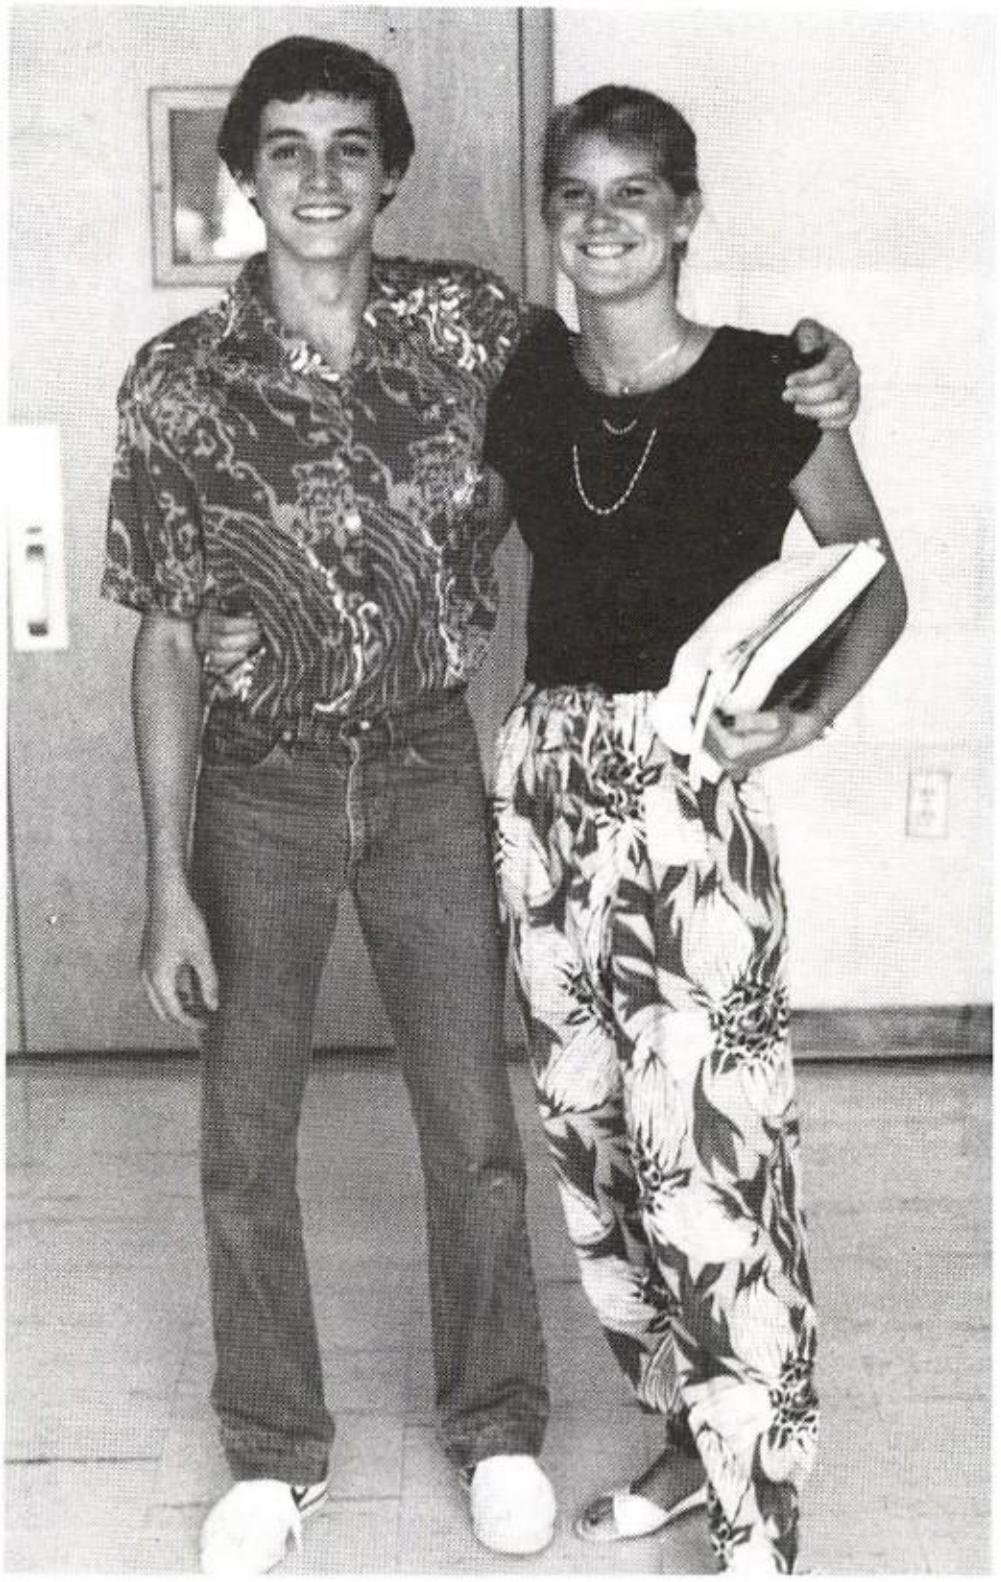




SPIRIT AND PRIDE

THE SHIELD REMEMBERS . . .

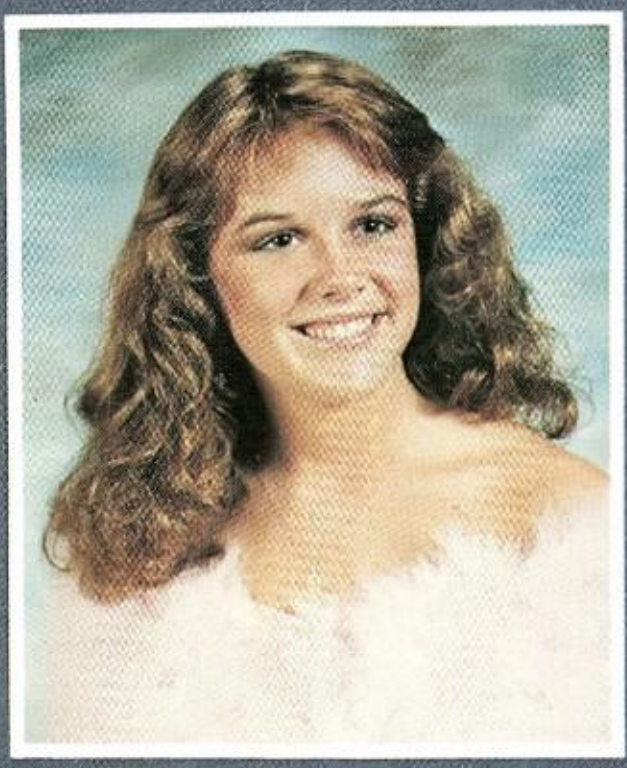
Harding students experienced lots of good times this year. Many of these good times came during school activities. Although students may enjoy doing a variety of things, they all enjoy having fun. Sometimes this fun meant just acting silly, but these were the best times of all.

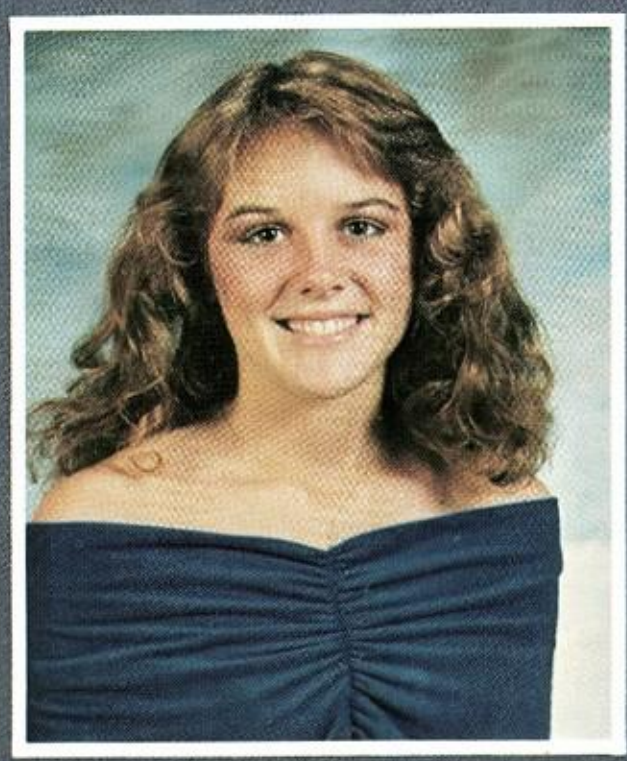


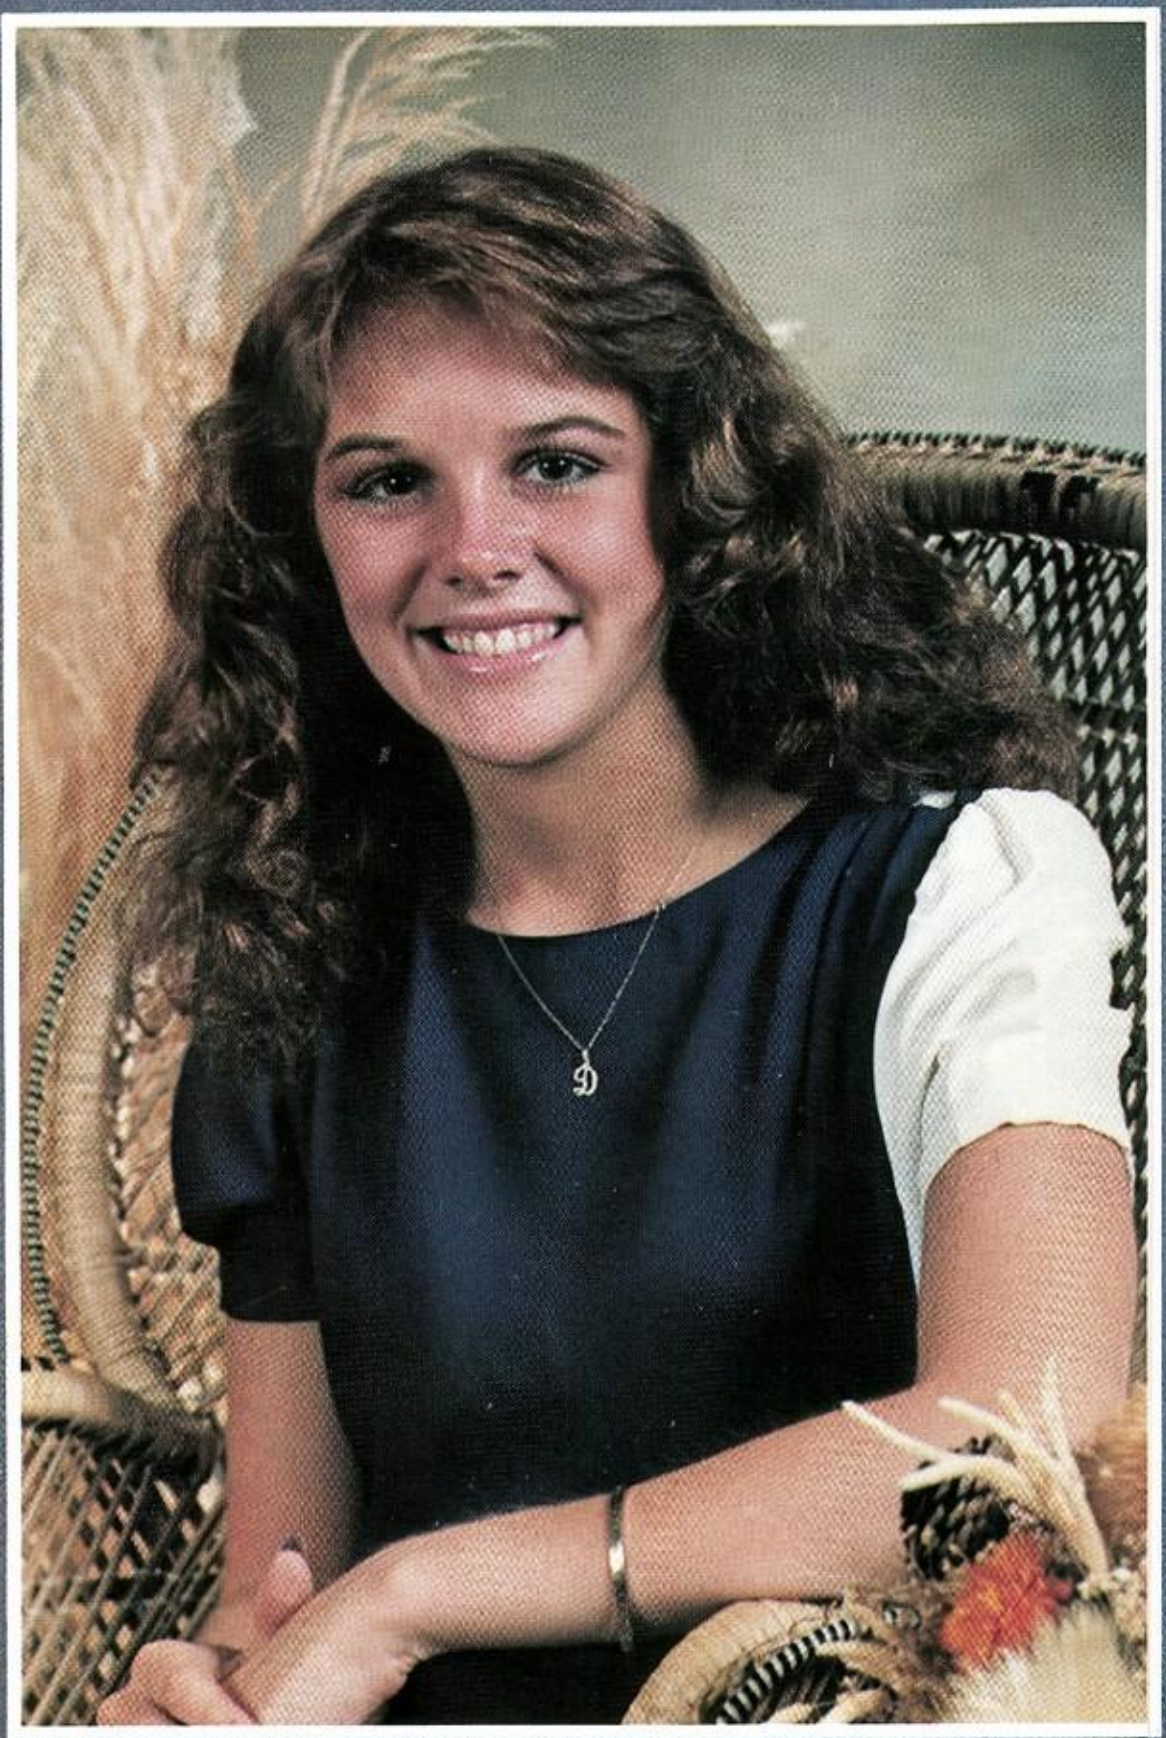
GOOD TIMES

THE SHIELD REMEMBERS . . .

This year's Miss Harding is a very friendly and spirited young lady. Diane Adkins has represented Harding well in many areas throughout her years at Harding as a cheerleader, class favorite, and on the homecoming court. Diane is actively involved in FSIC and has worked hard for the class of 1982. We are proud to honor Diane Adkins with the title of Miss Harding.

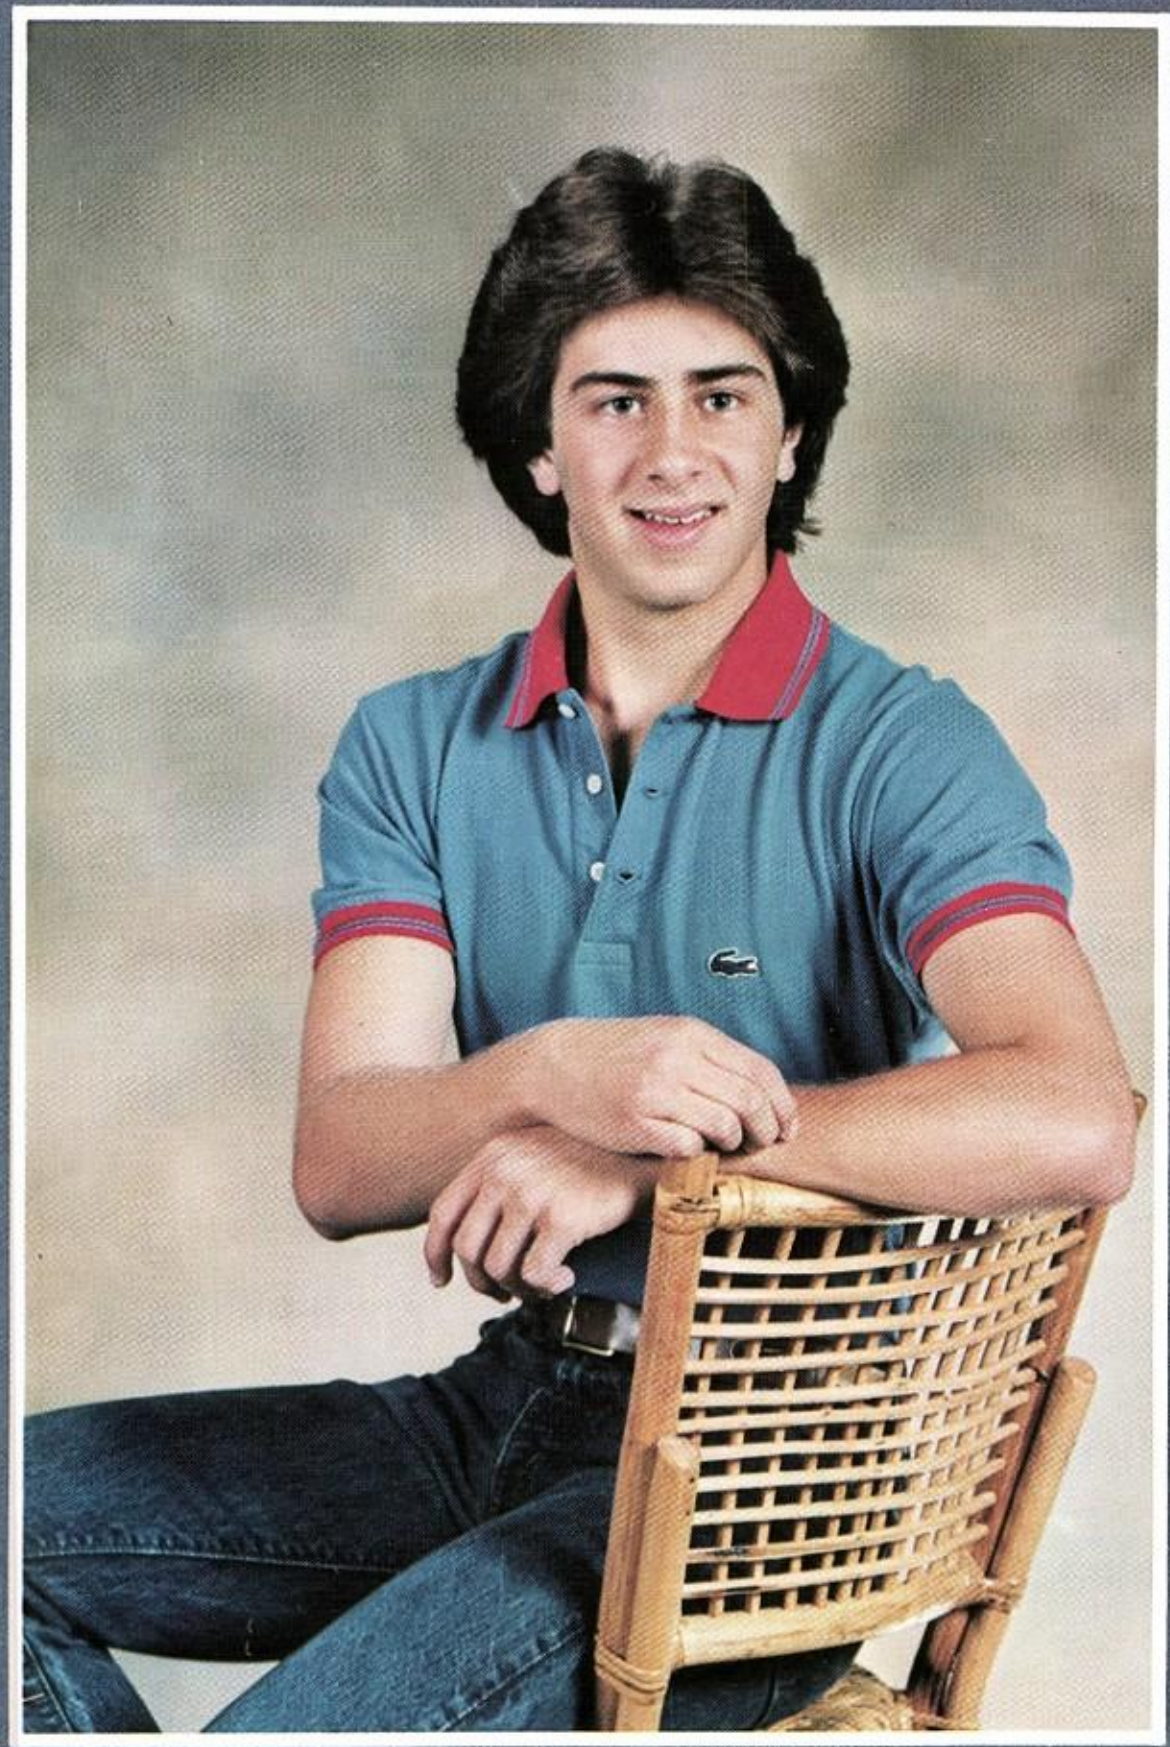




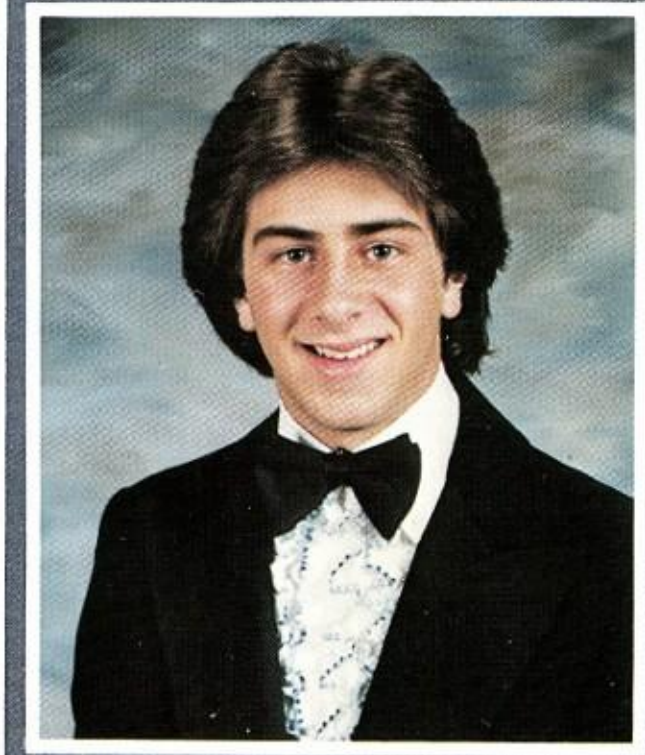


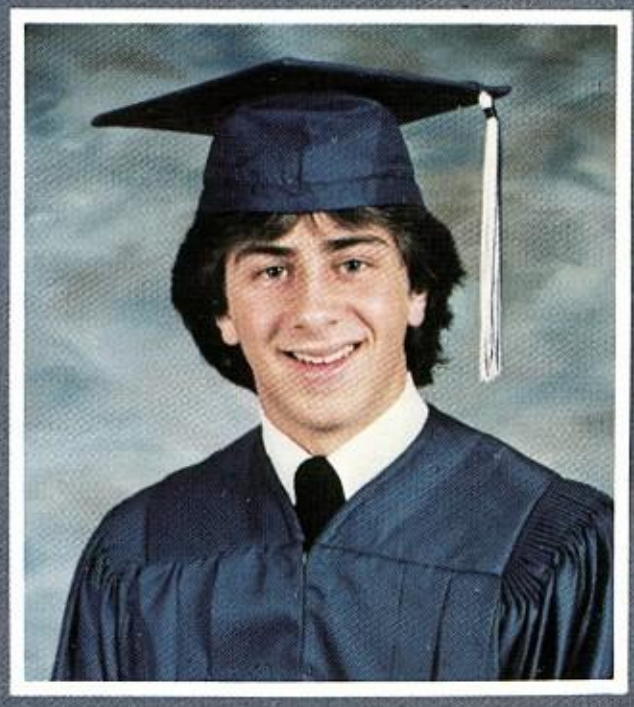
Diane Adkins

MR. AND



Phil Feisal is this year's Mr. Harding and he too is a very special person. Phil is involved in many activities at Harding including baseball, Key Club, and FSIC. He was chosen last year as class favorite and a class representative. Phil's personality and leadership abilities all come together to form a very worthy Mr. Harding.





Phil Feisal

MISS HARDING

THE SHIELD REMEMBERS . . .

Harding Academy is well known for its tremendous academics program. The students are well prepared and ready to enter college upon graduating. A variety of classes is offered at Harding so as to meet the needs of each individual student. Because of the excellent foundation that is laid in high school, most students do as well or better in college. In producing well-balanced students, Harding is second to none.

SCHOOL PICNIC

The annual school picnic was on September 4, 1981. It was a fun but tiring event! The senior high took their lunches to Audubon while the junior high stayed on the campus. A card was given to each student for a free coke. Everyone had an enjoyable day.

Boosters Provide Fall Fun

This year the Booster's carnival was held on October 17, 1981. School classes and clubs held booths selling foods, gift items or crafts. Several organizations sponsored various rides. This year the carnival provided fun for all who attended.

THE GREAT POTATO RACE

On January 7, 1982 Harding Academy experienced a most unusual kind of race. It was named the great potato race because the object was to race in a potato sack to a table and eat a baked potato or "Spuddle" as they are more commonly called. There were three representative teams that participated: the football team, the soccer team, and the basketball team. Three guys from each team raced in the relay. The newspaper and television media showed up to get the full story. All the guys involved had lots of fun, but the basketball team came out victorious. The real race came after this. Three faculty members, Mr. Cox, Mr. Phillips, and Mr. Riley, challenged the winning team to one last race. Unfortunately the basketball team lucked out and the faculty won. A good time and many laughs were had by all.

HOMECOMING-SAFARI STYLE

Homecoming 1981 was a very exciting week for those who participated in the various activities. Since the theme this year was "Jungle - The Lion's Pride", the dress-up days consisted of Jungle Animal Day, Safari Day, Nostalgia Day, and Red, White, and Blue Day. A lot of hard work was obviously put into the skits, halls, and floats. The climax of the week was the pep rally where the Seniors, with their jerseys, hats, and pompoms, gave it their all to win the spirit stick.

During the halftime at the game, it was announced that the Sophomores had won the overall competition and the half day out of school. It was such a close contest that the administration decided to award the Seniors and the Juniors a half day out of school also because of their hard work. All in all, Homecoming was a huge success that resulted in bringing everybody closer to their friends as well as to their class.

OUR TOWN

September 10, 11, and 12 were the dates for the Harding Theatre's presentation of Our Town. Being the first production of the year, the play turned out to be a good success despite some conflicts along the way.

The central character of this play is the town itself. The characters, that are portrayed, are citizens of the town leading simple lives and getting along as best as they can. It is a story of people and their ambitions, their pleasures, their misgivings, and their sorrows. Because the story is so realistic, one is able to look at life at a whole and appreciate living it.

Each act has a different title. Act I is labelled "Daily Life". The stage manager, alias Tharen Haley, is presented. He is a character who is the audience's all-seeing link with the people in the town. Act II is named "Love and Marriage". It is here that the love affair between Emily and George culminate and in a touching scene they are married. The title given to Act III is "Death". In this act, it is learned that some of the characters have died, including Emily. She wishes to go back to life to relive some memories only to find out how futile it is to return. Emily finds out that the living do not really know true happiness. It has been called "one of the finest achievements of the current stage", and rightly so.

Out of greed in a malignant Southern family of 1900, Lillian Hellman created a vibrant play that has become a modern classic. Biting off an intensely dramatic work for high school actors to chew, Harding's production of "The Little Foxes" was lauded by local audiences and further distinguished by being selected to perform at the TN State Thespian Conference.

Under Mr. Billy Pullen's taut and sensitive direction, June Middleton played with great directness and total command as the malevolent lady of the house. Julie Wage acted with extraordinary sensitivity and grace. Keith Mosher distinguished himself with a vivid characterization of a tired, scrupulous man of the house. Lisa Gillespie was singularly touching in the part of a bewildered, apprehensive daughter of the family. Other outstanding characterizations were performed by Mark Williams, Dan Shill, Darrell Sharp, Angela Yarbrough, Wayne Houk, and Ben Barton.

SOUTH

SOUTH PACFIC comes from James Michener's pulitzer-prize-winning story of the same title. The book intertwines three true stories: the romance of a middle-aged French planter, Emile de Becque, and a young nurse from Arkansas, Nellie Forbush; the troubled relationship between an American marine, Joe Cable, and a sweet Polynesian native; and the humorous exploits of a lovable loser, Luther Billis, and his rival, the conniving Bloody Mary. All of this is set against the wonderful music by Rodgers and Hammerstein in the exotic South Pacific. This musical was the second musical to win pulitzer prize for literature.

VALENTINE'S WEEK

This year's Valentine's Week was conducted differently than in years past. There was no class competition; however, clubs and classes could raise money for their own benefit. Money was raised by bake sales, Singing Valentines, and by selling "Pig Out" jars. The highlight of the week was the crowning of the King and Queen and the Prince and Princess.

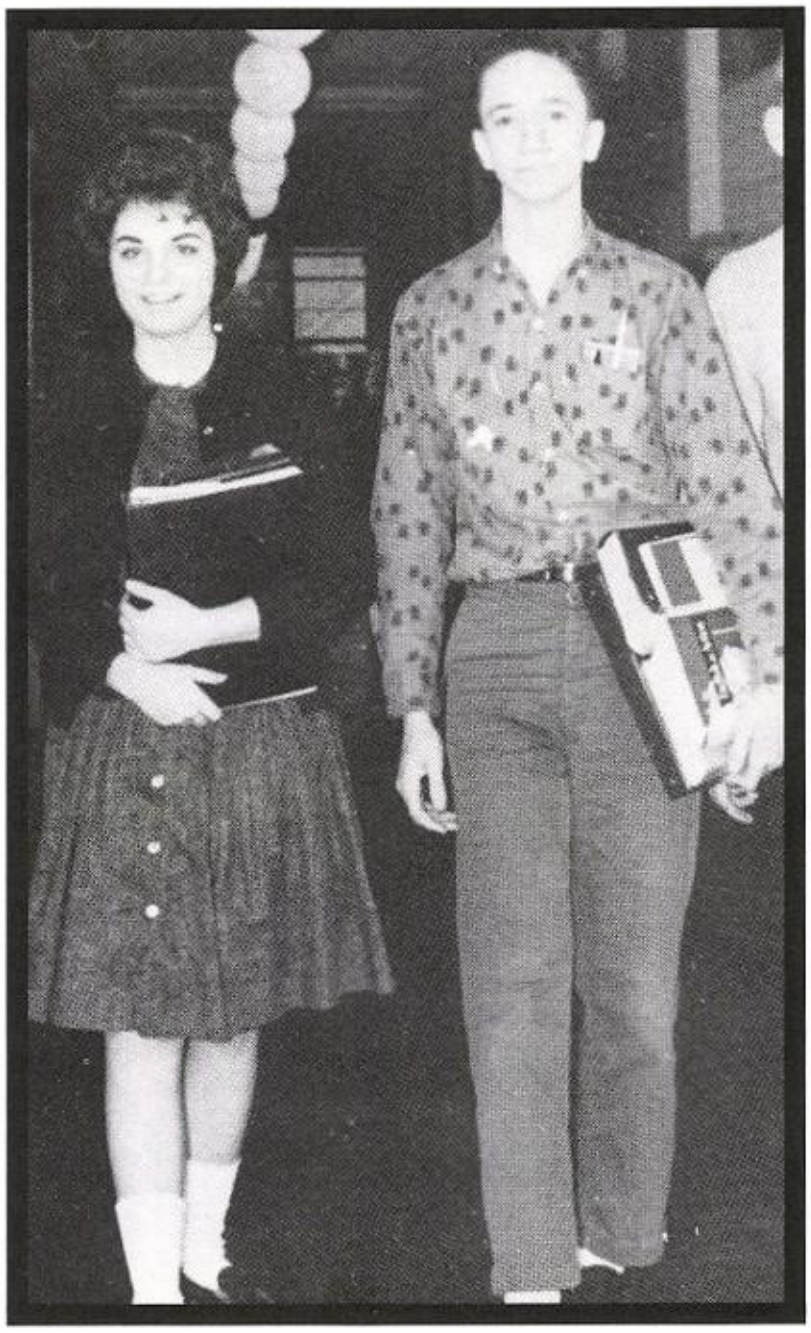
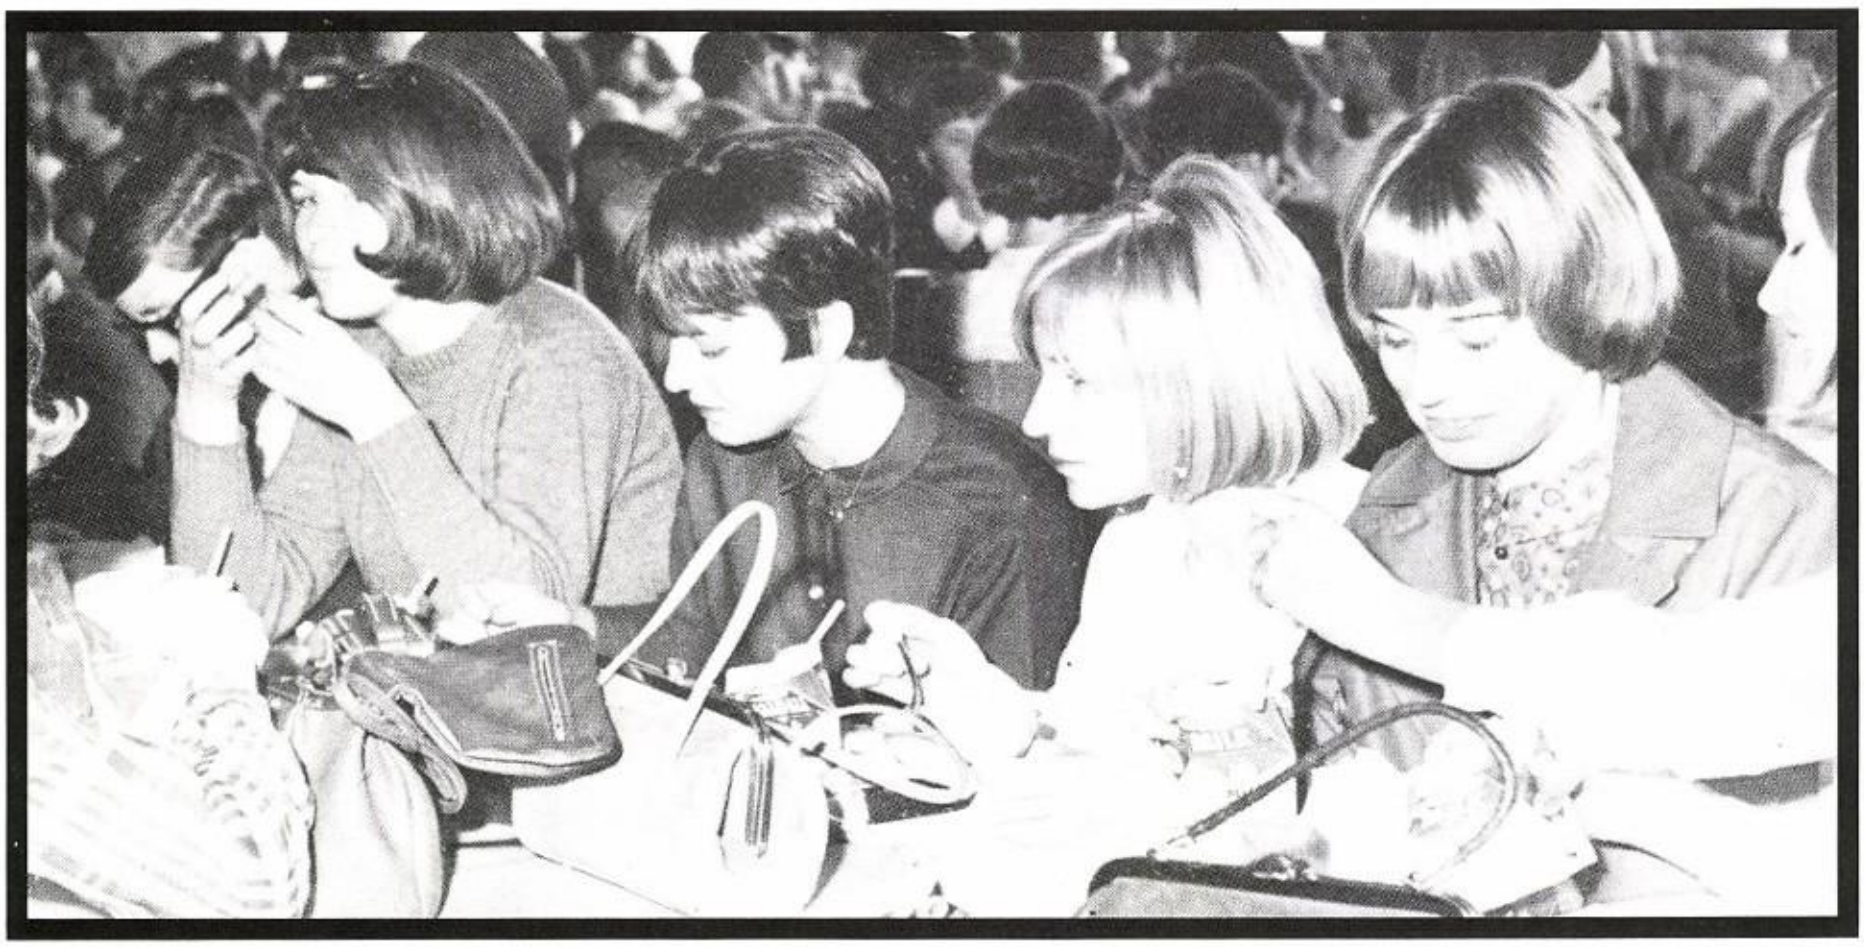
FASHION THROUGH





THE YEARS

Through a period of 25 years, fashions have changed drastically. Harding has seen a number of trends including: leather jackets, mini skirts, bell bottom jeans, izods, western wear, and straight leg jeans. This year some of the fashions include: knickers, camouflage, and the punk look. These pictures give us a look at some of the fashions through the years.

Two weeks before school started, the Harding Academy Soccer team began to practice. Every morning for two weeks they met at 7:00 a.m. and worked out. At first there seemed as though there would be plenty of players for Coach Wayne Craig to choose from but one week after practice started, a Junior Varsity team was set up. Several of the players qualified for this team and therefore began practice separately. At this point there were approximately 20 players left on the varsity, most of which were inexperienced. Since only five of last year's players returned - Brent Mars, Jon Hill, Doug Lewis, David Jaskson and Karl McLarty - it looks like it will be a year of rebuilding.

After school started they began practicing from 3:15-5:00p.m. at Willow Field. Even though they did not appear to be the strong team of last year, the outlook was brighter when they began scrimmaging against other teams. After four games they had only lost one.

They received a new player, Peter Hanson from Denmark. Their first home game against Central was lost 5-4, but the team came back with a victory over Auburndale 4-3.

FOOTBALL

Lions End With 5-5 Season

Homecoming night, November 6, marked the end of Harding's football season and although the game was lost - to the Bishop Byrne Knights, spirits remain high with the Lion's overall record 5-5.

In the struggle against the Knights, who had the best team they have had in four years, the Lions were holding their own at halftime with a score of 12-13, but during the third and fourth quarter Bishop Byrne's offense picked up and the final score was in the Knight's favor. Harding's touchdowns were scored by Junior Brett Curtis and Senior Tim Wilder. The season began with high hopes with the Lions defeating Ridgeway, one of the teams who went to the state playoffs, 14-7. At the end of the first five games the Lions record was 4-1. However, the second half of the season was still to come with losses to Nettleton, a tough Arkansas team who made it to the state playoffs, Collierville, who also went to the state playoffs, and MUS, who had an excellent team this year.

Coach Escue said that the team will be losing nineteen seniors and returning only nine lettermen; he welcomes anyone who wants to play.

Many of the players earned special honors: Danny Austin - All Metro First Team (offensive); Robert James - All Metro Second Team (defensive). These players earned All District: Wally Hatfield, Danny Austin, Robert James, Mark Wade, and Brett Curtis. At the end of the Season the team chose the team captains, Tim Moore and Robert James.

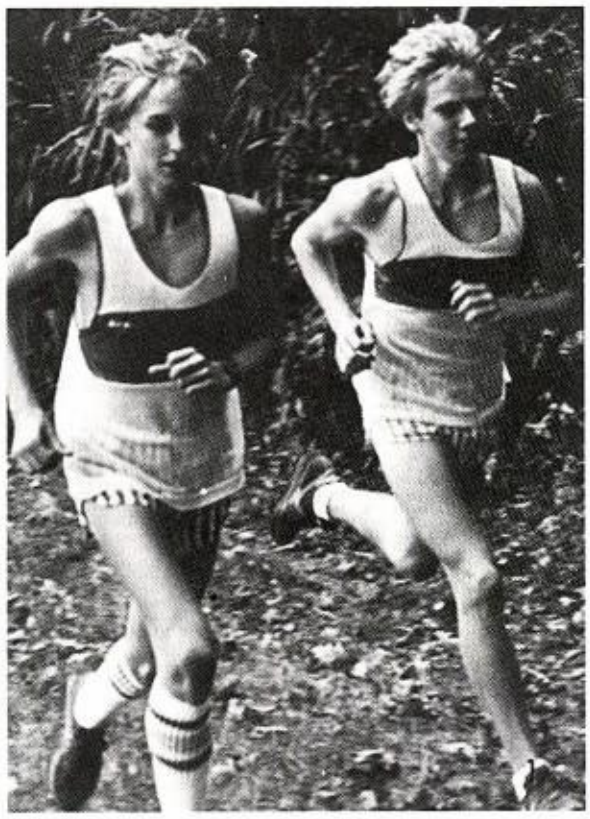
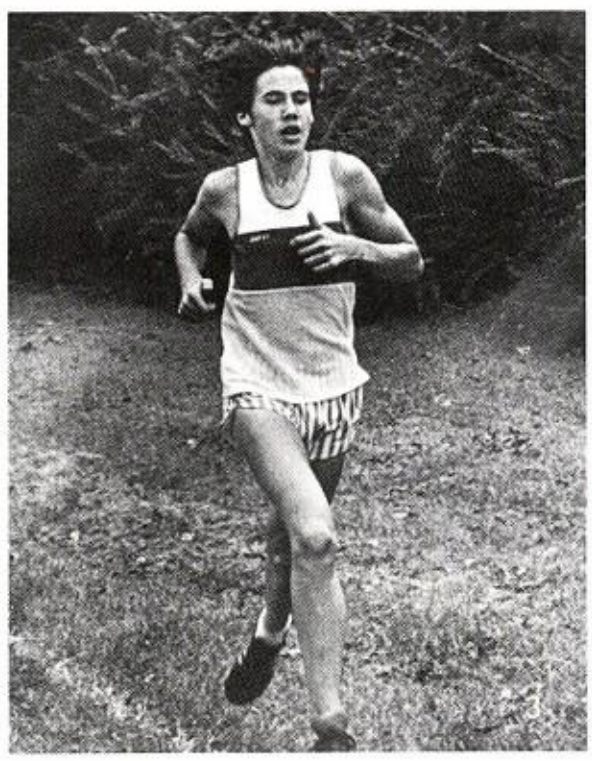
CROSS COUNTRY





Harriers Capture Ninth At State

Harding's Cross Country Team had a remarkable season this year with an overall record of 77 wins and 24 losses. At the beginning of the year, few realized the potential of this young team. Perhaps the only one who believed the team had a chance to qualify for the state meet was Coach Ronn Rubio.

The first time the runners realized just how close they were to a spot in the state meet was after the county meet. Despite the cold, windy, and wet weather, Hardings runners captured a second place finish.

Even though they had finished second in the county, the Cross Country Team's true test was the regional meet. In a close two point victory over Bishop Byrne, Harding again received second place and qualified to compete at the state meet in Nashville. At the state meet Hardings team placed ninth.

The seven runners for Harding at the state meet were: Seniors Gary Eastwood, Jeff King, and Parker Panovec; Junior Richard Brazzel; Sophomores, Dale Sharp and Bill White; and Freshman, Jeff Alsup. First alternate was Freshman Daniel Murphy and statistician was Senior Jay Bankhead. Each of Harding's competing runners had his best time of the season.

The Cross Country Team expressed a special thanks to Coach Ronn Rubio whose love and confidence made this season possible.

A Year of Great Potential

The Girls Cross Country team had the greatest potential that they have had in their seven years of existence. Returning Seniors Peggie Cook, Susan White, Karen McLarty and returning junior Phyllis McFall led the team of 14 girls through times of pain and endurance of the two-mile race. They have run the hills of Millington and Frayser, the narrow paths and obstacles of McKellar Park and our own course on Harding campus. They shared many good times and ached together through some moments of disappointment. It was another year of growth; physically, emotionally and spiritually. Each participant gave a part of herself and enjoyed a piece of the others that were a part of this year's team. Each one is more for having been a part of the team.

VOLLEYBALL

New Beginnings For Lady Lions

The 1981-82 girls varsity volleyball team began a fresh new season with a new coach, Mrs. Karen Ijams. The most exciting game of the season was the Lady Lions season opener against Germantown. The Lady Lions brought in a gym full of spectators and the crowd really gave a lot of vocal support to the team. Coach Ijams said, "very exciting, a big win for us." Another bit of news for the Lady Lions was their receiving an invitation to participate in a "Play Day" in Nashville. The idea of the Nashville Play Day is to get the strongest teams in the state together and have pre-state competition. The team was honored by winning the District Seventeen Tournament. Individual winners were Lisa Knox and Gena Ward, elected to the All-District Seventeen Tournament team and Lisa Knox receiving All-Regional Tournament honors. Overall the Lady Lions closed the season with a 15 and 5 season. Congratulations, girls, on a year of new beginnings.

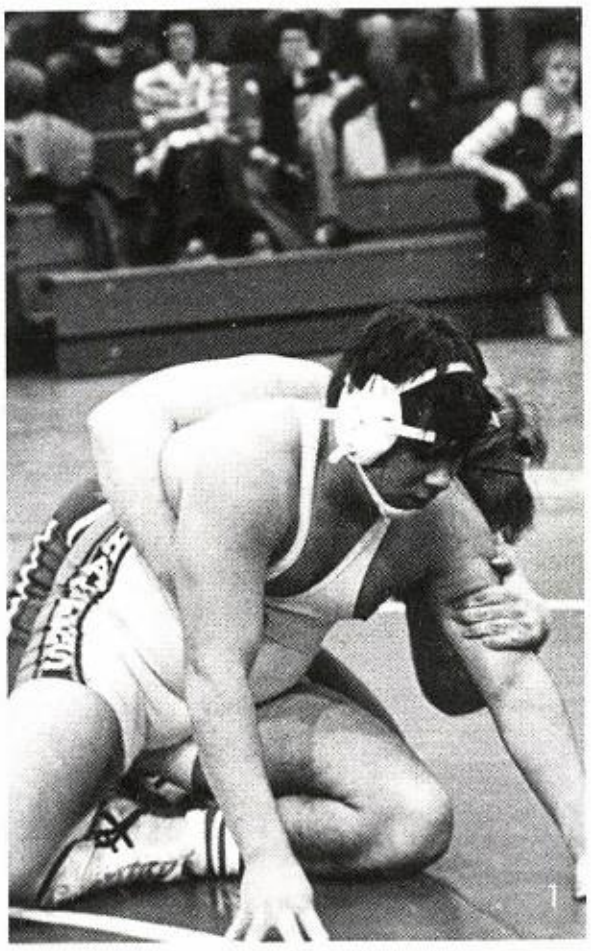
WRESTLING



Summer Camp Pays Off For M.H.A. Wrestlers

The wrestling season got off to a good start with the team's fourth place finish in the Bishop Byrne Tournament. Coach Perry commented by saying that "this year's performance in the tournament was the best by M.H.A. in several years." The wrestling team has been training vigoriously in preparation for this years season. Coach Perry and four other wrestlers attended the University of Missouri's wrestling camp. They felt it would help them to perfect and improve their wrestling techniques. Coach Perry said there were some set backs with the injury of Ricky Wilson, but things picked up and seem to be back on schedule. However, summer camp must have paid off because as the record stands now, Bill Hackney is undefeated, Jeff Cox has lost one match, and Bobby Jones and Tim Shepherd have only suffered two defeats this year. Over all the team seems to be having a very productive year. Good work guys!

BASKETBALL

Basketball Rolls To New Season

What a better way to start this year's basketball season than to defeat Harding Academy of Searcy 71-37.This roaring start could not be held back for Southaven was defeated by the Lions 51-48, as was Memphis Prep, 79-41. Although he is pleased with these first three victories, Coach Alan Pritchard stated that the most challenging part of the season is yet to come. It seems he was right. On Dec. 1, the Lions played a difficult game against White Station. Each team battled in overtime for the lead, White Station crept ahead 62-61 winning a close game.

This year five starting players return; Seniors: Danny Austin - guard, Bill Donnell - forward, Steve Durham - center, Don Deaton - forward, and Junior, Danny Smith - guard. Rounding out the team are Jeff King, Steve McElhaney, Kris Miller, Ricky Osborn, and Cameron Posey. The team is an inexperienced one with Don Deaton as the only returning starter.

The Swordbearers of the Blue Realm is a club unlike any other at Harding Academy. The club was formed to play a game called Dungeons and Dragons, a fantasy role playing game created by a man named Gary Gygax. In Dungeons and Dragons, there is a Dungeon Master who runs the game, and an adventuring party, which consists of two to eight players. The players go through an adventure in which they must solve puzzles and traps, find treasure, fight monsters, and sometimes fight each other. The club has no form of government (we feel that anarchy is in the spirit of the game), no set charter of members, and no set of rules that must be followed. All in all, we feel that we have one of the loosest clubs in Memphis, and we definitely have the most interesting game.

AESTHETICS

This year another new club was added to the curriculum at Harding Academy. It was named the Aesthetics club, meaning anything that deals with the theory of the fine arts. Mr. Oliver sponsors the club and offers his room to be used for their projects. The club is made up of people who are interested in the area of art or having taken a year of art. Although it is a new club this year, many students have shown an interest and joined. Next year the club hopes to encourage new members to become involved. This year's officers were: Mitch Foust, President; Connie Williams, Secretary; Toni Stinnett, Vice-president; Lisa Sink, Treasurer; and Angie Baker, Sergeant-at-Arms. The intent of the club is to increase the aesthetic awareness of the club members, the student body, parents, and the community.

The Spanish Club welcomes any present or former student of Spanish. Club members combine an interest in Spanish with activities in which they can enjoy working and having fun together. The club participates in the annual Booster's Carnival and cooperates with the German Club in sponsoring a faculty Christmas tea each year. Other activities included "fiestas" and field trips. This year, for instance, the Clubs attended the Ballet Folklorico Mexicano, a dance performance given by a national dance company on tour to Memphis.

To be a member of this club, one must have had at least one year of German and have a sincere interest in Germany and the culture. This year the German Club sponsored a haunted house at the Booster's carnival, a Christmas tea for the faculty, and a trip for the club to the Fruling's Fest. FORENSICS

Harding Academy's forensic team continued to thrive on its outstanding reputation of excellence. Winning sweepstakes competition at Austin Peay State University, White Station High School, and other local tournaments, Harding also distinguished itself by winning dozens of individual events in oratory, humorous, and dramatic interpretation, duet acting, prose and poetry interpretation, and Lincoln-Douglas debate. Under the direction of Mr. Billy Pullen, the team's productions of "The Jilting of Granny Weatherall" and "Impromptu" received state and regional acclaim at Memphis State University, Harding University, Lambuth College, and Middle Tennessee State University.

THESPIANS

The Thespians of Harding Academy are an outstanding group of individuals who work very hard at organizing various productions performed here at school each year. During the 1981-82 theatre season, the Thespians assisted with such plays as OUR TOWN, THE LITTLE FOXES, and the musical, SOUTH PACIFIC.

Before one is extended an invitation to become a Thespian he or she must have completed at least one hundred hours of hard work in the theatre. After the invitation is accepted, the "neophyte" must undergo a two week evaluation period. If the evaluation is acceptable, the neophyte then becomes a Thespian. Deb Holloway is the sponsor.

JR. DRAMA

The junior high drama club is an outgrowth of the first play done entirely by junior high students back in 1979. The club is open to 7-9 grades. The club's purpose is to promote the Harding productions on our stage and to encourage the love of the theatre on all levels. This May, the club will be engaged in a junior high production of "Toby's Carnival". It is based on the familiar story of "the Brementown Musicians".

FRIENDS

The Friends Club is a service organization sponsored by the Guidance Department. The purpose of this organization is to promote good will and a caring attitude within the community as a whole.

The symbol of helping hands is exemplary of the goal to focus concern towards the needs of others.

This year the Friends Club has hosted pre-game receptions and has participated in the Big Brother-Big Sister Program. The club also serves as a welcoming committee to visitors to the campus as well as to new students.

The membership this year has really expanded! The club is still composed of only high-school students, but future plans are to expand to junior high level.

SHIELD

This year's SHIELD staff began working in June at a workshop held at the University of Central Arkansas. At this camp the staff made decisions conerning the theme, cover, and total content of the book. Tiffani Tubbs, the business manager, worked hard and led the staff on to a very successful ad campaign. Although there were complications during the year, the staff managed to meet all of the deadlines and to produce a top quality annual. A lot of time and effort went into making sure that the 1981-82 SHIELD was interesting and varied. The staff is very thankful to the sponsor Mrs. Patti Sanders who provided plenty of leadership and inspiration. Everyone on the staff hopes you enjoy our book this year.

MEMPHIS HARDING

FOOTPRINT

The Footprint staff is made up of twelve people plus a sponsor. They work together to produce the elementary annual. Each person is responsible for putting together one location. After each location is finished, two or more people take a sport to work on. There are deadlines to be met and a lot of hard work goes in at each deadline. Everyone works equally hard. There are two editors and two assistant editors. There is a business manager who takes care of all the typing and ads.

LION

The purpose of the LION is to keep the students and faculty updated concerning issues and events that happen daily. The staff works hard during the year writing articles and interviewing people to help make their articles worth reading. This year's editor, June Middleton did a very nice job of producing a paper monthly and making it interesting. The goal this year was to appear as professional as possible and eventually produce a paper that is readable and interesting to all.

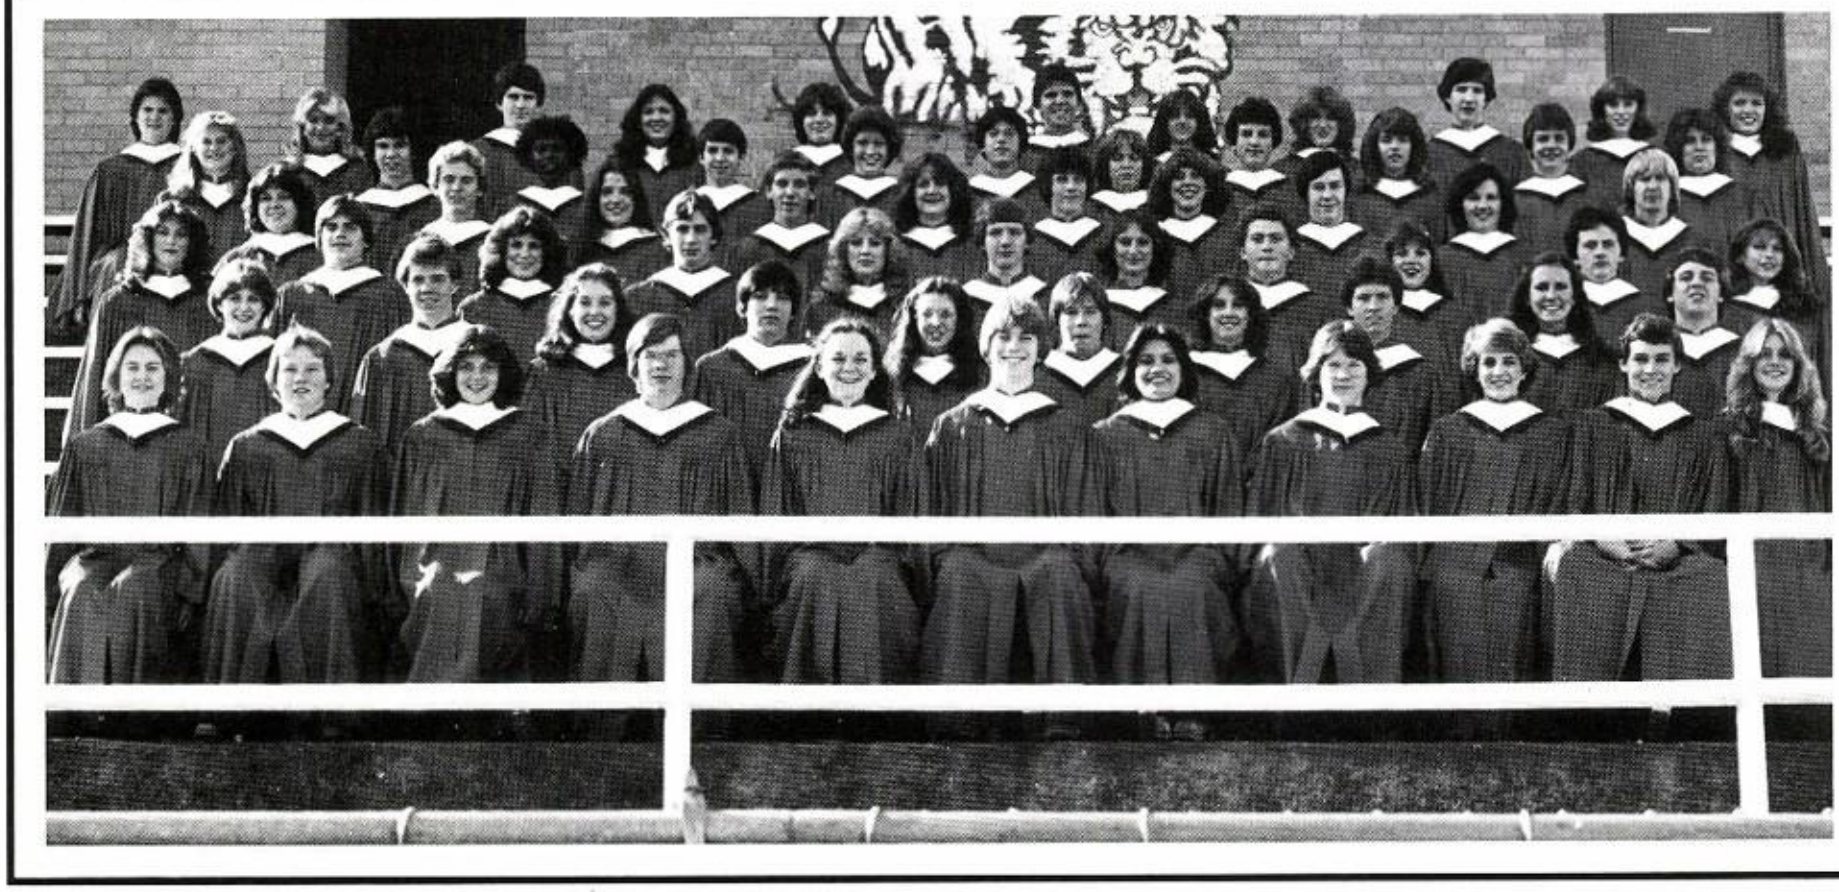
A CAPPELLA



The 1981-82 A Cappella, our senior high chorus, served Harding this year through learning and performing a collection of inspirational hymns and other songs. This organization is directed by Mr. Jim Chester, one of Harding's most dedicated and hardworking faculty members. The chorus started off the year by selling coupon books to raise money to aid in the cost for its spring tour. The tour (March 19-26) took the A Cappella to cities such as Cincinnati, Detroit, and Indianapolis, then over the border to Canada, where they visited Toronto and the magnificent Niagara Falls. Singing for churches and schools and becoming closer friends with one another were the results of this exciting trip. Other performances included the "Pop's Concert," the Christmas concert, and the spring concert. In December, Target, a local department store, asked the chorus to sing Christmas songs during their Senior Citizen Day. Local Churches of Christ invited them to sing on Wednesday nights during the second semester. This year was the chorus' largest membership, numbering sixty-five — eleven more people than last year. Mr. Chester and the chorus ended another productive and successful year, and our thanks go to them for their spiritual influence on Harding Academy.

SEVENTH

EIGHTH

NINTH

The seventh and eighth grade choruses met every day during their study hall period. They worked hard to prepare themselves for the various performances during the year. Singing in chapel, going to elementary locations to perform, and entertaining the audience during the Christmas and spring concerts were the highlights of the year.

The ninth grade chorus practiced during their own class period. In April, the ninth grade chorus spent a few fun-filled days in Nashville. There they sang for two schools and enjoyed a day at Opryland. To raise money for this trip, the chorus sold M & M's and calendars. Performing during chapel and at Harding elementary schools, and being part of the Christmas and spring concerts made this year a successful one for the ninth grade chorus.

We appreciate the junior high choruses and Mr. Chester for their outstanding service to Harding Academy.

The MHA Marching Band started their year three weeks before school began. Many long hot hours were spent in the sun preparing their field show for football games and contests. On September 26, the band traveled to Jackson for the WTSBOA Marching Festival where they received an Excellent rating. The same day they went to Milan and won Second in their division. October 10 carried the Band to the Memphis State Contest where they received Superior ratings. In case you are wondering what the Band was doing in the early mornings of November and December, they were practicing their street marching for the Veterans and Christmas Parades. On the night of December 11, all three levels of Harding's Band gave their Christmas Concert. The next month was spent preparing for all West Junior and Senior High Auditions and the All West Jazz Band. Several members of our bands made these bands. Several weeks late brought Solo and Ensemble at Memphis State University, Concert Festival, and the Spring Concert from all Bands. This year has been a busy one, filled with accomplishments for the MHA Band!

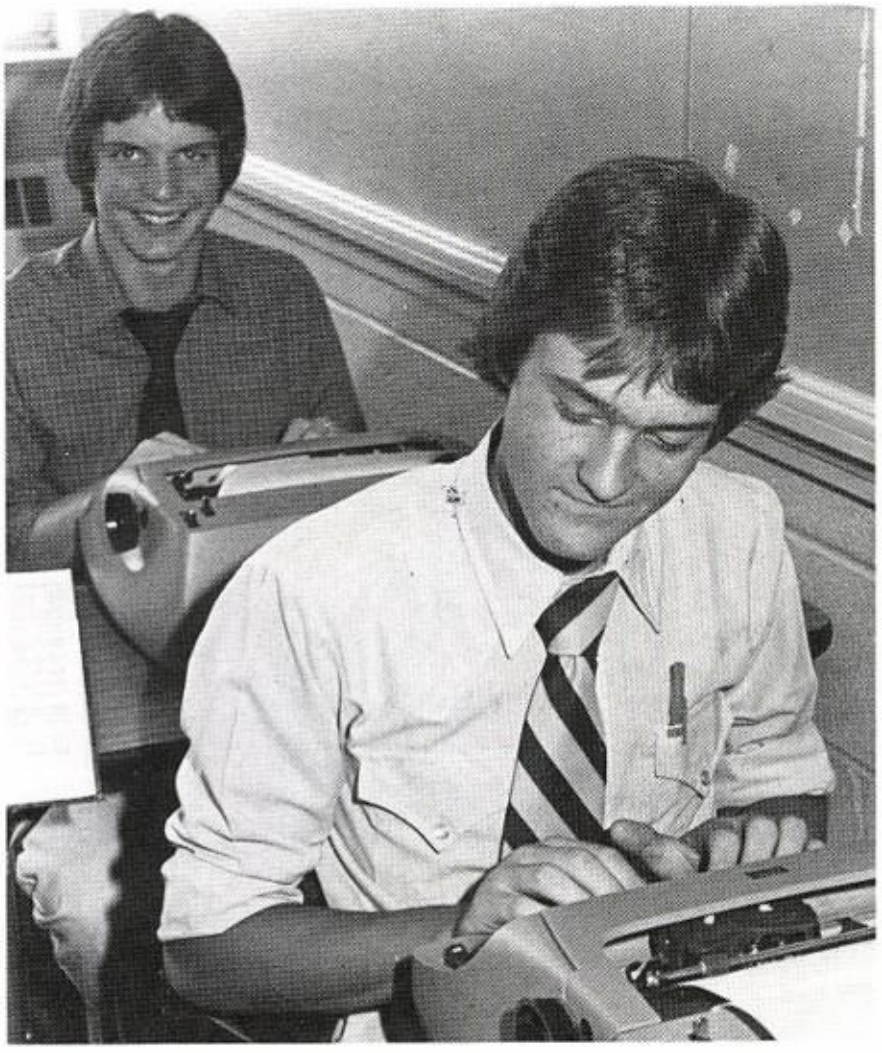
BUSINESS

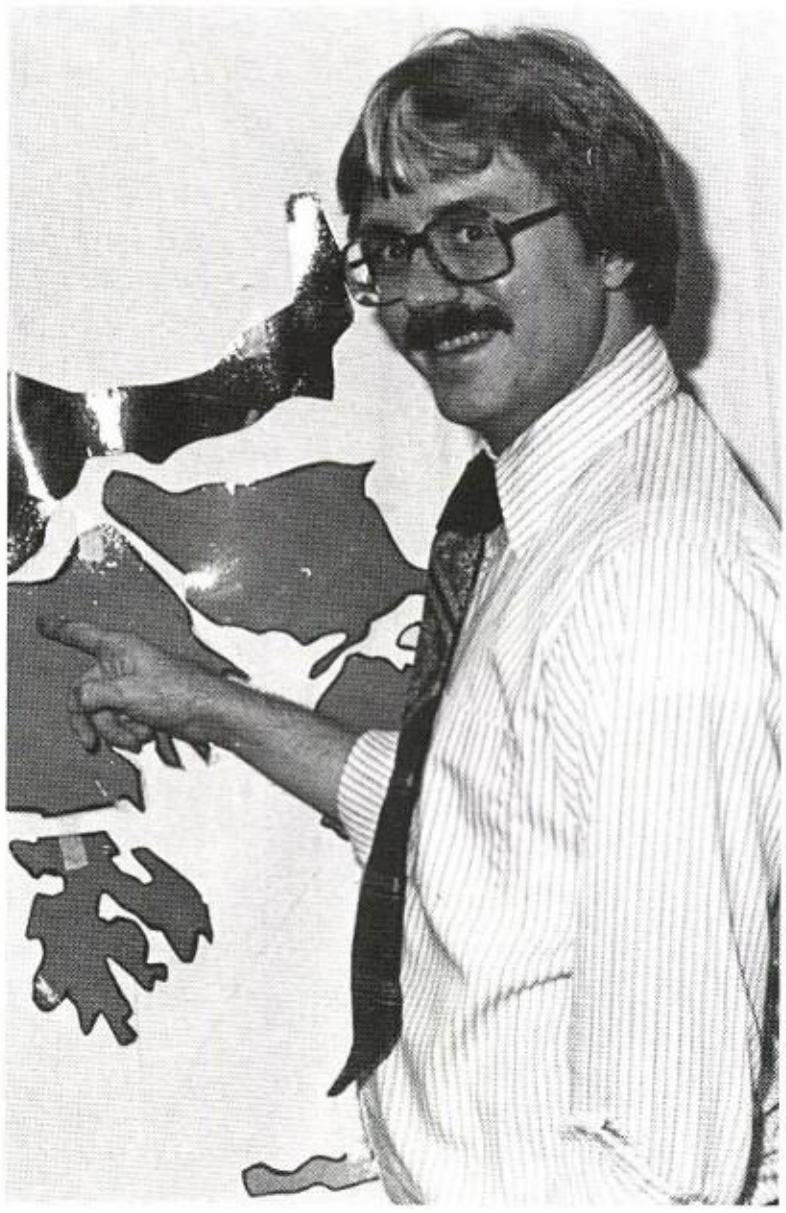
This year all new IBM Selectric typewriters were used in typing classes for the first time. Mrs. Anne Brewer and Mrs. Leslie Irwin were very happy that their students learned to use machines like those found in most offices. Mrs. Irwin added another section of General Business this year. Course offerings continue to increase in the Business Department at Harding as students realize that a business major in college is a very profitable, popular choice.

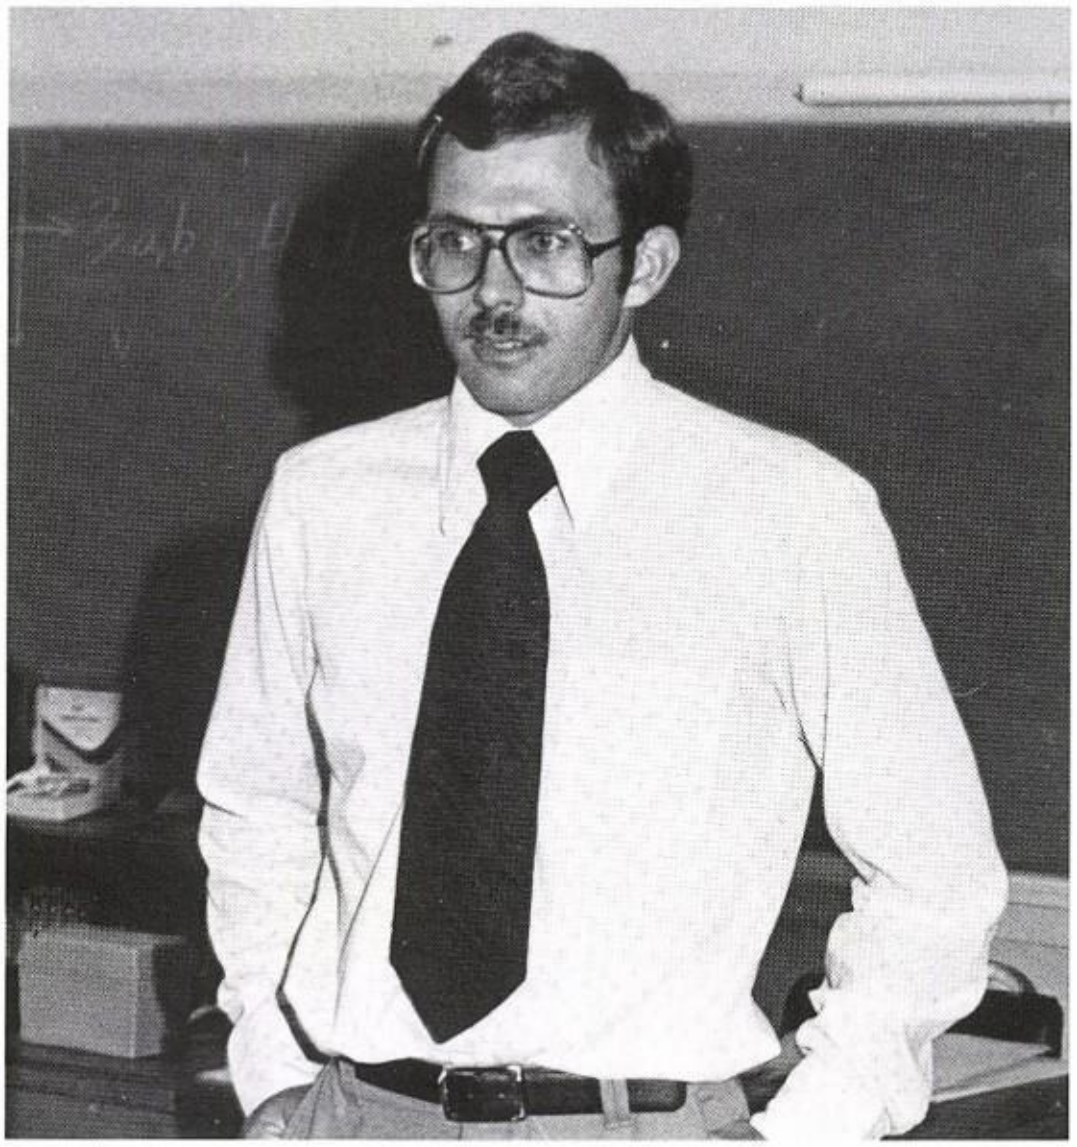


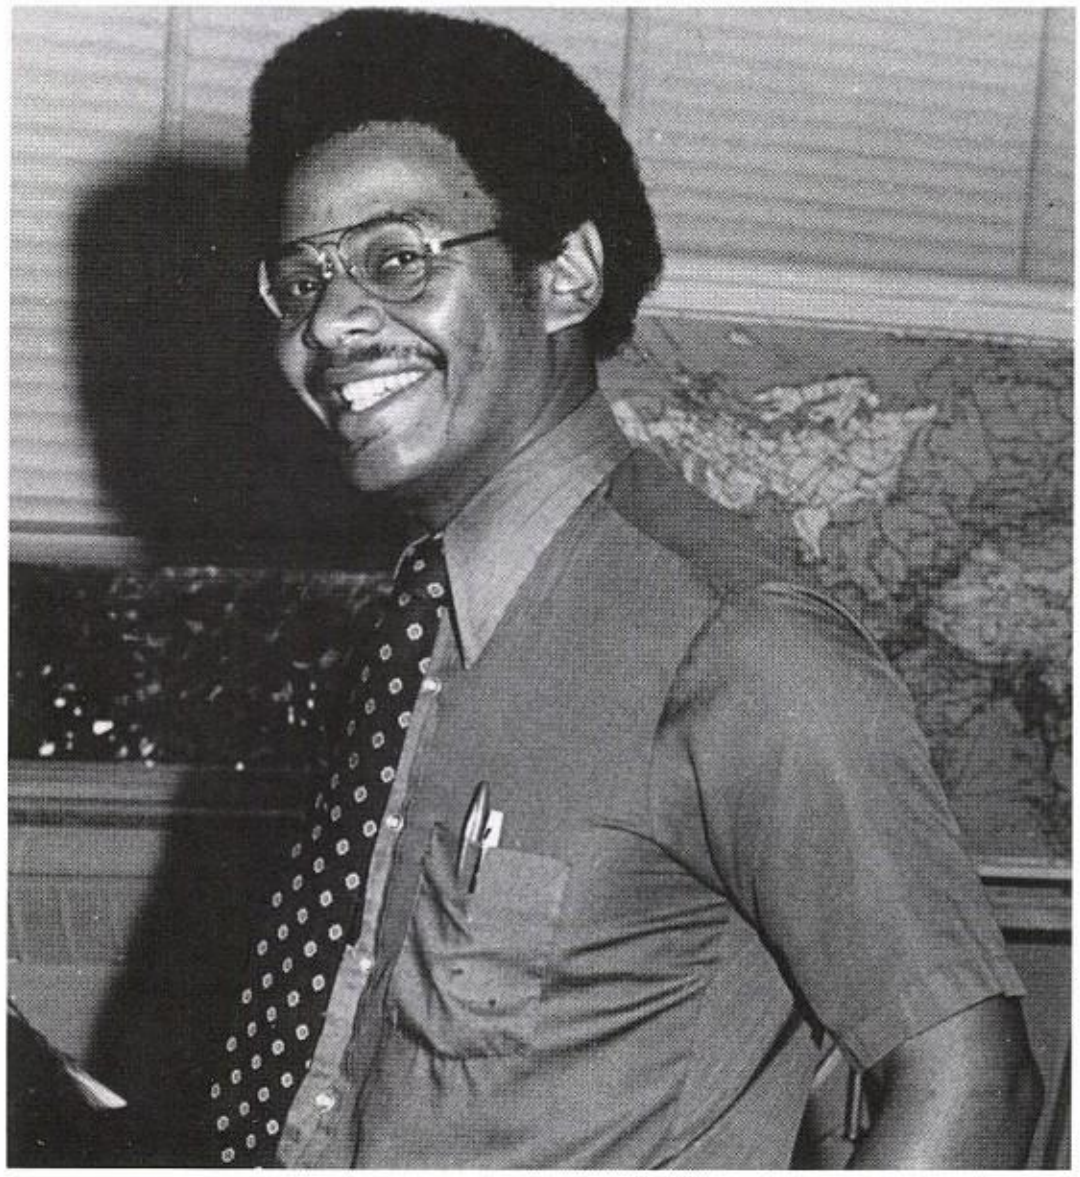
BIBLE

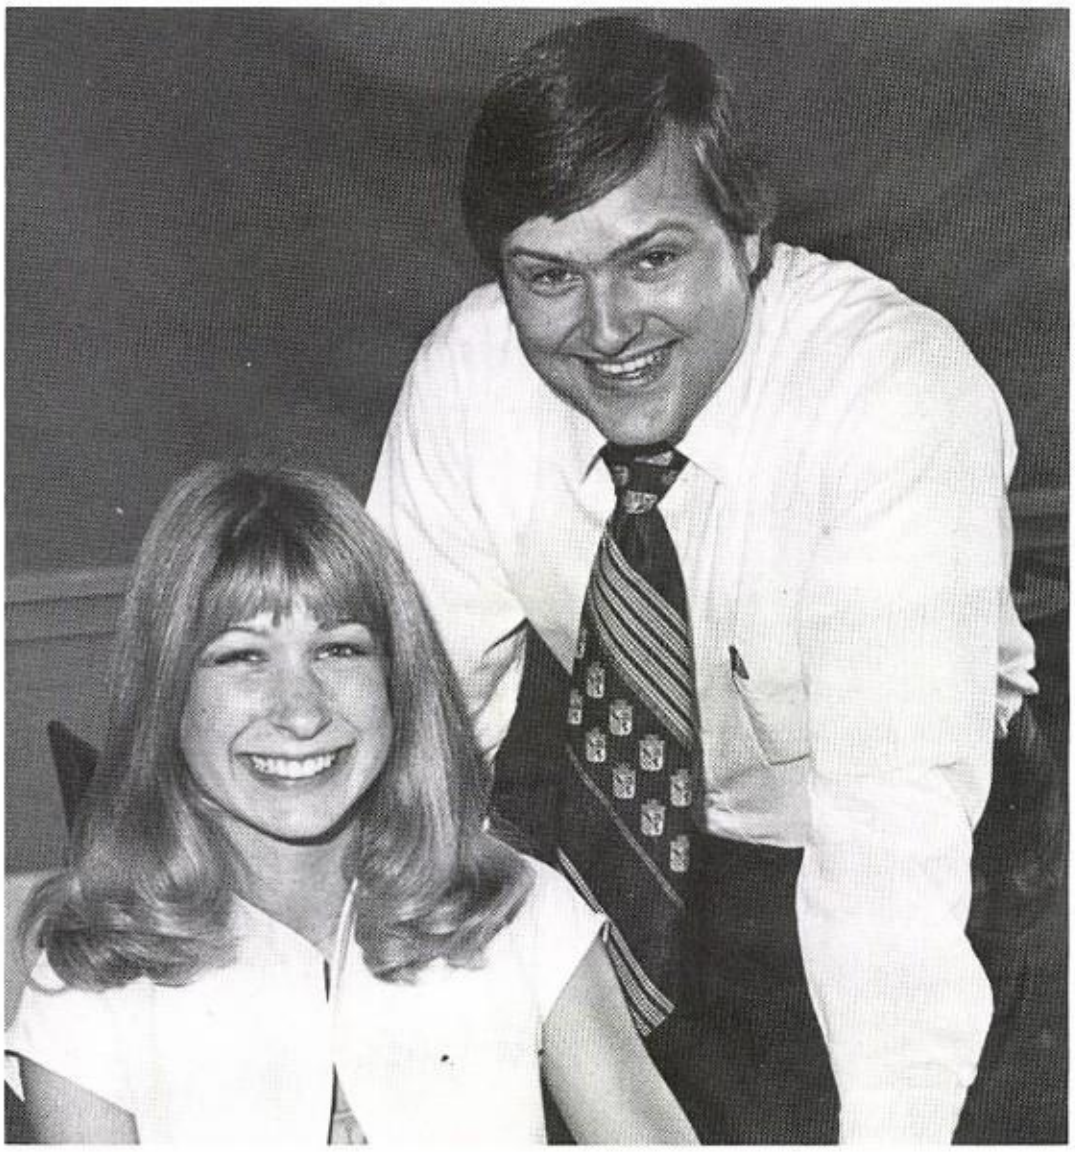
The Bible department is one of the many advantages that Harding's students have. Students grow in spiritual matters as well as in knowlege from this advantage.

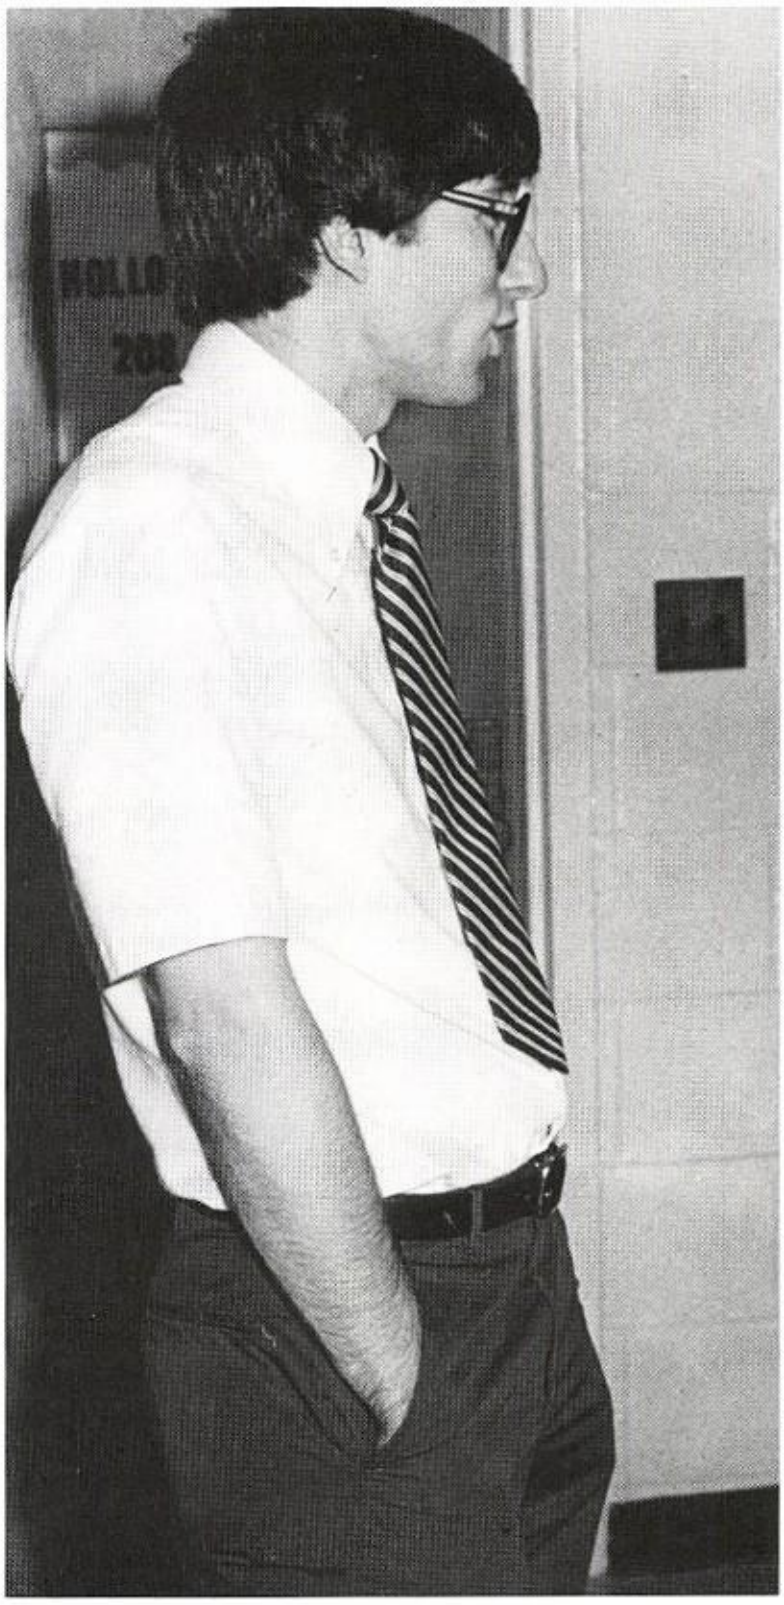
This year saw several changes in the department. Gary Holloway was appointed chairman, and Mark Bixler, Regina Stevens and Joe Brumfield joined the staff.

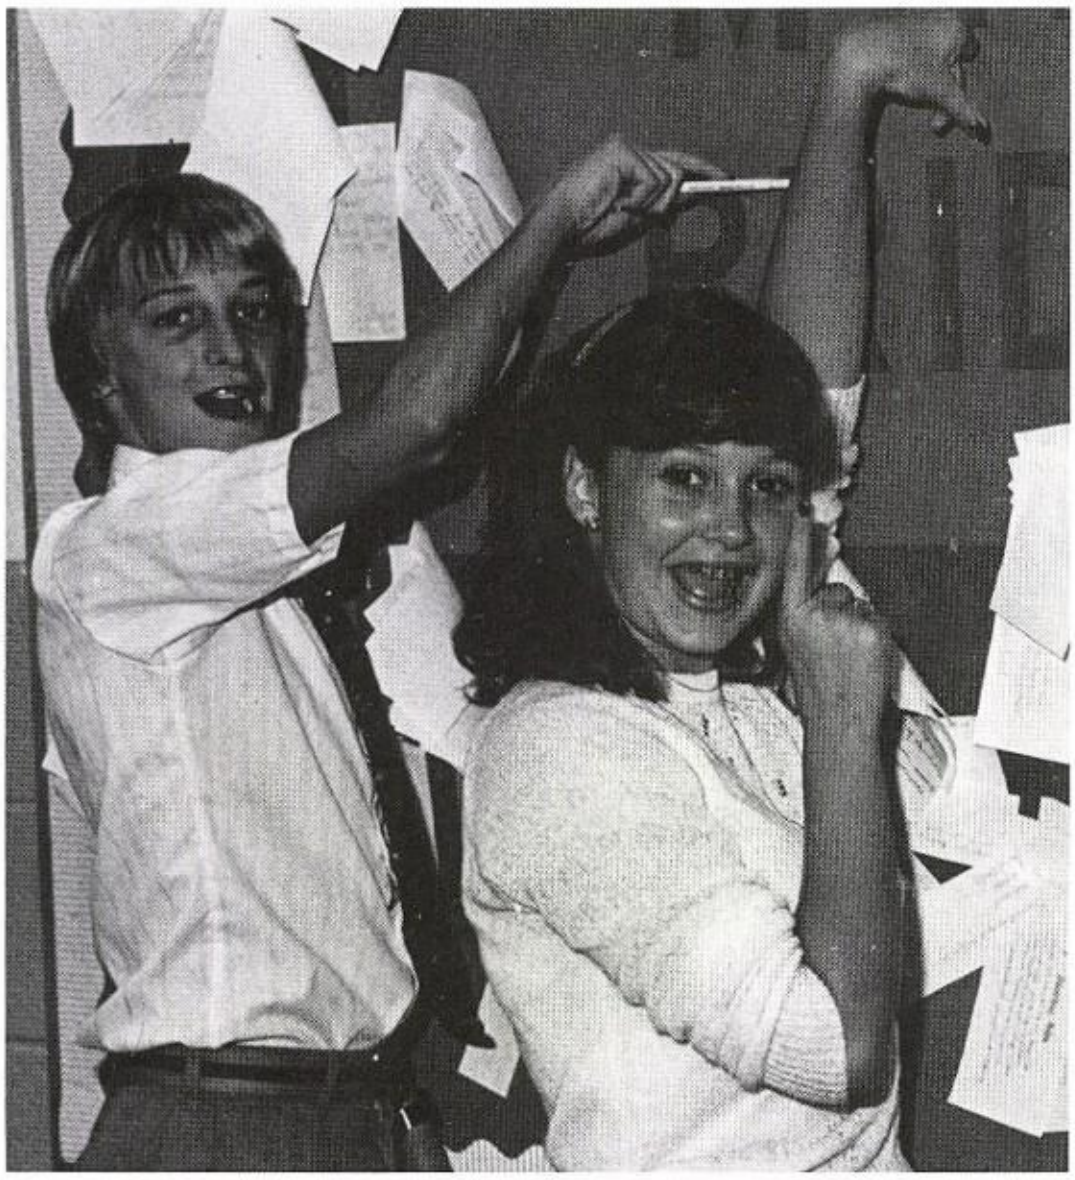


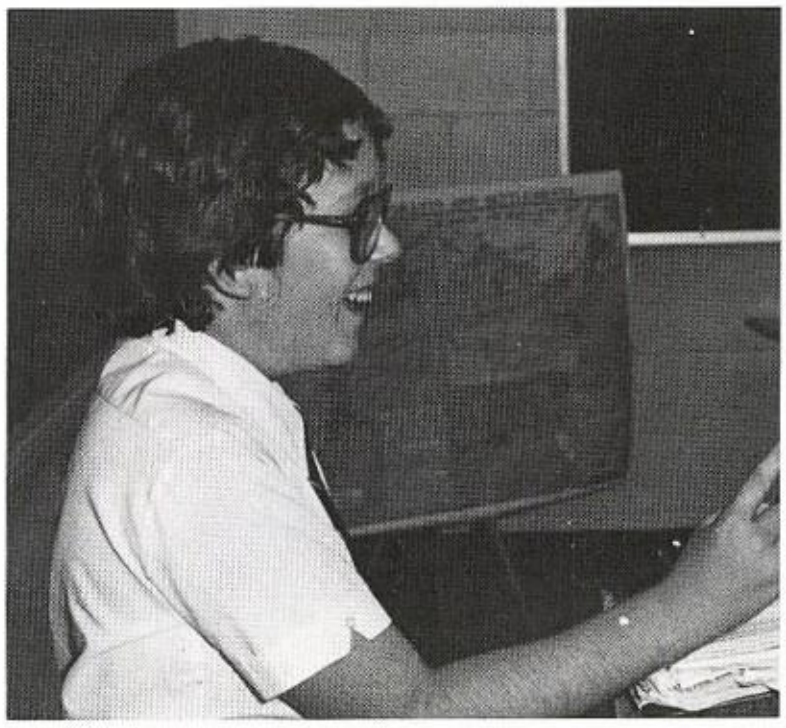












ENGLISH

This year the English department was headed by Mr. Michael Semore. The department has been involved in improving the composition skills of the students of Harding Academy. The main goal of the department this year has been to encourage students to use writing skills not only in formal English classes but in other classes as well. Vocabulary, language usage, and literature are other areas in which the English department has tried to improve.

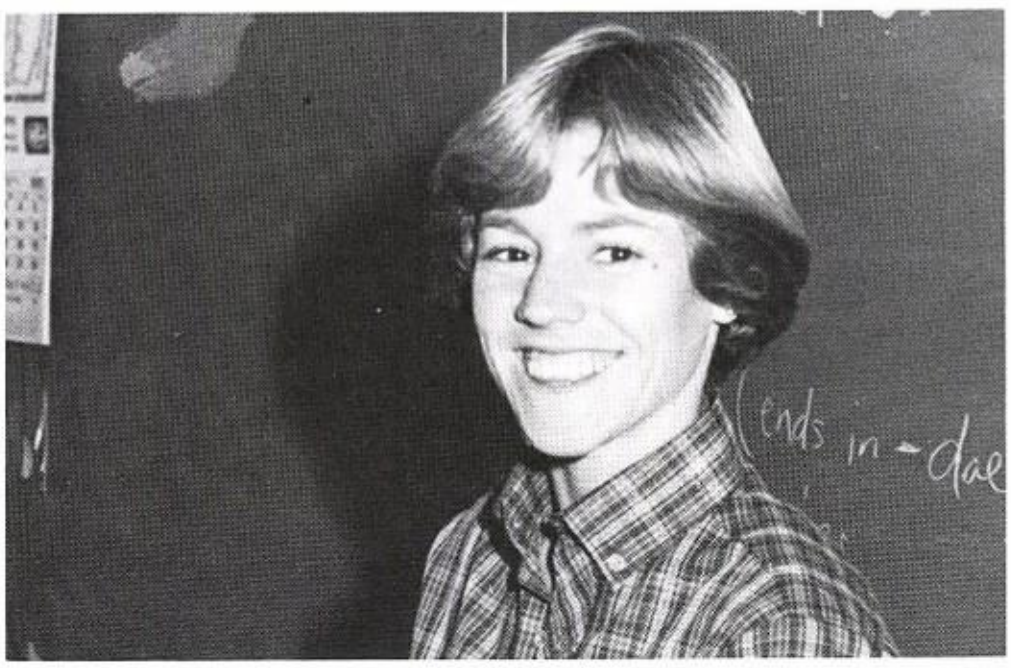
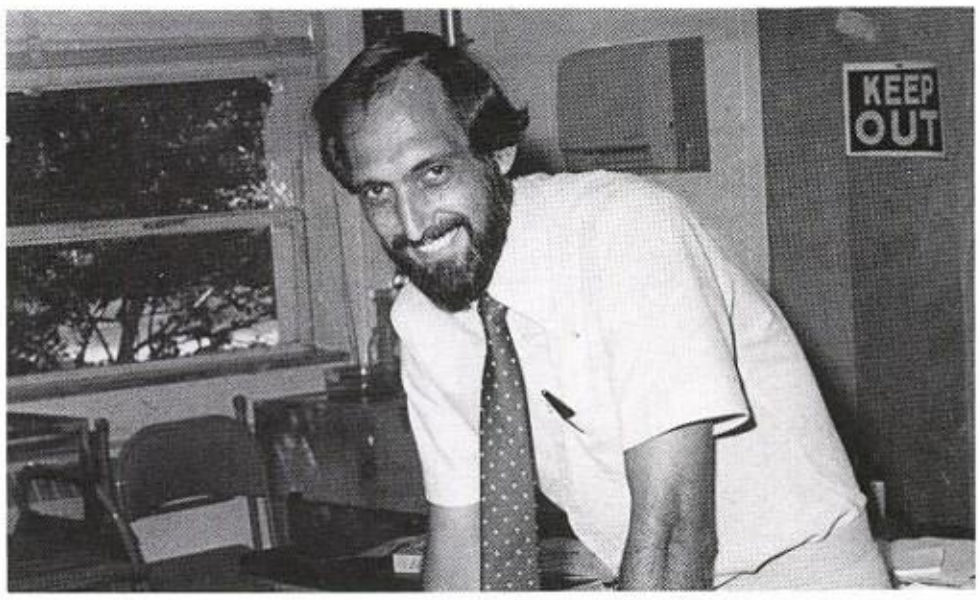
SCIENCE

"Nature does not capriciously scatter her secrets as golden gifts to lazy pets and luxurious darlings, but imposes tasks when she presents opportunities, and uplifts him whom she would inform. The apple that she drops at the feet of Newton is but a coy invitation to follow her to the stars."

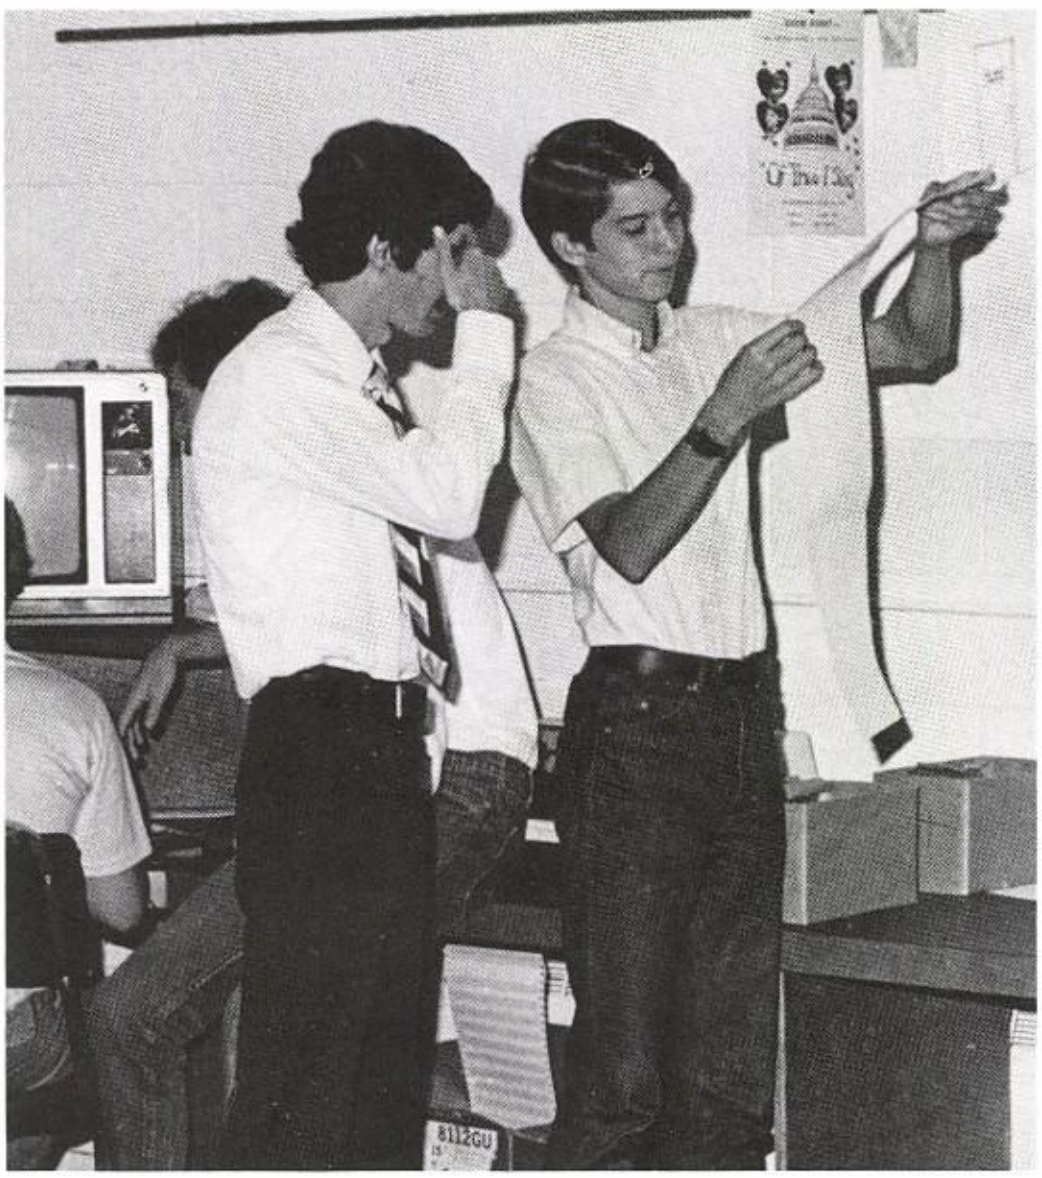
As this quotation from Whipple implies, students are invited to look into the secrets of physics, chemistry, and biology, and to make small discoveries that lead to a greater understanding of life. According to Mrs. Nancy Seratt, science chairman, the department seeks to enable students to make a greater contribution to our world.

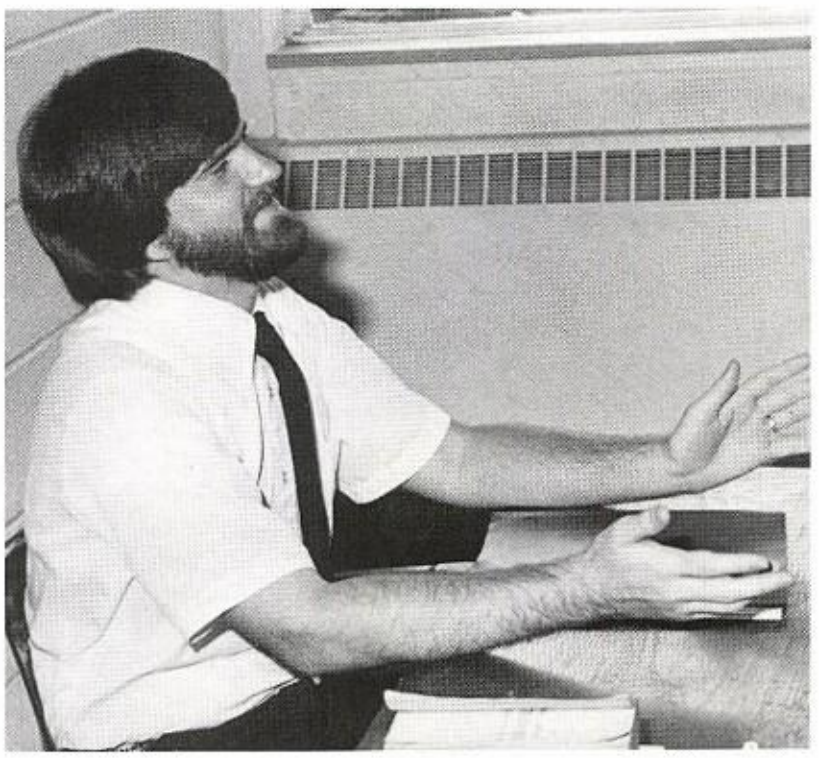




MATH

The mathematics department each year works on preparing all students for college. The required courses continue to cover more material and the advanced courses are enhanced to offer a broader exposure to several math concepts. The department welcomed one new teacher, Miss Dounce Pinkerton, at the beginning of the year. Since more students chose to take math in the upper grades, more sections of Advanced Math and Computer Math were added to the schedule. New algebra books and consideration of a computer literary course are just two ways that the department is meeting the broad needs of Harding students.



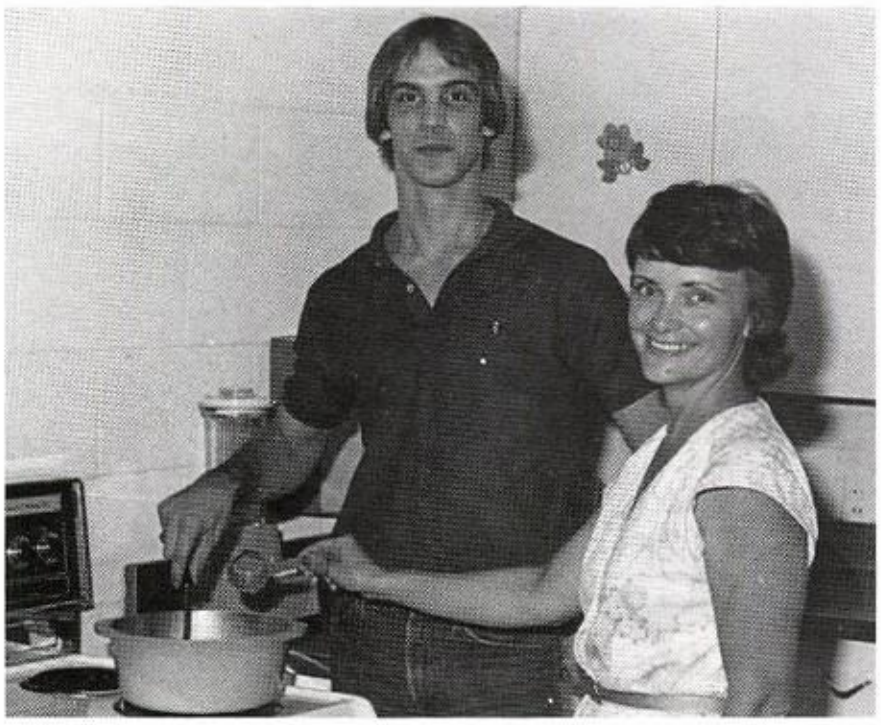


HOME ECONOMICS

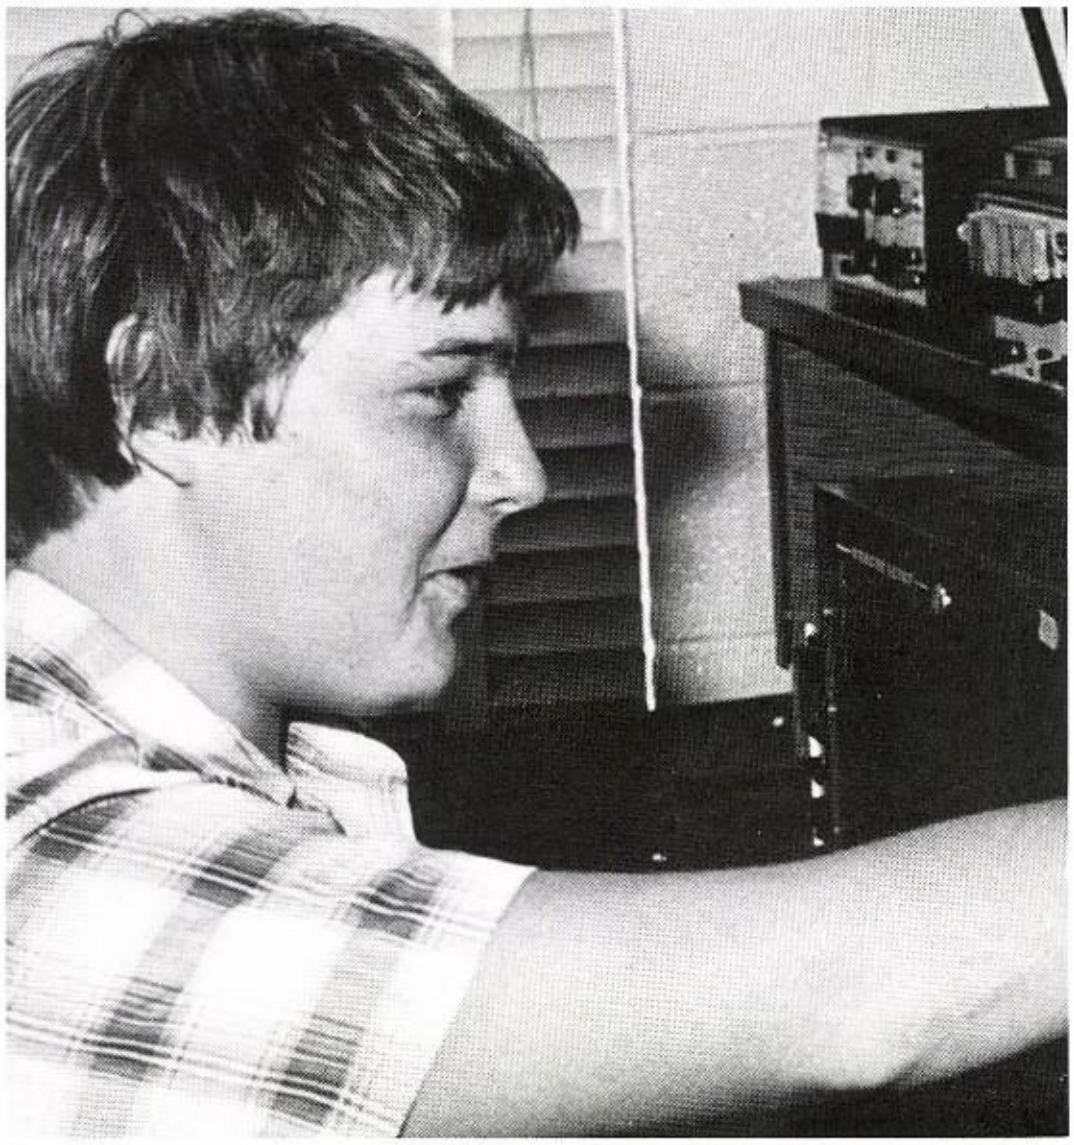
The Home Economics department under the direction of Carolyn Batey includes Personal Adjustment and Family Living and Home Economics.

This year the skills in Home Ec were not for girls only as evident in the fact that two senior boys took the course. Needlework projects and cake decorating were particularly exciting parts of the class this year. Home Ec students are encouraged to discover and develop interests in order to make intelligent choices pertaining to their homes now as well as to their future homes.

PAFL is designed for senior students who seek to increase their self-understanding and to develop more meaningful inter-personal relationships. The students are motivated to view themselves more objectively and to meet problems constructively. Self-acceptance is emphasized and the problems of insecurity are explored in depth.



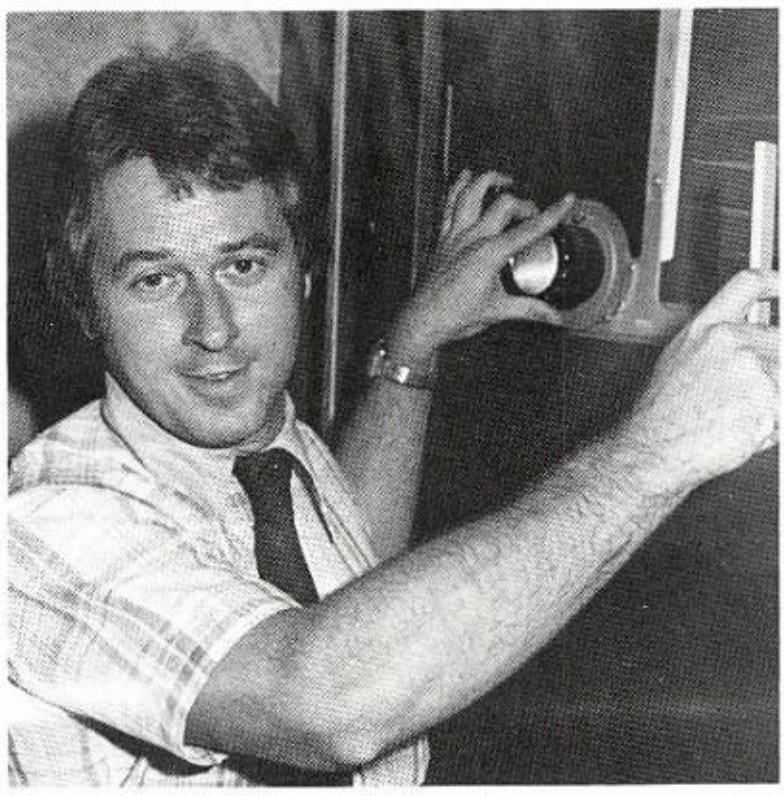
INDUSTRIAL ARTS

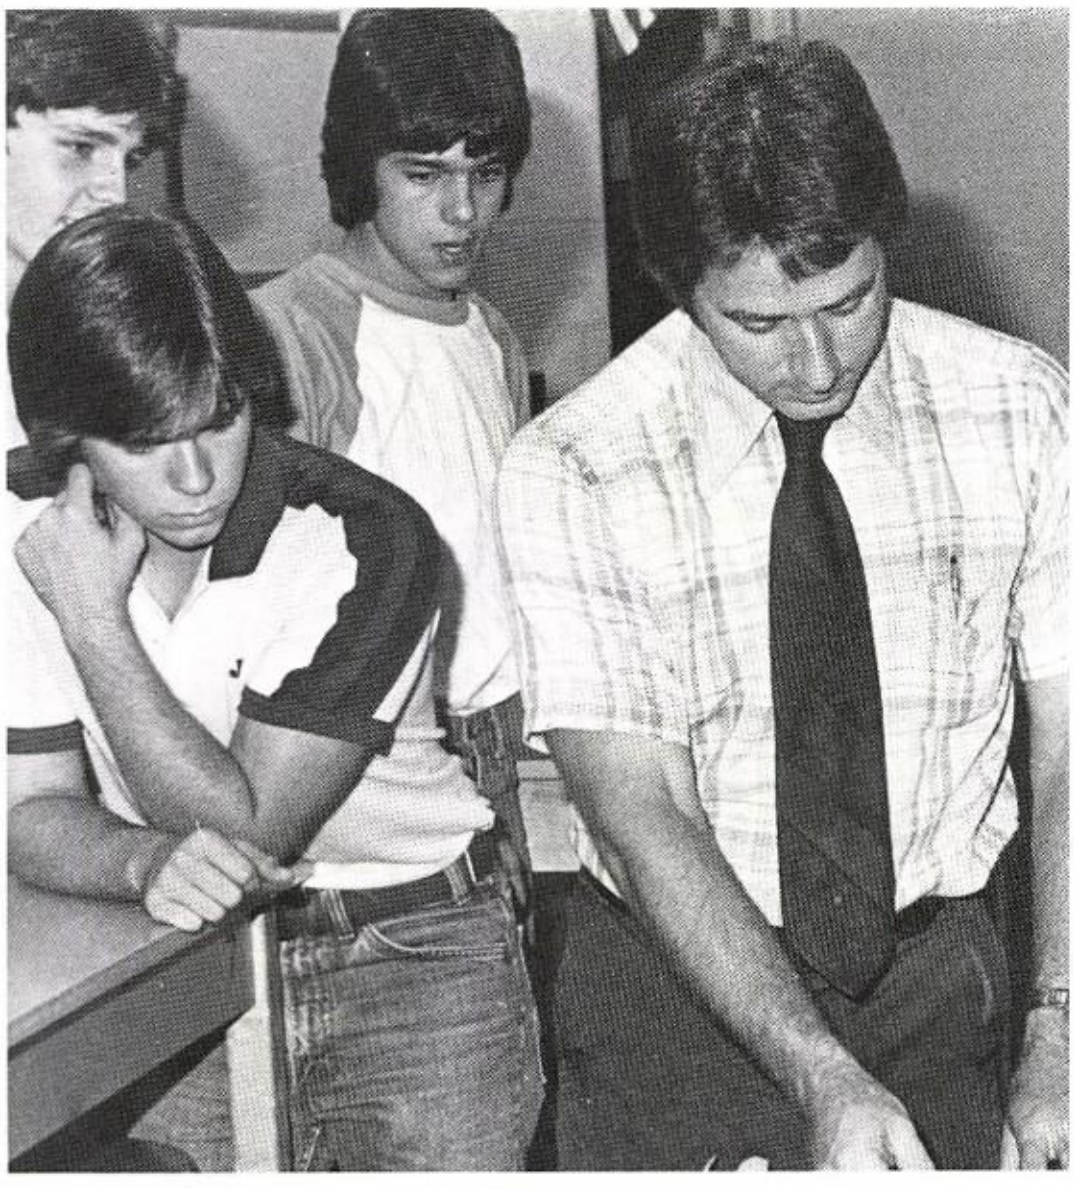


Industrial Arts is an introduction to industrial life. It is a study of American industry with a goal of orienting students to the industrial society in which they will live.

The Industrial Arts Department is always seeking to keep up with the latest technology. Recently they purchased new professional drafting tables with locking storage space for each individual student. The student council voted to donate its surplus money to buy a brand new Blue Ray white printer for the department.

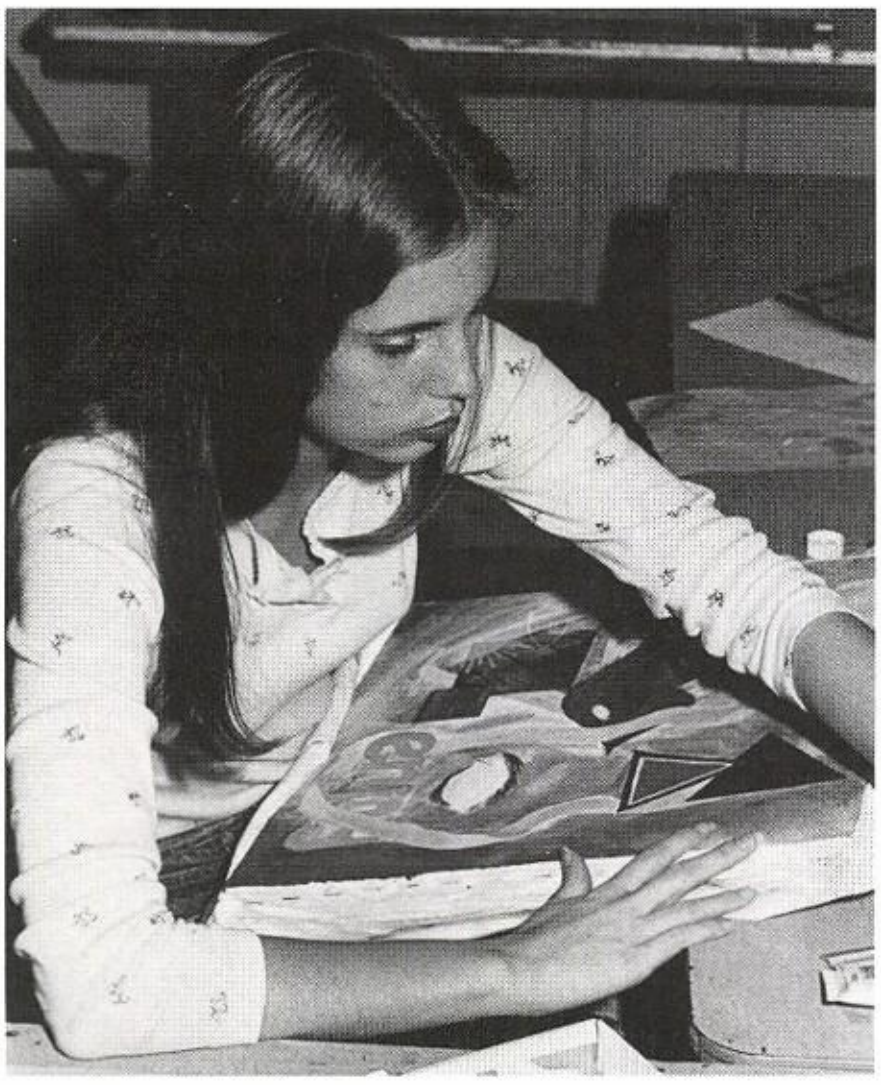
Mr. Riley, the chairman of the department, taught Drafting I, II, III, while Mr. Miller taught Electronics.

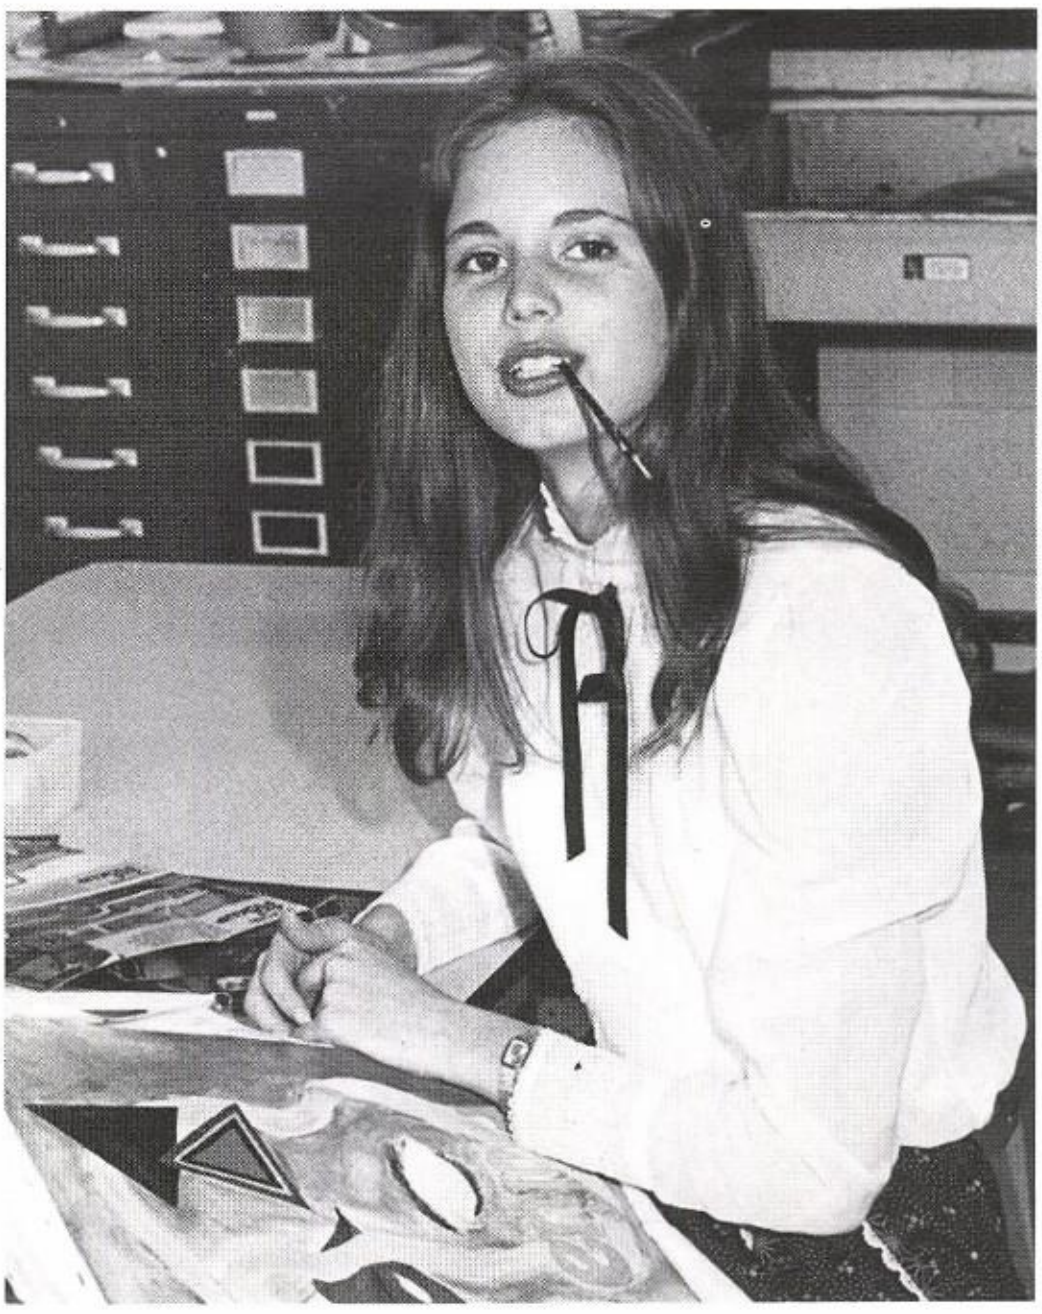




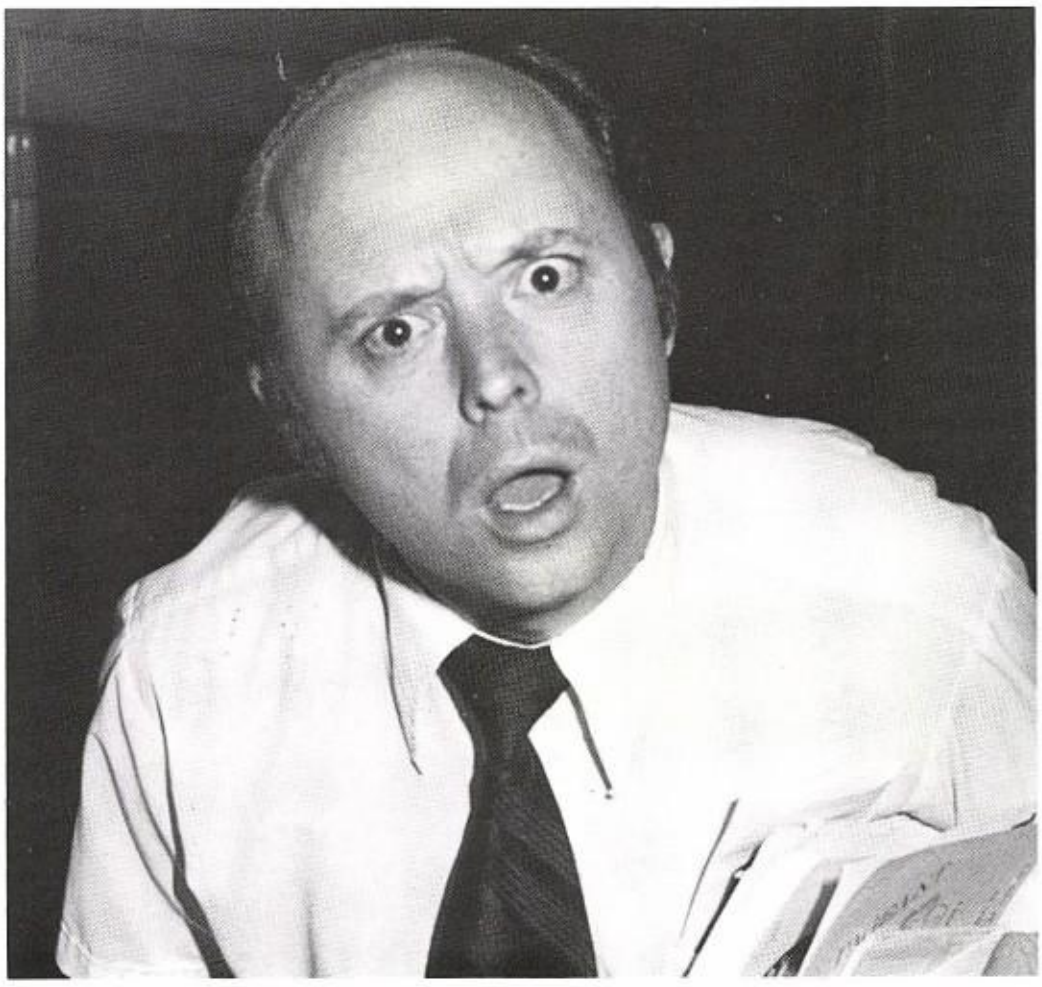
ART

According to Reed Oliver, Chairman of the Art Department, the department's main goal was to help seniors who intend to seek a career in art. By offering the student a broad-based program which gives a foundation in both fine art and commercial art, the department makes it easier for promising students to obtain scholarships. Career planning sessions were set-up with Nageele Sign Company, the Atlanta Institute of Art, and Memphis State University. Harding students enjoyed producing quality work in a progressive atmosphere. The art students visited art galleries to enjoy the work of professional artists.

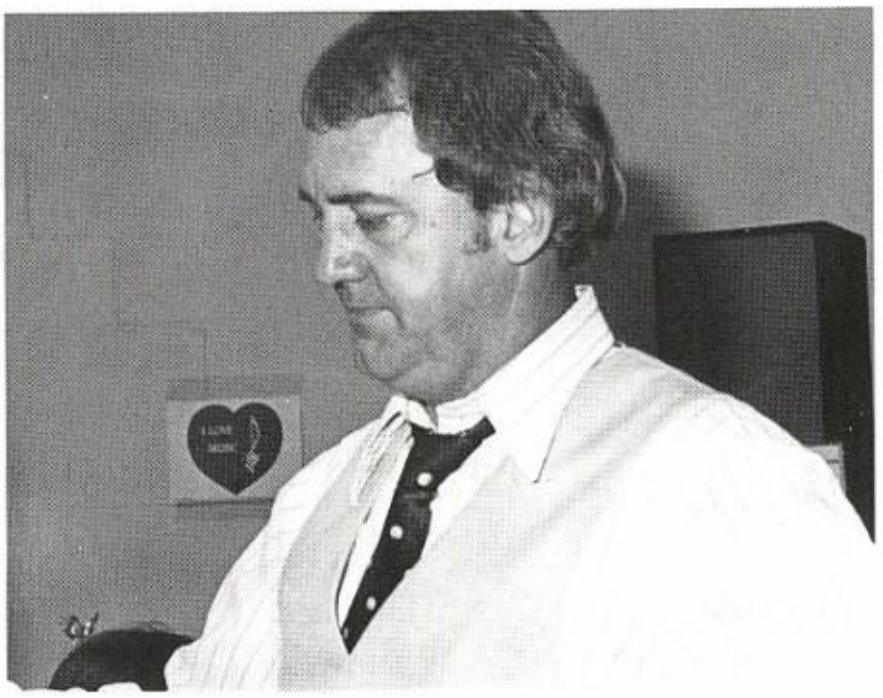




MUSIC

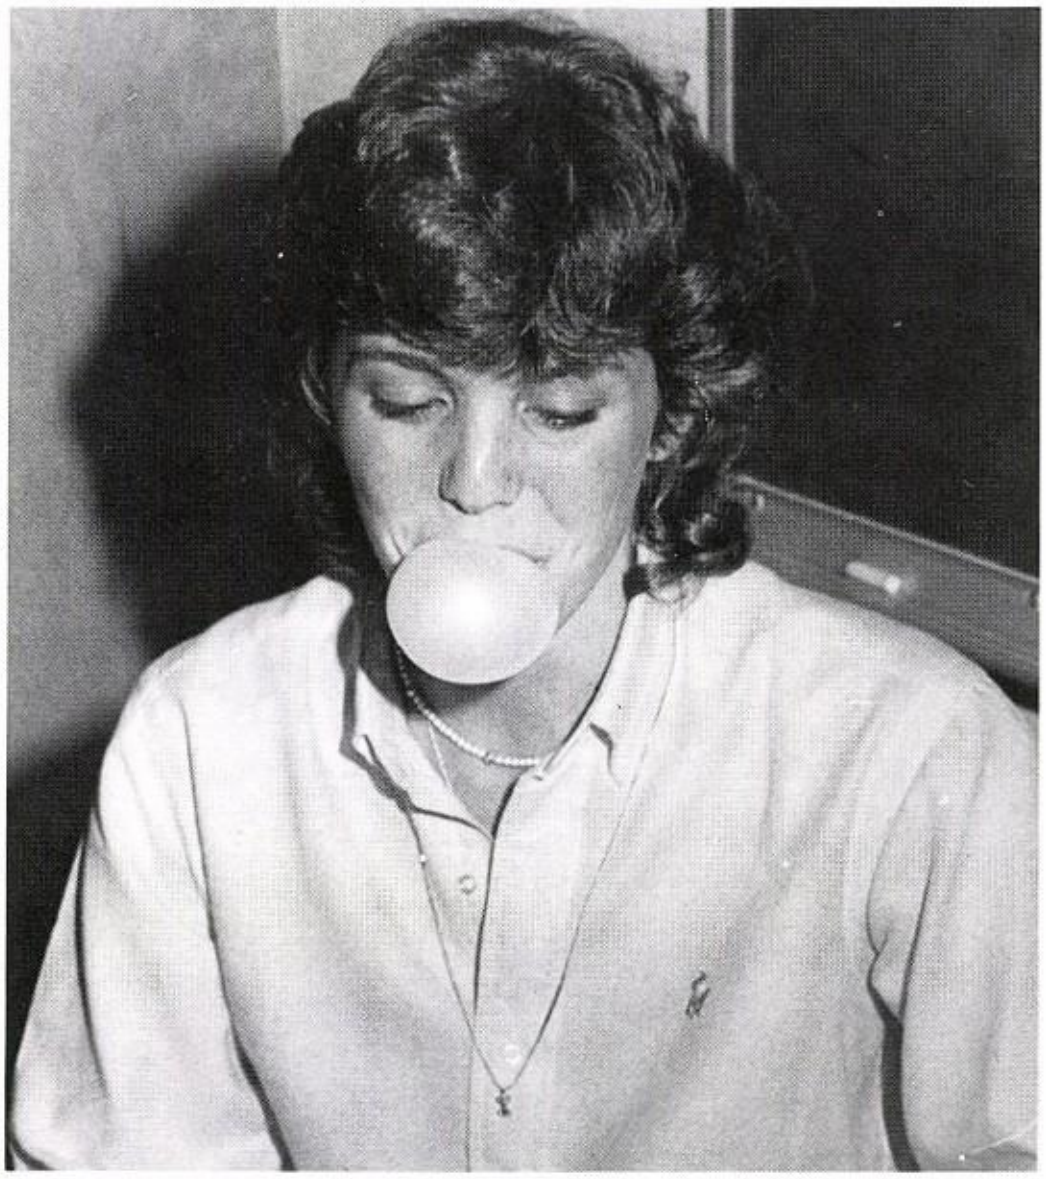


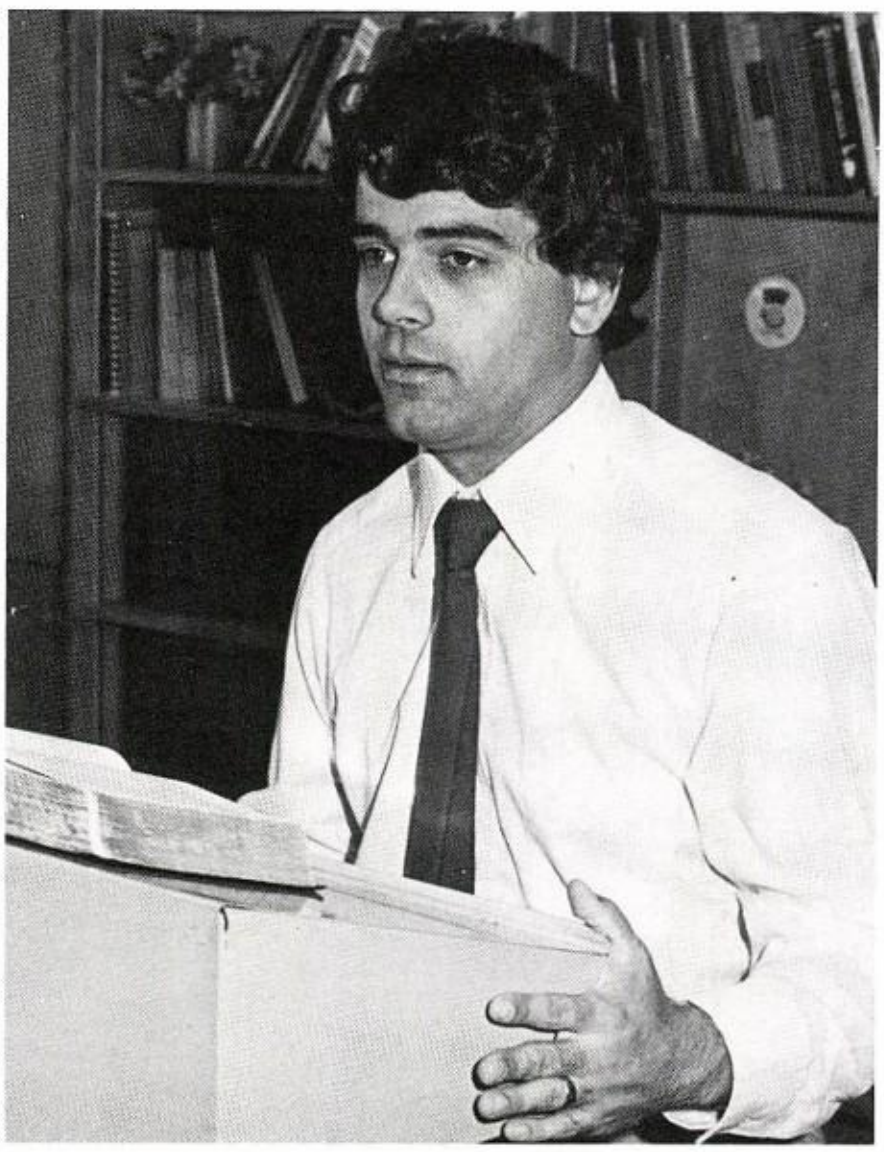
Headed by Jim Chester, the Harding music department has gained much recognition and has become a very big part of the Harding curriculum. Donna Warren offers a very interesting and educational course to seventh graders in Music Appreciation. Junior high students have much to choose from in the way of chorus, directed by Jim Chester, and band, directed by Barry Lumpkin. On a higher level, high school students are offered these courses requiring much more time and ability. Both of these organizations, the band and the chorus, have achieved much and are widely acclaimed.

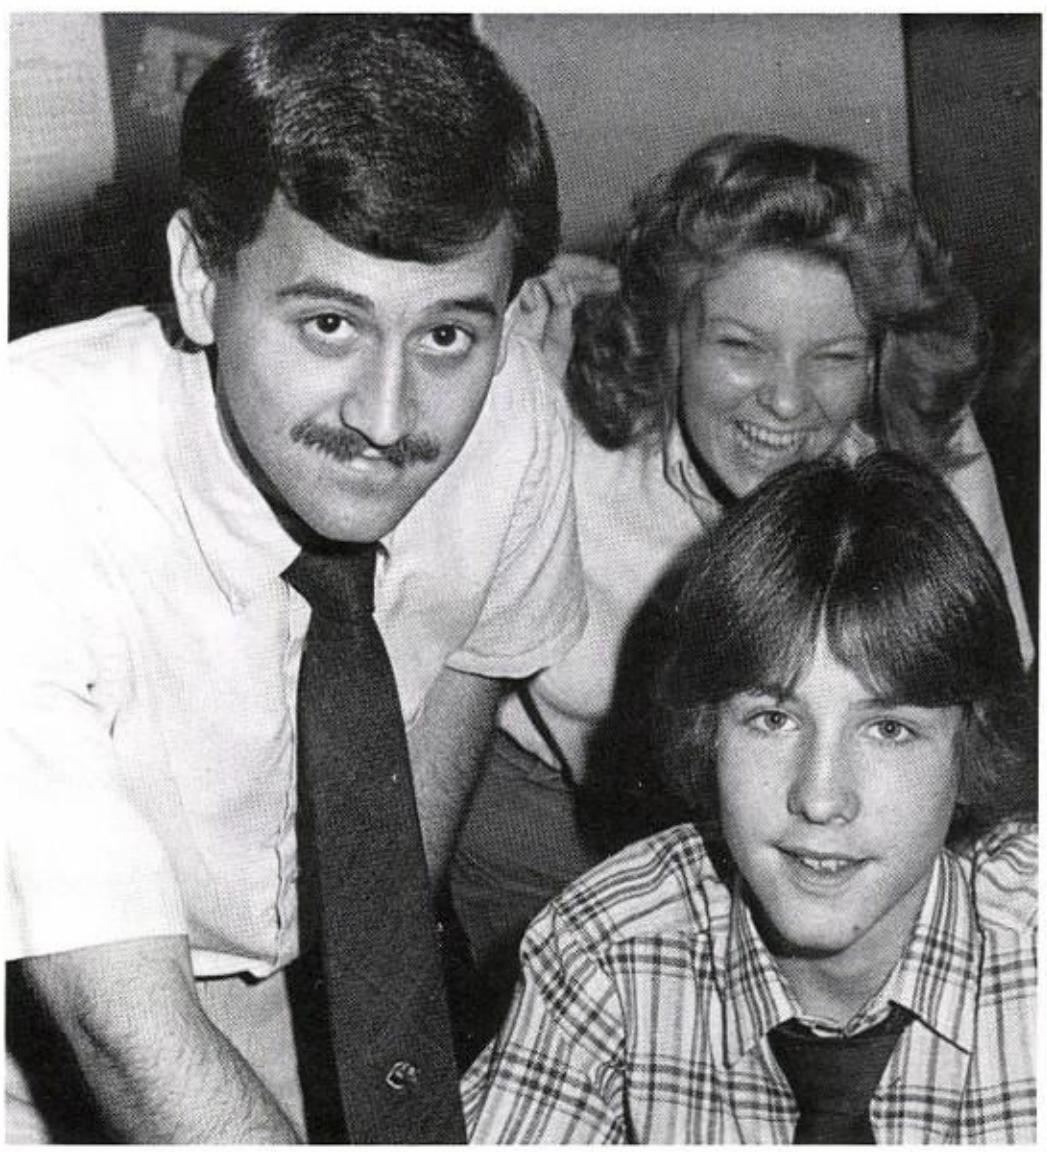


LANGUAGE

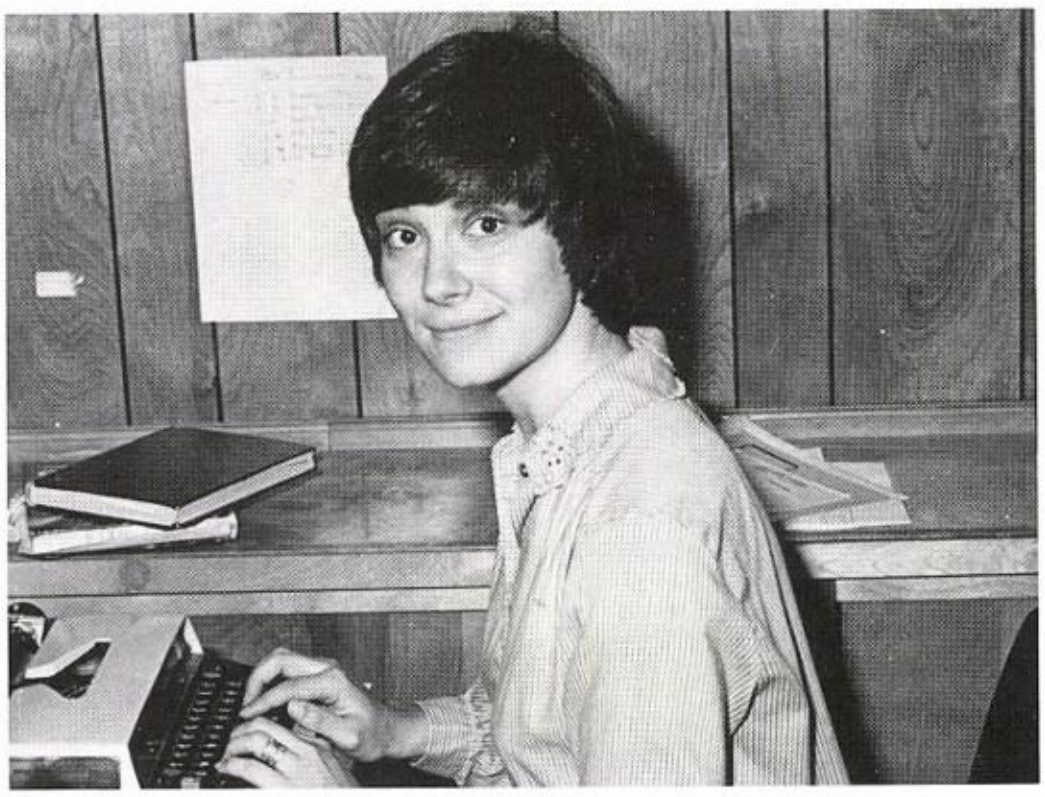
This year the Language department has been headed by Mr. Ted Parks, who teaches the Spanish classes, and by Mr. Tim Bixler, who teaches the German classes. The Spanish classes benefitted a great deal from the use of the language lab. It is here that the students worked on the pronunciation of words or listened to a record. The Spanish students went to a Foreign Language Festival in April and kept busy singing Christmas carols around the holiday season. The German classes also use the language lab as well as studying different facts about German geography, history, and culture. Going to the Tennessee State German Festival in Cookeville, attending a retreat, and performing some activities at Christmas kept everyone involved this year.



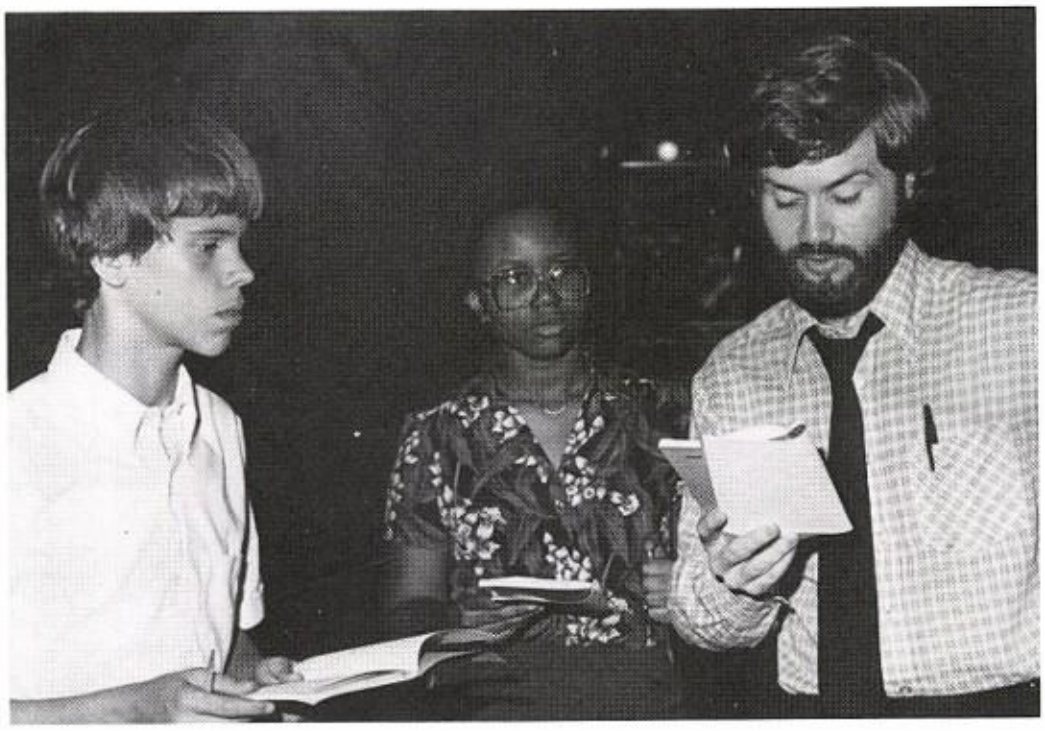


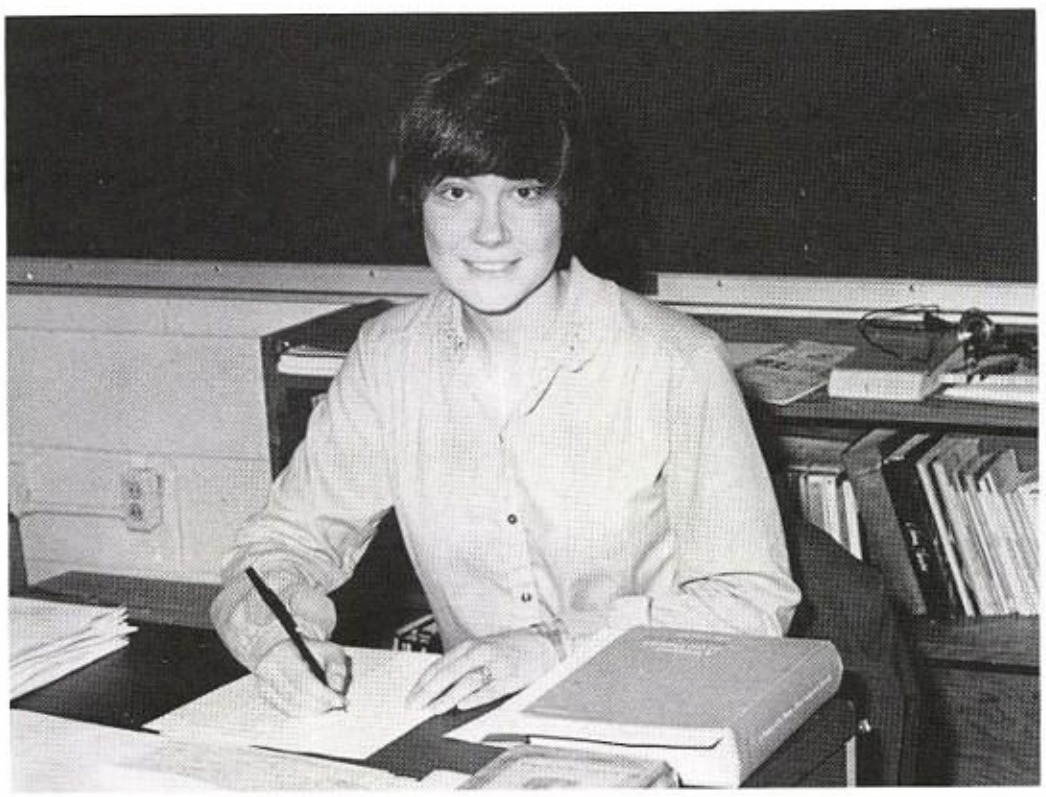


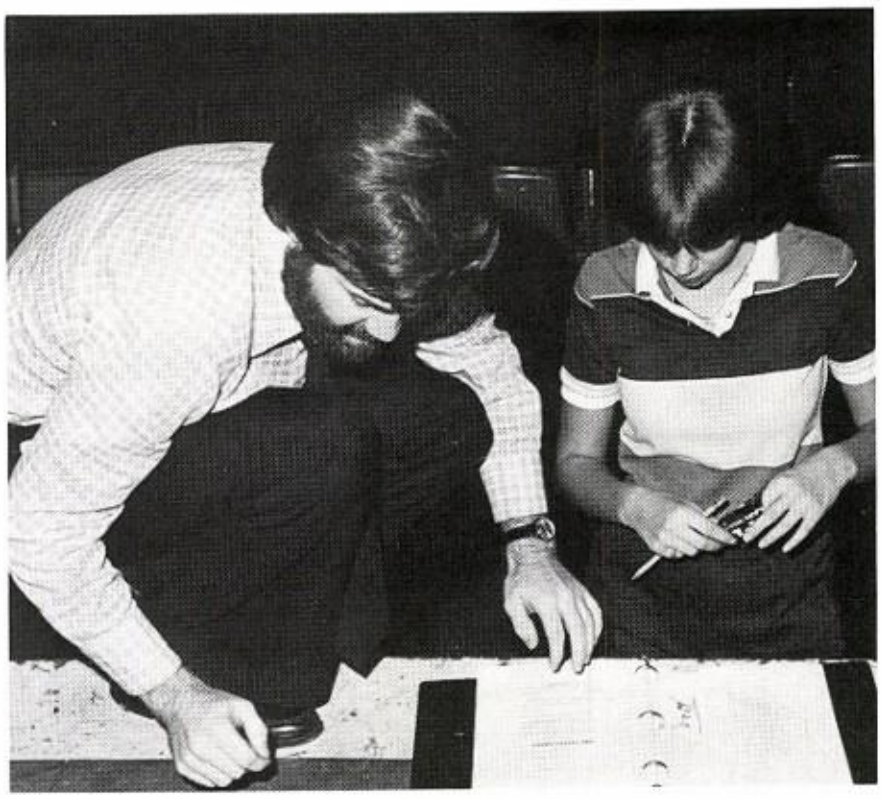
SPEECH AND DRAMA



The students in the four speech classes, taught by Deb Holloway and Glenda Cox, were busy learning new things about themselves, as well as communicating with others. A study of the self, conversation, and small group communication were among the topics that were taught in the first semester. The rest of the year concentrated on public speaking and mass media. Mrs. Holloway teaches one period of Drama each year. Drama is a study concerning theatre history, costuming, acting, directing, set designing, lighting, etc. The drama students not only learn by book, but by actual experience. They review plays together and tour the theatre facilities.





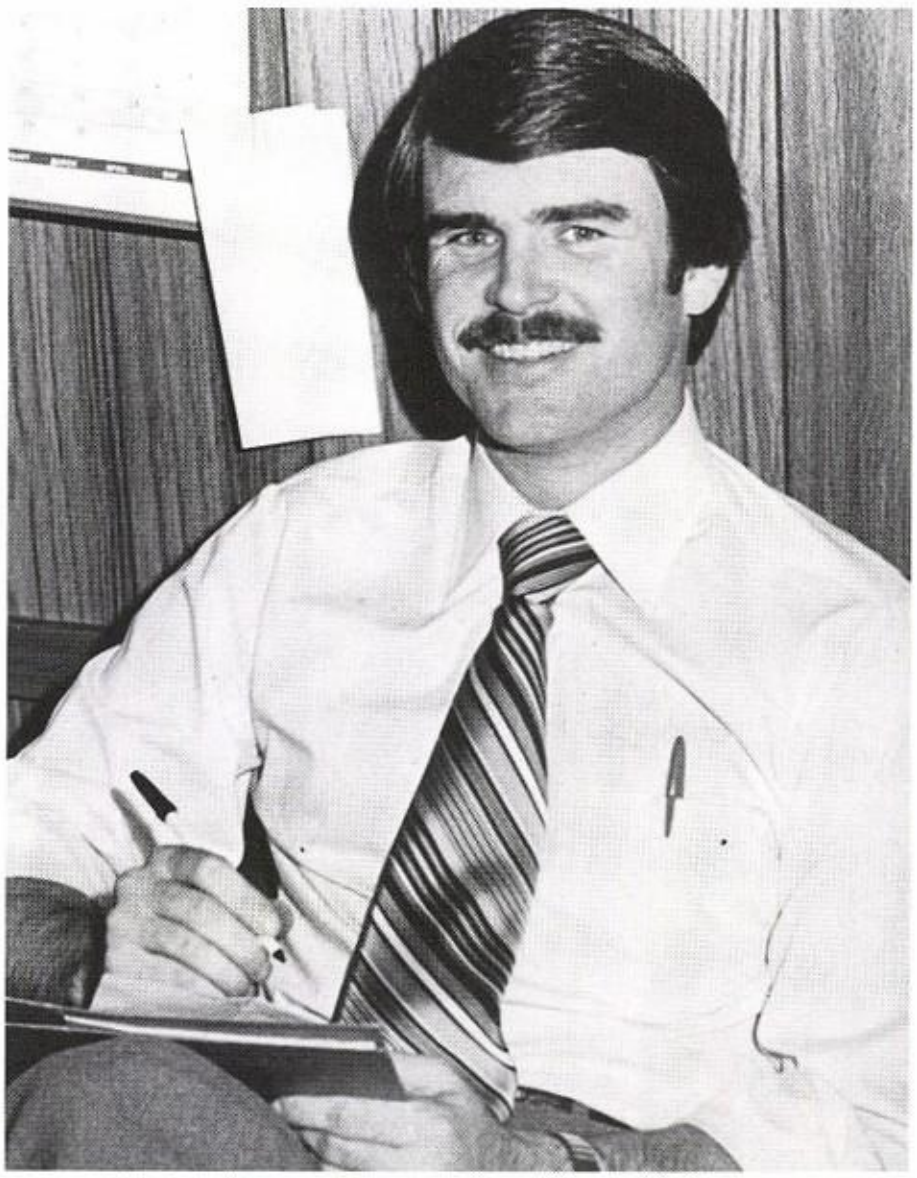


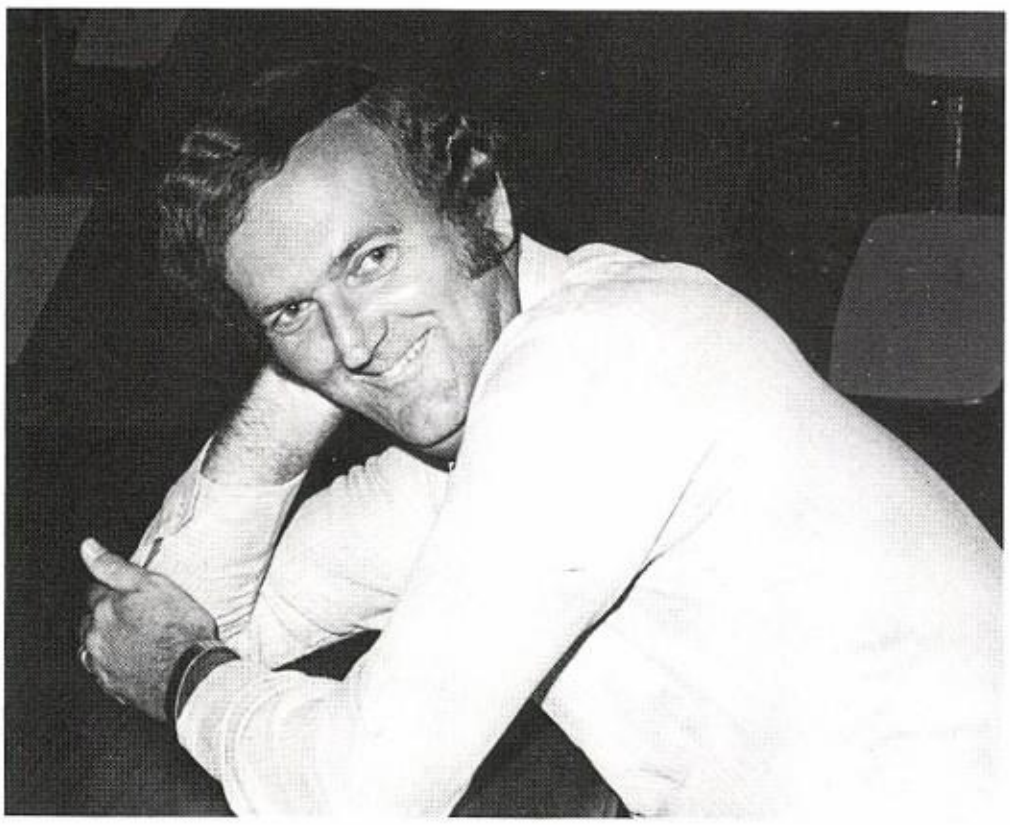
SOCIAL STUDIES

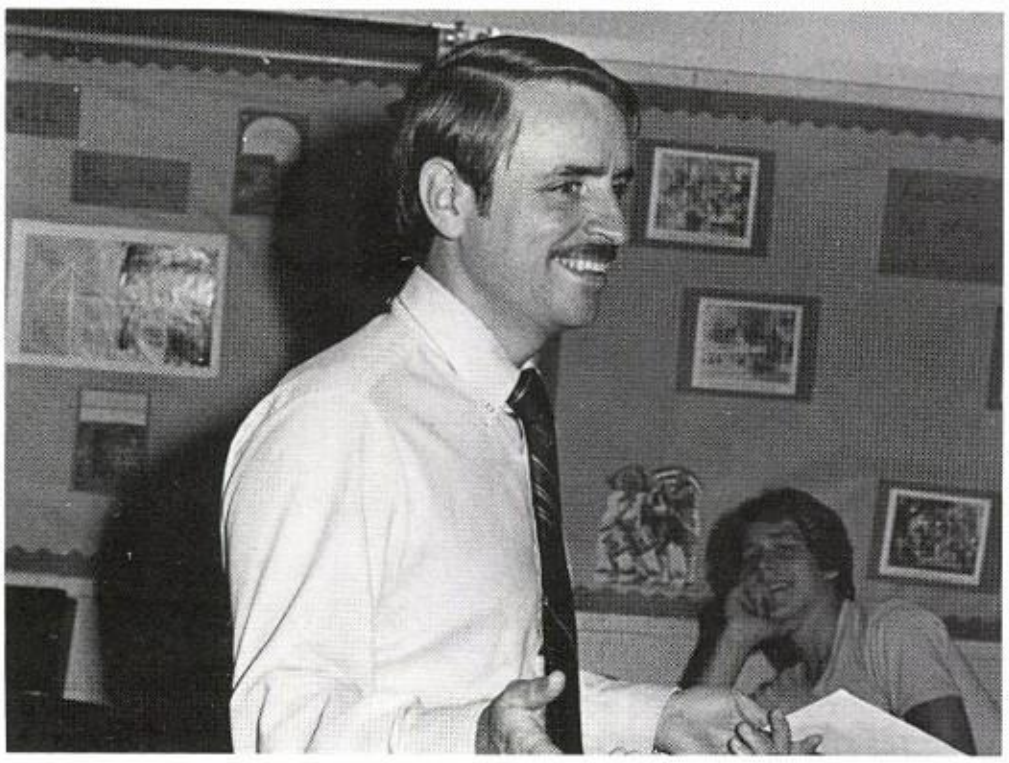
The social studies department has no new members this year, but a new subject in problems of democracy has been added. Ruth French, department chairman teaches this all-senior class with the emphasis on the textbook title, *Decision Making in American Government.* Other high school course offerings include American history, world history, and civics. Geography is taught in the seventh grade and American history in the eighth. Other teachers in the department are Ed Russell, Kay Smith, Peggy Haguewood, Alan Pritchard, Ike Hall, and Brad Stroud.

The Current Issues Club is the social studies organization. Its purpose is to stimulate interest in contemporary happenings. The members of the department also have this purpose in their classes, using guest speakers, visual aids, and field trips to supplement classroom instruction.

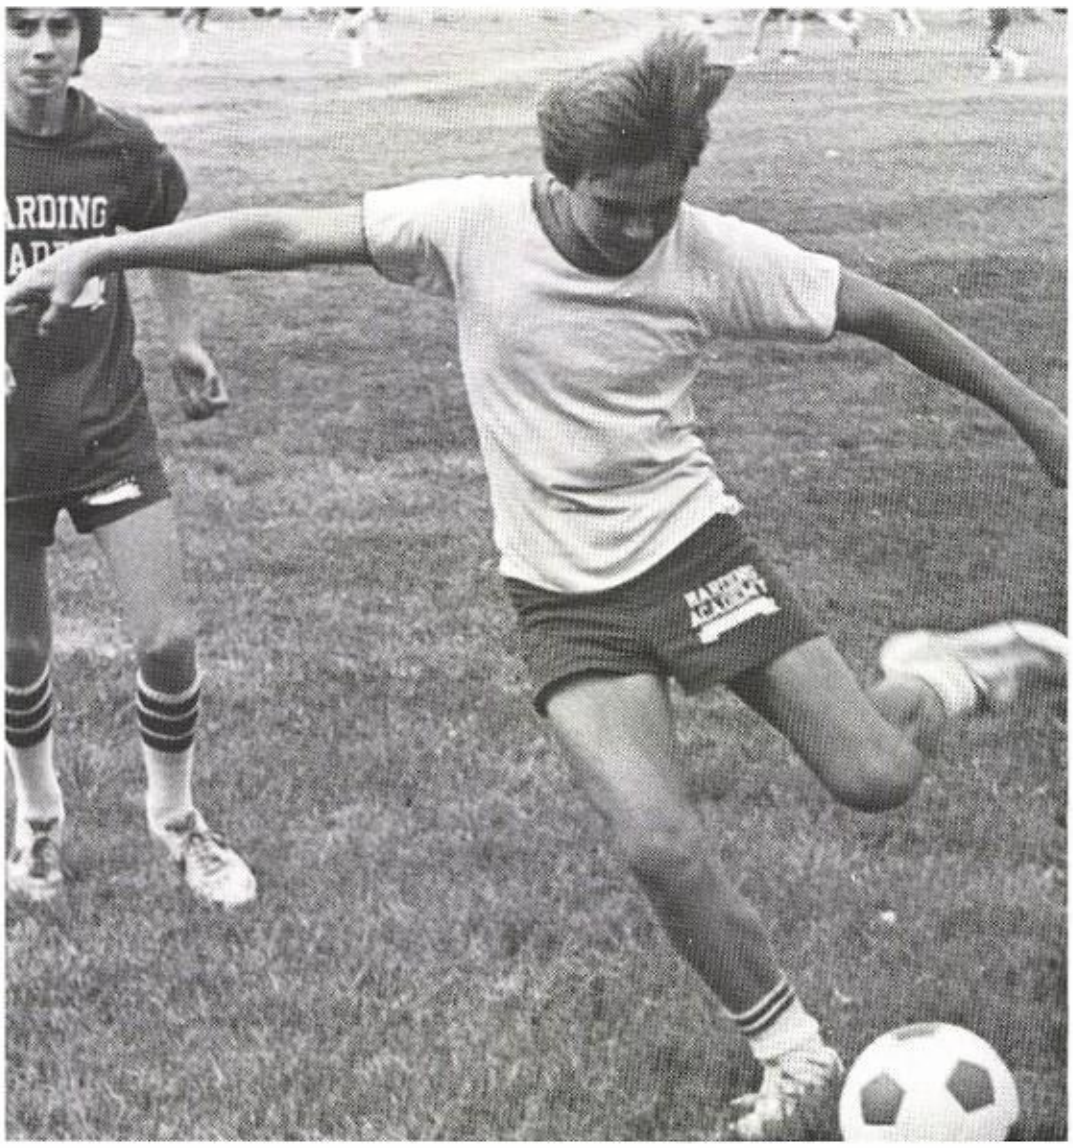
Each year a group goes to Washington, D.C. to participate in the CLOSEUP program in which government is observed in action. The Memphis-based PROJECT BUSINESS furnishes speakers and field trips for the civics classes.





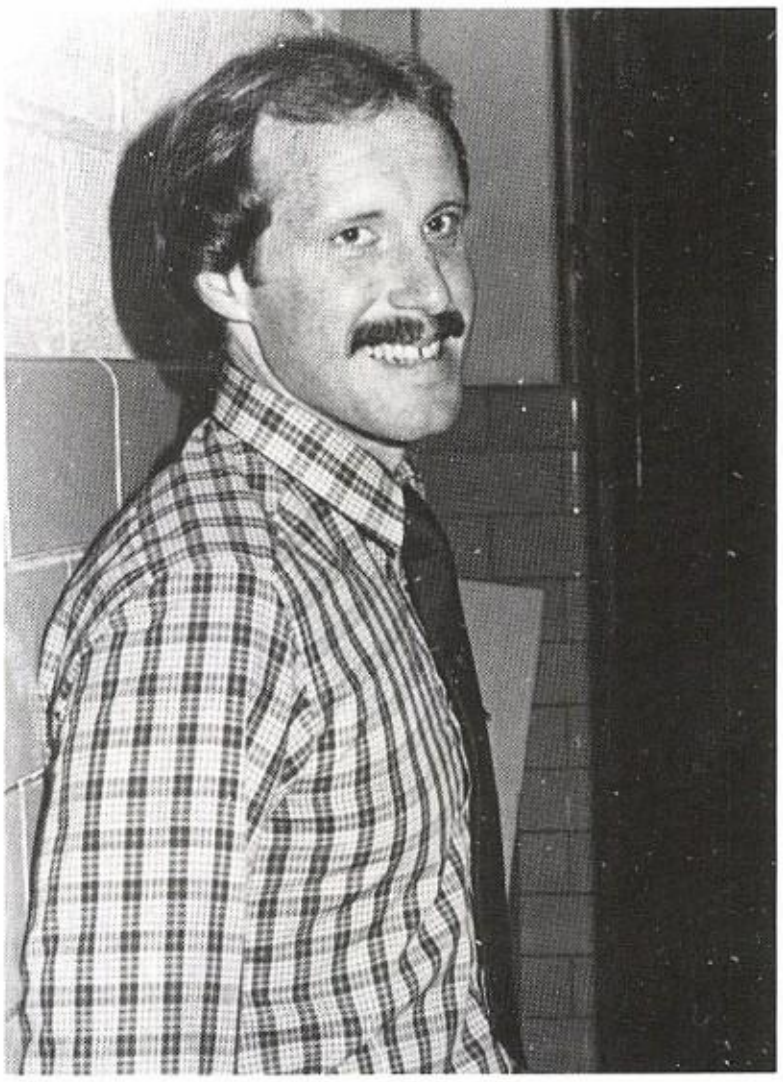


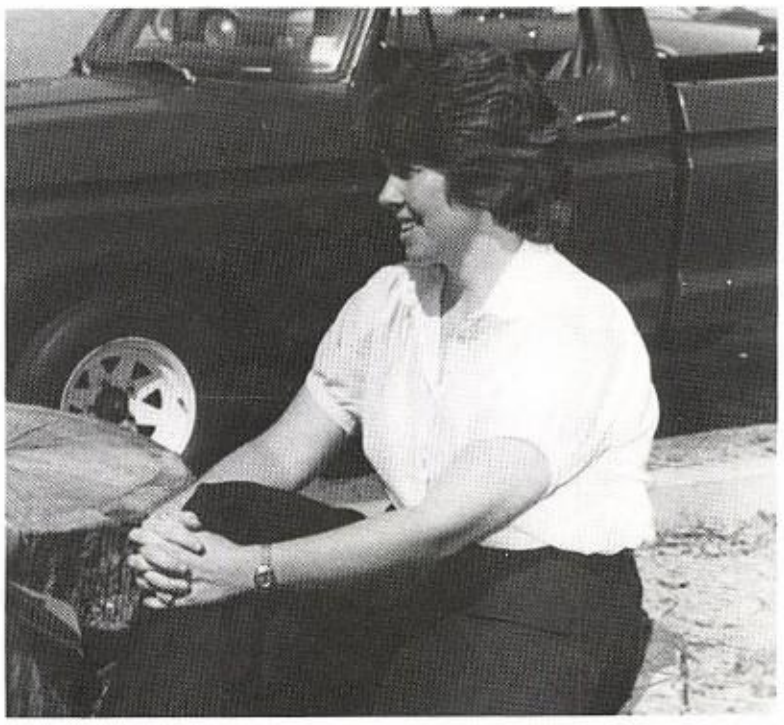
HEALTH AND P.E.



The goals of the Health and P.E. department are to develop the student physically, socially, mentally, and emotionally. This is done through a wide variety of activities including volleyball, tennis, flag football, soccer and many other sports. The department strives to help the student reach his or her potential in these areas and to help him develop into a total functioning individual.

This year the department was headed by a new chairman, Harold Bodiford and a new teacher, Becky Kenley, was added to the staff.

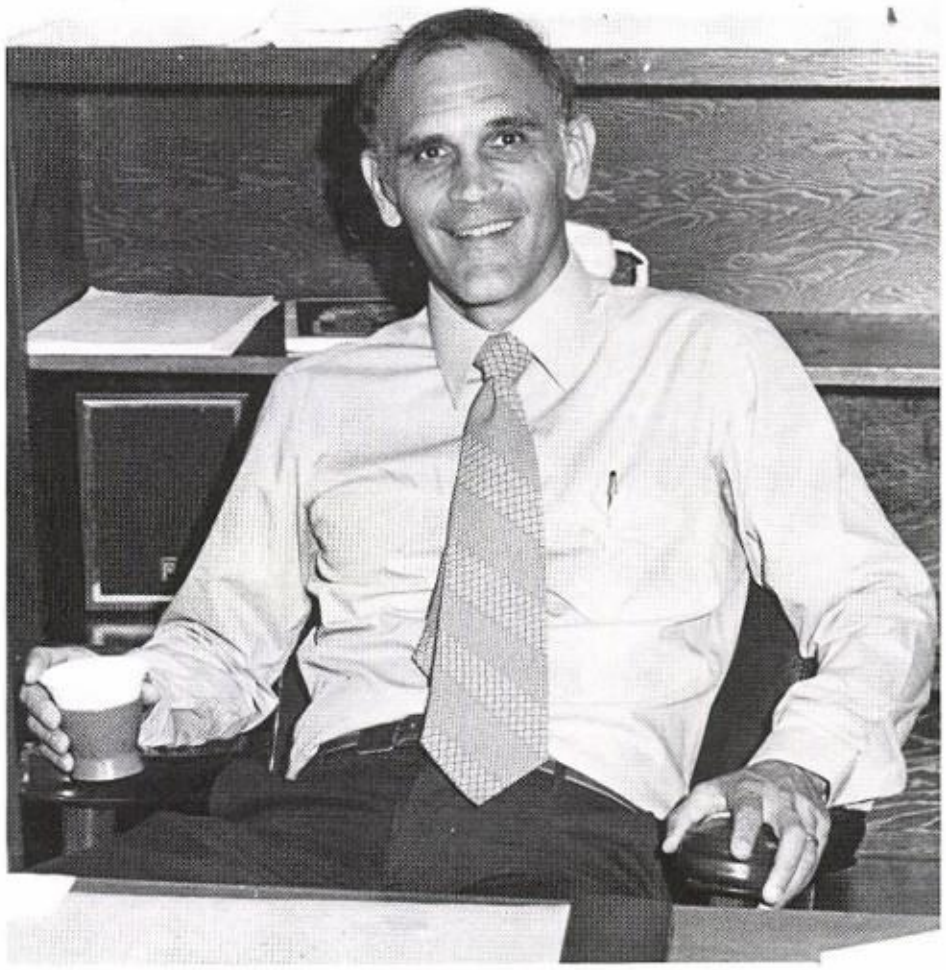




GUIDANCE AND LIBRARY

The guidance office, a department designed with the student in mind, has a new face this year - Dr. Bill Srygley. The other assistants, Evelyn Osborn and Claire Pirtle, also play a major role in the function of the guidance office. Offering college information, testing, and career and scholarship updates, this department is especially important to seniors. The guidance office also sponsors the Friends Club which assists in the big brother - big sister program. These helpful people offer much to the Harding student.

The library also is designed with the students needs as its number one priority. Donna Shepherd and Faye Chambliss are the librarians and they say that they hope students will utilize the library as a "learning center". Offering much information and help on term papers and other such projects, the library is an efficient and operative department.



STAFF

The staff is an important part of the overall school system. The secretaries and bookkeepers keep our offices running smoothly. They take care of emergencies that arise during the day. Because visitors to our campus usually meet one of the staff members first, they are excellent public relations personnel. Our staff and faculty work diligently in our business and administrative offices, bookstore, maintenance, guidance office, and cafeteria.

Take A Good Close Look At Harding University

Upon a first arrival at Harding University, visitors often are impressed with the basic beauty of the tree-studded campus.

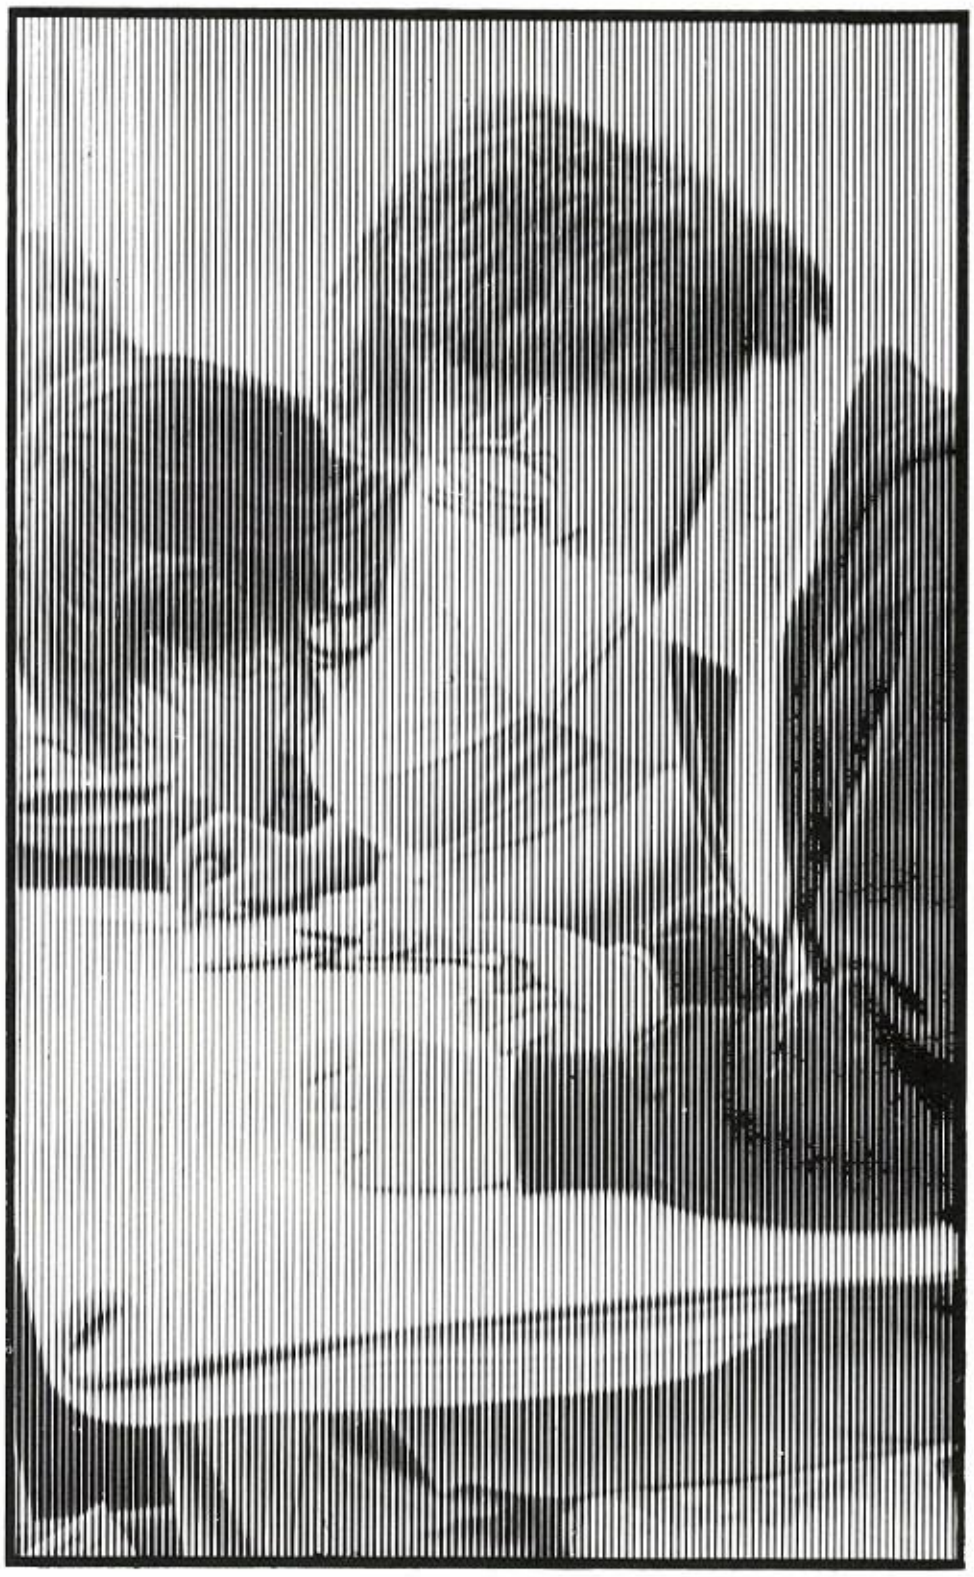
But the most lasting impression of Harding comes from a close look at the individuals — a student body of more than 3,000 (representing 47 states and 26 foreign countries) — each with his own personality, his own background and his own needs.

Among the many challenges at Harding in addition to the college's spiritual emphasis is that of learning to blend personalities. There is opportunity for those of common interests to combine their skills, whether in writing for the student newspaper, competing athletically, performing musically or learning the give and take of having a roommate.

Basic in the quest is the aim for a quality education. Harding's advance to university status has sharpened the route, with a qualified and experienced faculty eager to aid the student in his pursuit. In addition to offering academic assistance, professors often participate in ball games, invite students to their homes, serve as club sponsors and otherwise become involved in and out of the classroom.

The overall friendliness, determination, enthusiasm and excitement are catching. Students routinely become involved — in campus activities and community service projects, as well as in their studies.

Take a good, close look at what Harding University has to offer. We think you'll like what you see.



Quality education where people really count.

I'm glad we had typing together this year, and got to know each other. I hope that you will have a good Sr. Year. Have fun this summer making out with all of the "Boyzzzz." Hope all your future plans go as planed. Hope to see you this summer. Love Mark

Judy (Boone),
Hey girl! Well what can I say. We have been through a lot this year. I'm so glad we got to be such good, close friends. You really mean a lot to me. You are so easy to talk to, and I really need somebody to talk to, all the time. Thanks for all the time you did just sit and listen to me and all my "wonderful" problems! Don't ever forget our great junior year. English, first period everyday. Me going to the bathroom everyday before chapel and making you late. Boring study hall, sitting in the same place everyday for lunch - going to the bathroom afterwards, and then there's after school! you getting a car! All our headaches - you helping me through all that happened with Jim and etc.... I'll never forget about you telling me about you and Mike - which to me sounded like so much fun! HA HA HA Oh ya - how could I forget Bruce! Oh Judy we've been through so much. Thanks so much for everything. You made my junior year one GREAT year! Well, see ya at church - we'll have to do a lot this summer!
Love ya lots,
Belinda "Sparky"

P.S. Don't forget "NO... Sh...!" HA HA HA

REMEMBERING

This edition of the SHIELD is different in so many ways than those of previous years in that it combines the old with the new. The staff and I tried to expound upon the importance of memory and thus hoped that this yearbook would be as memorable for you as it has been for us. We have tried this year to create a book that is uniform throughout but still very interesting. No one can really understand the amount of work that goes into an annual and how many hours are spent in making decisions that will hopefully please everyone, though we know this is impossible. The goal of the 1982 SHIELD was to capture accurately the spirit, excitement, moods, and special times of 1982. Since the theme this year was Lion Pride, we tried also to incorporate that into the book.

Many people have aided in the production of this book through their greatly appreciated help. It is at this time I would like to appropriately express my thanks to them.

Our professional photographer, Alford's, took the color pictures at the beginning of the book, the club pictures, and the student pictures. They were helpful and provided us with many nice pictures. Mr. Don Burks was the photographer that many of you got to know because of the many hours he spent at school, taking and developing pictures. Although we started off on the wrong foot, things turned out just fine and Mr. Burks proved to be very helpful and efficient. I owe him many thanks for putting up with my last minute demands and crazy ideas.

I would also like to thank the teachers who tolerated interruptions and allowed us to use their class time for various reasons, all in order to meet our deadlines. We all appreciate your understanding! Also, a few of you were asked to write copy for club and department sections — we appreciate the time you took to help make our job easier.

The most important people that I must thank are my hard working staff, our sponsor and my family and friends. The staff this year was smaller, but more efficient than ever. We met our deadlines with ease and everything went smoothly throughout the year. Much thanks goes to Tiffani Tubbs for the tremendous job she did in selling ads and providing us with enough money to meet our budget. With her help, I had one less thing to worry about. My assistant editors this year, Laura Word and Lisa Crocker, worked hard too and I feel that they learned much. They should be able to produce a very good book next year. Esther Belew was in charge of the sports section and as you see she did a very nice job. Sports is one of the hardest sections to produce, but Esther came through. The rest of the staff, Glenda Collier, Lisa Blackwell, Pam Peeples, Angie Janes, Dana Word, and Linda Collier, all did beautiful work and deserve a big thanks for all their help. Mrs. Patti Sanders also helped me personally by supporting all of my decisions and ideas. Although this is only her second year as sponsor, she helped out a lot and I'm very thankful. Lastly I'd like to thank my family and friends, mainly for just putting up with me throughout the year. They listened to me gripe and encouraged me to keep working. Without their support I would never have made it through.

I hope that you as a student at Harding Academy are proud of this book and what it stands for. If you have comments, criticisms, or even better, compliments, please express them to me or members of the staff. It would be nice to know that our work has been appreciated or at least noticed. It is my special hope that you are proud of this book and that the memories captured here are ones that will not soon fade.

MY YEAR

WALSWORTH PUBLISHING COMPANY / MARCELINE, MISSOURI 64658

Judy,

Well, what can I say? I don't even go to your school but, hey, who cares? These past two months have been absolutely great. You'll probably never know how much it means to me That we've become such good friends. Even though we've only been close for such a short time, I can honestly say that you're one of the very best friends I've ever had. There were many times I would have gone completely insane if you hadn't been there to let me cry on your shoulder. You've always understood my moods and feelings and I really appreciate it. Just remember if you ever need me, I'm always there!

I'll never forget all the fun, crazy times we've had. Our fantastic trips to Kansas City and Wichita! How about room 309 and The Falkland Islands?! And how could we ever forget: "And now the Sugar Babies present..."!!

I guess I could end this up with the traditional stuff - you know, good luck, be good, etc., but I'm not. I'm just going to say that you're something special and I love you. I know we'll be freinds forever!

P.S. Remember: We're cute, not homely!

Lots of love,
Nicia

Judy,
It's been one hell of a year and it's not yet over. We still have time to bring Harding to its knees if we try. We will have to do something about but remember we can't do anything bad as disgraceful because I don't believe in things like this, and since I'm a good honest, and have outstanding morals in life- And if you believe this you got a bridge to sell you in California. It's been a blast in Algy I even though we were seperated the first week what the hell we still caused the woman many hours of pain & suffering, but she deserved it. See ya durin' the summer!
Love Rip
